The Secretary to Government,
Educational Department.

Sir,

I have the honour to submit the following case
for the orders of Government.

2. Mr. T.T. Logan, acting Inspector of Schools, Central Circle, went to Bangalore on the 14th of May last and returned to Madras on the 11th of June and claims travelling allowance and halting allowance for ten days. In his travelling allowance bill for May the purpose of the journey was said to be "to carry on inspection of schools in Bangalore" but the statement of work for May is "Nil, as all the schools were closed." In June Mr. Logan was too ill to do any inspection work and returned to Madras on the 11th preparatory to taking long leave on medical advice.

In Mr. Logan's inspection tour programme no inspection work is posted for May and there was nothing to necessitate his presence there in that month. I therefore disallowed his claim. He, however now says that he transferred five schools from the June programme to that for May and had arranged to inspect them, but was prevented by illness from actually doing so; and he wishes for the decision of Government on his claim.

I may mention that it has been customary for the Inspector of Schools, Central Circle, to proceed to Bangalore in May preparatory to inspecting schools in June, and this course has been considered unobjectionable as long as the work was actually done and travelling allowance claimed for only one journey each way. In the present case Mr. Logan's substitute will have to do the work and will of course have to be paid travelling allowance.

3. The travelling allowance bills (to be kindly returned)
are enclosed.

I have the honour to be,

Sir,

Your most obedient servant,

Director of Public Instruction.

C. No. 1016 From the *DP*

No. 457 dated 30-6-1903.

SUBJECT.

W. Logan's travelling allowance

The rules for the Educational inspection and control of the schools in the civil & military station of Bangalore will be found printed as an appendix to G.O. No. 2 of the 2nd January 1902. Under No. 8 of these rules *W. Logan* could transfer some schools from his June programme to that for May but all the schools were closed in May & *W. Logan's* journey to Bangalore during the middle of May could not have been on public grounds. If he had remained in Madras till the schools opened he would never have gone as by that time he was too ill to do any work. It is submitted therefore that the Director has correctly disallowed the claim travelling allowance bills.

2. There is however no account objection to the passing of the bills ~~vide articles 1055 & 1057 of the~~ *DP* for travelling allowance halting allowance for 10 days vide article 1056 of the *DP*.

Ph
3/7/3 The matter is one for the Head of the Dept who is the controlling officer, & I do not think his decision should ordinarily be upset.

On the merits there seems no case for interference
