Most Respected Sir,

I most respectfully beg to
approach your honor with the following
a few lines for your honor's kind considera-
tion and patronage.

I beg to submit that, in
consideration of my service in the
Superintending Engineer's Office, Periar
Hills, Madurai District, prior to the
amalgamation of the Superintending Engineer's
Office in 1891 and my name not having
been included in the Chief Engineer's Circular
No. 161 of 15-1-91 as I was not in the hills
at the time of amalgamation, having been
transferred at the end of 1890 to the No. 2
Periar Division, Madurai, I was favored
with the Chief Engineer's Order No. 1860C
14-3-95

to the effect that my case of exemption
will be favorably considered if I am given a
permanent appointment and G. O. No 639 W.
dated 21-2-96, to consider favorably if I am
given a temporary appointment. I was
not fortunate enough to get even a
temporary clerk's post till April 1899,
when Mr J. E. Paul, the then Executive
Engineer, Chingleput Division, had
the kindness to get me exempted
conditionally for one year from 1st
March 1899 to 29th February 1900,
which is renewed every year. This
conditional exemption for every year
leaves me unemployed each and every
year for a month or two till such sanction
is received renewed from Government;
and hence, representing my humble
circumstances, I submitted an application
on the 10th January 1903 to the Superintending
Engineer, & etc., begging the favor
of getting me exempted for holding a
permanent or temporary appointment
without fear of being stopped before the
receipt of renewal order from the Government,
but my bad stars stood in the way and
the Government Order No. 932 W, of 26th
March 1903, renewing as usual, was
favored me.

Having no other go than placing my
humble circumstances before your honor
I now humbly beg permission to do so
and request that your honor will be so much
pleased as to consider my humble circum-
stances of not being blessed with a perma-
nent appointment, though I have put in
about 14 years service in the Public
works Department and to have mercy
on me, a poor man, to bless me with
a general or unconditional exemption
for holding at least a temporary appoint-
ment in the P. W. D. though not a
permanent one as promised in the
Chief Engineer's order No. 1060 C, dated
14th March 1895, so that I may pass
off with ease the rest of my life time
in this Department alone as I am as long
dependant on the P. W. D. and have no
knowledge of other Departmental works.

I beg to submit that before
I was taken as a Temporary Clerk in the
Chingleput Division in the year 1899
and after I was thrown out of employment
in the Periar Project works in the year
1894 owing to the amalgamation of the
Periar Division with that of the Madras
Division, Messrs J. P. Cantles, A. Joyce,
and J. W. S. Smythe, Executive Engineers
of

Chief
of

Chief

of the Madras Division, had the kindness
of maintaining me by favoring me
with a Clerk's post charged to works
and thus I continued to be in the
Public Works Department.

Begging to be pardoned
for my intrusion.

Most Respected Sir,
Yours Honor's most obedt. Servt.

T. Venkatachalam Pillai,
Temporary Clerk, P.W.D.
Superintendent,
Chingleput Division

Submitted to S.D.O.
The clerk may be given
a permanent footing or at
least a permanent exemption
from all rules. He seems to have
a large experience in this Department.
Being poor, he deserves support.
As he knows the work of any other
Department, his claims seem
quite reasonable.

SUBJECT.

Exemption from the examination rules.

In G.O. no. 88 Est. of 14th Feb. 1896, the petitioner, T. Venkatachalam Pillai was informed that the question of exempting him from the examination rules for employment as a temporary clerk on Rs 15 per mensem would be considered should he be offered such an appointment. Since November 1899 he has been continuously exempted temporarily for employment in the P.W.D. But as he is thrown out, ~~on the expiry~~, of employment every year for a month or two between the periods of each renewal, he requests that he may now be permanently exempted. The Chief Engineer recommends his request for the favourable consideration of Govt. In the circumstances, the exemption applied for may perhaps be granted. A draft order is placed below for approval.
