*The Secretary to Government,*

*Educational Department.*

*Sir,*

In July last the Muhammadan Anjuman of Coimbatore petitioned for the opening of a girls' school in that station representing that the town contains a Muhammadan population of 4000 inhabitants and that they are too poor to pay for the education of their girls. The Inspectress of girls' schools, Southern Circle, to whom I referred the petition reports that there appears to be a good opening for a girls' school for Muhammadans and that if one is established, it is likely to start with at least 50 pupils.

2. I have the honour, in these circumstances, to request that you will be so good as to obtain the sanction of Government to the opening with effect from 1st April next at Coimbatore of a Government salary results girls' school for Muhammadans with the following scale of establishment.

|                 |        |    |
|-----------------|--------|----|
| 1 Headmistress  | Rs. 20 | 10 |
| 1 1st assistant | „ 14   | 10 |
| 1 2nd do        | „ 10   |    |
| 1 Peon          | „ 5    |    |

and to the transfer to this institution of the provision of Rs. 804 made in the budget estimates for 1903-04 for the girls' school, Udumalpet, the provincialization of which was cancelled in G.O. No 729, Educational, dated 25th November 1902.

3. I also request the sanction of Government to a monthly rent of Rs. 15 which amount the Inspectress considers necessary to secure a suitable building.

4. The following items of expenditure which will also have

to be incurred under contingencies, are within my powers of sanction.

|                                                    |       |
|----------------------------------------------------|-------|
| 1 Conductress exclusive of<br>capitation allowance | Rs. 2 |
| 1 Sweeper & scavenger                              | R. 1  |
| Prize and Library<br>allowances                    | R. 1  |
| Ordinary contingencies                             | R. 1  |

5. If these proposals are approved, I shall submit the necessary proposition statement through the Accountant-General.

## FURTHER PAPERS.

To

The Secretary to Government,

Educational Department.

Sir,

Referring to Memorandum No. 252, dated 27th April 1903, I have the honour to state that I recommended a salary of Rs 20 for the Headmistress and Rs 14 for the first assistant Mistress of the proposed Muhammadan Girls' School, Coimbatore, as it was considered that this scale of salaries was necessary in the case of Muhammadan women teachers who observe the gosha system and are therefore put to additional expense on account of the necessity of having to keep conveyances to take them to and from school. The Inspectress of Girls' Schools, Southern Circle is of opinion that a salary of Rs 12 for the Headmistress and Rs 10 for the 1st assistant Mistress is too low, but on reconsideration I think this lower scale which has already been sanctioned for the four new schools named in the memorandum, may be adopted, also for the proposed school at Coimbatore at least as a tentative measure, provided that the teachers are allowed in addition to their pay results stipends at 50 per cent. I may mention that Miss Carr has not yet been able to secure all the teachers she wants for the four schools.

I have the honour to be,

Sir,

Your most obedient servant,

G. H. Stuart

Director of Public Instruction.
