2. The memorialist who is the first clerk on Rs.20 in Dharmapuri Sub Registry Office has passed only the old general test examination in Tamil and is therefore not qualified for higher posts requiring a good knowledge of the English language. Most of the Sub Registrars under whom he served and the Registrars who were in charge of the Salem District have recorded unfavourable opinions regarding his conduct and capacity for work, as will be seen from the Registrar's endorsement (copy enclosed) dated 29th September, 1901 on his application for the third clerk's place in the Registrar's office, Salem. He has been described as slow and unequal to the work required of him, prone to ~~his~~ be mischievous and quarrelsome, disposed to criticise the actions of his superiors and impertinent and unbecoming in his behaviour. He was fined twice for his impertinence and quarrelsomeness, and was transferred from Paramathi to Namakkal in 1886 on reduced emoluments, for quarrelling with the Sub Registrar.

3. According to the extract annexed to his memorial, the memorialist acted 15 times as Sub Registrar. He did not act as Sub Registrar of Pennagaram from the 19th to 27th October 1900 as noted in the extract. On 11 out of the other 14 occasions, he acted for Sub Registrars when they were absent on casual or examination leave. The remaining three occasions when he acted in vacancies entitling him to allowance were as follow :-

(1) at Hosur from 30th (not 28th as given in the extract) August to 29th October 1896 when the Sub Registrar was on privilege leave,

(2)

(2) at Pennagaram from the 25th to 30th November 1899 when the acting Sub Registrar was granted leave without allowances, and (3) at Harur from 3rd June to 5th August 1900 when the Sub Registrar was acting at Omalur.

3. The memorialist prays that "as Tamil General Test candidates are hereafter debarred from appearing for the Special test examination and are ineligible for promotion" he may be exempted "from passing the Matriculation examination with Hand-writing." The exemption sought will not materially improve his prospects in the Department, as he will be retired in about 15 months being now 53 years and 9 months old and it is extremely unlikely that he will be given any promotion within that period.

4. With reference to the memorandum from Government No.1721, Judicial, dated 12th May 1903, the undersigned has the honour to state that the memorial which was received in this office on the 17th January had to be returned twice to the Registrar in view to certain discrepancies in dates and emoluments being accounted for and was finally received in this office on the 28th April 1903.

Submitted to the Inspector General of Registration for orders.

2. The Registrar's predecessor, Mr. Ry. M. Unni Erati, has passed over the claims of this clerk as unfit to be made 3rd clerk of this office vide this office letter No. 2795 dated 24th November 1900, para 2. In para 4 of this office letter No. 2947 dated 7th December 1900, the same officer has remarked about this clerk as follows "A very slow man. The Sub Registrar was complaining to me on the matter and his complaints appeared to me to be reasonable". The Sub Registrar of Dharmapuri's two D.Os. about this clerk requesting his transfer to another office have been submitted in original to the Inspector General with this office

Letter No 2345 dated 21st August 1901. The Clerk was employed in Several offices. M R Ry. G Venkatramachetti Sub Registrar of Rasipur has remarked about this clerk as not equal to cope with that office work and as one having mischevious propensities vide copies of Confidential reports of 1897 and 1898, the originals having been sent with this office letter No 541 dated 28th March 1898 to the central office. Mr Chatelier while at Shevvapet has reported about this clerk as rather slow. The clerk has a tendency to quarrel and complain frequently, will be evidenced by the Inspector General's Proceedings G. No 4390 dated 25th September 1891 under which he was let off with a fine of Rupee one with a warning, while at Namakal. While at Paramatti, this clerk quarrelled with the Sub Registrar and he was reduced from that office 1st clerk's post of higher emoluments (Commission system) to 4th clerk at Namakal. Vide Proceedings G. No 1166 dated 13th March 1886. My predecessor M. R. Ry. C. Sambasivier now at Tinnevelly, has while at Salem, written about this clerk as follows in this office letter No 58 dated 11th March 1886, para 4:-

"It is of the utmost importance that the Paramatti Head clerk (P. Subramania Aier this applicant) should be removed to another Station so as to make it a punishment by appreciably curtailing his emoluments. For some months past, the Sub Registrar of Paramatti has been reporting against this clerk on account of his impertinence and unbecoming conduct. On a previous occasion I imposed on him a fine of Rupee one and odd (a full day's commission) and warned him in all seriousness that he would be reported to the Inspector General if his conduct should provoke another unfavorable report from his superior. I repeated the same warning during the time of the last inspection also, but the

24

quarrel between the Subregistrar and the clerk, seems to have grown more virulent than ever in spite of the warnings." In Proceedings T. No 342 dated 22nd March 1886, the clerk is remarked as follows; — "It is hoped that the clerk will improve and not presume to be a running critic on the action of his superior officer" In Proceedings T. No 3787 dated 8th August 1886, it is stated "The Clerk was deservedly removed from Paramathi".

3. Thus the clerk's past history is not good. He is 52 and is U.C.S. He is slow. Arrears of work are exhibited every month in Dharmapuri.
