To

The Secretary to Government,

Educational Department.

Sir,

I have the honour to submit for sanction an indent for a Vest Typewriter No. 10 required for the typewriting class attached to the School of Commerce, Calicut, and to request that the Superintendent of Stationery may be instructed to arrange for its early supply.

2. The Remington No. 5 which was reported in my letter Ref. on C.No. 3354 of 02, dated 23rd May 1902 to be unfit for use was not returned to the Superintendent of Stationery by the Headmaster as the number of admissions into the typewriting class on the reopening of the school in July last year was unusually large and the machine though old, had to be retained for such use as could be made of it. It cannot however be used much longer and as the strength of the class on the reopening in July next is expected to be as large as it was last year a new typewriter is necessary. The Remington machine referred to above will be returned to the Superintendent of Stationery on receipt of the one now indented for.

3. I beg to add that it will be an advantage if the machine can be supplied before the reopening of the school.

I have the honour to be,

Sir,

Your most obedient servant,

G. H. Stuart

Director of Public Instruction.
