Sir,

Page 27 The lump merit grant of 10 per cent of the earnings given under Rule 90 (ii) of the Grant-in-Aid Code is to be passed for each standard and for each subject. The result/earnings are to be first calculated according to the standard or exceptional rates for which the pupils are eligible under Rules 90 (i) and 91 and an addition of 10 per cent of the earnings thus calculated is to be made in every class that qualifies for the lump merit grant.

Page 56 The present certifying memorandum form (Appendix K) does not make this clear and I have therefore the honour to submit a revised form and to request that the changes proposed therein may be approved at an early date.

2. It does not seem necessary to notify in the Fort St George Gazette the changes made in the form.

I have the honour to be,

Sir,

Your most obedient servant,

G. H. Stuart

Director of Public Instruction.
