I am giving with great pleasure these few lines to Lance Naigue Shaikh Adam of the 24th Regiment M. I. to bear testimony to the very good and efficient work performed by him during the last 5 years as Head Clerk of the Quarter Master's Department. He is a particularly able and invaluable man in the Regiment, has a good knowledge of the Regulations and duties of the Department and is a man of some education. He is a man of excellent character, very hard working and attentive. He has on many occasions applied to be allowed to obtain employment in the Engineer's and Commissariat Department, but I have steadily set my face against it, as I could not fill his place in the Regiment. He has a fair knowledge of Engineering and is a good draughtsman and I trust I shall find him in his place on my return from furlough, if not I hope these few lines will be the means of his obtaining the employment he desires.
