From His Majesty's Secretary of State for India, to His Excellency the Right Honourable the Governor in Council of Fort St. George, dated London, 22nd May 1903, No. 5 Public (Educational).

Referring to the despatch of your Excellency's Government No. 3 of the 11th November 1902, and other correspondence marginally-noted,\* I have to inform

your Excellency that I have appointed Mr. Richard Littlehailes to the Professorship of Mathematics in the Presidency College, Mr. Arthur I. Mayhew, to an Inspectorship of Schools in the Educational Service, and Mr. Stanley Clifford Probyn, M.A., to the acting appointment of Professor of History at the Presidency College. I have also on your recommendation appointed Mr. Mark Hunter to the Principalship of Kumbakonam College, as stated, in my telegram of the 1st April, and I hope shortly to report to you the selection of a suitable candidate for the Vice-Principalship of the Teachers' College.

2. Mr. Littlehailes, in addition to graduating at Oxford, passed a year abroad studying educational methods, and attended classes in Physics in the University of Kiel. He is at present Demonstrator in the Cavendish Laboratory at Oxford.

3. Mr. Mayhew also added to his University course a course of Pædagogy at Berlin University and at Jena, and he has lectured on English History and Literature at Culham Training College.

4. Mr. Probyn obtained a good second-class in Modern History Finals at Oxford and has been for one year Assistant Master at Westminster School. I trust that on the termination of his present appointment it may be possible to offer him a permanent post in the Educational Service.

5. Further information respecting these gentlemen is given in the accompanying statement.

EDUCATIONAL DEPARTMENT.

NOTES CONNECTED WITH G.O., No. 280, EDUCATIONAL, DATED  
10TH JUNE 1903.

[SUBJECT.—*Appointments to the Indian Educational Service.*]

*From the Secretary of State for India, dated 22nd May 1903, No. 5-Public, Educational.*

The draft placed below may issue.

2. The Director was (*vide* his letter in G.O., No. 700, dated 11th November 1902) anxious to secure as many Cambridge graduates as possible, but all the appointments have gone to Oxford.

No harm!

A. T. PRINGLE.

3. A statement of changes in the offices of Principal and Professors during the last few years in the three first-grade Government Arts Colleges is placed below. The Director may, perhaps, be asked to see that these changes are restricted to the smallest possible limit in future. If so an additional paragraph will be added to the draft.

P. T. THARYAN—9-6-03.

I think there is no necessity to raise the point at A in the order to be passed on the present letter and there are some inconveniences in doing so. "Leave" accounts for much. The draft may go out, and after the papers are printed up, the statement which Mr. Tharyan has prepared may be resubmitted.

A. T. PRINGLE—10-6-03.

I told Mr. Tharyan to put up the statement here, as it seemed a peg on which to hang it, but it is not a very appropriate peg, and I accept the Assistant Secretary's suggestion.

A. G. CARDEW—10-6-03.
