To

The Secretary to Government,

Educational Department.

Sir,

I have the honour to request that you will be so good as to obtain the sanction of Government, under article 75 of the Civil Account Code, to the payment of actual travelling expenses amounting to Rs 36-14-0 incurred by the Headmasters of the Municipal High School and the Wesleyan Mission Girls' School, Karur, and certain pupils of these schools who were required to attend a departmental enquiry at Coimbatore conducted in August 1901 by the Assistant Inspector of Schools, Coimbatore Division in connection with a fraud practised at the Lower Secondary Examination held at Karur. The travelling allowances were sanctioned by me, but the Accountant-General points out that the parties being non-officials no travelling allowance is admissible to them from Provincial funds and suggests that the payment of their actual travelling expenses only be debited to contingencies with the sanction of Government. The charge will accordingly be met from the contingent allotment of the office of the Assistant Inspector of Schools, Coimbatore Division for the current year.

I have the honour to be,

Sir,

Your most obedient servant,

G H Stuart

Director of Public Instruction.

C. No. 854 From the Director of Public Instruction No. 2381 dated 26-5-1903.

SUBJECT.

Enquiry in connection with a fraud practised at the Lower Secondary Examination held at Karur.

In his letter read above the Director states that the headmasters of the Municipal High School and the Wesleyan Mission Girls' School, Karur and certain pupils of these schools were required to attend a departmental enquiry at Coimbatore conducted in August 1901 by the Assistant Inspector of Schools, Coimbatore Division, in connection with a fraud practised at the Lower Secondary Examination held at Karur and proposes, as pointed out by the Accountant-General, to meet ^{into this sanction} their actual travelling expenses out of the contingent allotment of the office of the Assistant Inspector of Schools for the current year. But under art. 75 of the Civil Account Code the ~~previous sanction of Government seems to be required for adopting this course, as the charge in question is an uncommon charge and not an ordinary one.~~ The Director now requests this sanction. Orders are solicited as to whether the sanction may be accorded and the draft placed below issued.

The fraud was committed at Karur and it is not clear why the enquiry should have been held at Coimbatore. As however it was actually held at Coimbatore ^{does not} there seems to be ~~no~~ much use in making any ^{reference} enquiry on the point.
