Recording the report on the working of the Madras — for the year 1902–1903.

GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

Read—the following paper:—

From the Hon'ble Mr. G. H. STUART, M.A., Director of Public Instruction, Madras, to the Secretary to Government, Educational department, dated 8th June 1903, Ref. on C. No. 3706.

I have the honour to submit the report on the operations of the Text-book Committee for 1902–1903, with the following remarks.

2. On the 1st April 1902 the committee consisted of 18 members, and of these one retired during the year and another vacated her seat under rule 3 of the committee. A few more members have since left the presidency and proposals to fill up the vacancies that now exist will be submitted shortly.

3. The number of books referred to the committee was 372 against 296 last year and 190 in the year before, and it will be seen that it has nearly doubled in the course of the last two years. It is gratifying to see that the committee was able to cope with this increased work and left nothing in arrears.

4. The thanks of Government are due to the Secretary and to the other members of the committee for their disinterested labours.

RULES FOR THE TEXT-BOOK COMMITTEE.

1. The Madras Text-Book Committee has been appointed for the following purposes :—

(*a*) To take into consideration such books as may be submitted to it by the Director of Public Instruction and to advise Government in regard to their suitability as text-books for the several classes and forms in recognised schools in accordance with the curricula from time to time prescribed for such classes and forms, the list in each subject and for each class or form being as varied and complete as possible, so that managers of schools may have a wide field in which to exercise the freedom of choice vested in them.

(*b*) To advise the Educational department as to the steps to be taken for the preparation and publication of new text-books when necessary.

(*c*) To help in forming, under the control of the Director of Public Instruction, (i) an educational library containing copies of all text-books approved from time to time by the department, copies of text-books approved or prescribed in other provinces of India and in other countries, and copies of works on the theory, the practice, and the history of education; and (ii) an educational museum containing plans and models of school buildings and specimens of maps, diagrams, apparatus and appliances suitable for schools.

2. The committee shall consist of not more than twenty members in addition to the president.

3. The members of the committee shall be appointed by Government, which may, at any time and without assigning reasons, remove any member. A member leaving the presidency for an absence exceeding six months shall vacate his seat, and the vacancy thus caused shall be filled by Government on the recommendation of the Director of Public Instruction. Vacancies not exceeding six months in duration may be temporarily filled by the Director.

4. The Director of Public Instruction shall be *ex-officio* president, and one of the members shall be secretary.

5. The committee shall have power to appoint sub-committees, each consisting of not more than five members in addition to the chairman, for the purpose of dealing with different subjects and languages. It shall also have power to consult specialists who are not members of the committee. Any member appointed to fill a temporary vacancy on the committee shall *ipso facto* become a member of the sub-committees to which the absent member belongs. Every book referred to the committee by the Director shall be referred by it to the appropriate sub-committee for examination and report.

6. The chairman of each sub-committee shall be appointed by the committee, with the limitation that in the case of the sub-committees for the vernaculars an Inspector of the department shall always be chairman.

7. The committee shall meet ordinarily twice a year, on the last Wednesday in March and the last Wednesday in October. The president shall have power to convene special meetings as occasions arise or on the requisition in writing of not less than four members. Sub-committees shall meet at such times as their respective chairmen may consider necessary.

8. Seven members of the committee shall form a quorum. The quorum for a sub-committee shall be not less than half the members of such sub-committee, who are resident in Madras.

9. The meetings of the committee and of sub-committees shall ordinarily be held at the office of the Director of Public Instruction.

10. At all meetings of the committee or of sub-committees, the president or the chairman, as the case may be, shall take the chair; but in case of his absence the members present shall appoint a chairman.

11. All questions that may arise at meetings of the committee or of sub-committees shall be decided by a majority of the votes of those present. In the event of the votes, including that of the president or the chairman, being equal, the president or the chairman shall have a second or casting vote. Opinions of absent members may be submitted in writing, but shall not count as votes.

12. It shall be the duty of the secretary to give notice of the meetings of the committee and of sub-committees when held at the ordinary place of meeting, to attend the meetings of the committee and whenever possible the meetings of the sub-committees, and to keep a record of the proceedings. When the secretary cannot be present at a meeting of a sub-committee, a similar record of the proceedings shall be kept by the chairman of the sub-committee, who shall forward it to the secretary.

13. A copy of the proceedings of every committee meeting shall be forwarded to the Director of Public Instruction within two weeks after the meeting.

14. The committee shall, not later than the 1st June in each year, forward to the Director of Public Instruction a report on the work done during the official year. This report shall be submitted to Government by the Director with such remarks as he may see fit to offer on the operations of the committee.

15. Each book forwarded to a sub-committee shall be referred to not less than two of its members for expression of opinion.

16. No books referred to a member shall be kept for more than a month.

17. In the case of books rejected as unsuitable by the Text-Book Committee, some brief indication of the grounds on which the judgment has been formed shall be given.

18. The lists of books passed by the various sub-committees shall be printed and circulated among the members of the committee at least a fortnight before the date of the meeting at which they are to be approved.

19. The committee will have no concern with the text-books of schools classed as European schools by the Director of Public Instruction unless they are specially referred to them for opinion by Government or by the Director.

To

The Secretary to Government,

Educational Department.

Sir,

I have the honour to submit the report on the operations of the Text-Book Committee for 1902-1903 with the following remarks.

2. On the 1st [illegible]1 1902 the Committee consisted of 18 members and of these one retired during the year and another vacated ~~his~~ her seat under rule 3 of the Committee. A few more members have since left the Presidency and proposals to fill up the vacancies that now exist will be submitted shortly.

Page 2 after Enclosure.

3. The number of books referred to the Committee was 372 against 296 last year and 190 in the year before and it will be seen that it has nearly doubled in the course of the last two years. It is gratifying to see that the Committee was able to cope with this increased work and left nothing in arrears.

4. The thanks of Government are due to the Secretary and to the other members of the Committee for their disinterested labours.

I have the honour to be,

Sir,

Your most obedient servant,

G H Stuart

Director of Public Instruction.
