To

The Secretary to Government,

Educational Department.

Sir,

I have the honour to submit herewith, for favourable consideration of Government, a petition addressed to me by C. Suryanarayaniah, a clerk of my office, requesting me to recommend him for being permanently allowed to appear for the Special Test Examinations, now open to those who have passed the Upper Secondary Examination, and Criminal Judicial Test, Lower Grade, and to report as follows:-

2. The petitioner, C. Suryanarayaniah, is a native of this District and has passed the late Middle School Examination in the 1st class. He entered service in 1892 when the Special Test Examinations were open to Middle School 1st class passed candidates and he has passed the Account Test lower. Under the present rules, he is ineligible to appear for any of the Special Test Examinations. He is a hard working, intelligent and trustworthy clerk and is capable of producing good drafts. Former Huzur Sheristadars and the present Huzur Sheristadar speak very high of him and I am personally satisfied that their opinions of him are correct. He is now a 30 Rupees clerk and is doing single-handed Type-writing work and is also dealing with the correspondence relating to Public Servants, without detriment to either. Before the present rules came into force, he was not able to pass the other tests for which he

was eligible to appear owing to the pressure of heavy work. This is one of the backward Districts in point of education and Cuddapah, which is notorious for its malaria, does not attract men of high education and talents. The petitioner is a native of the District and as such his case deserves special consideration at the hands of Government. I, therefore, strongly recommend that the permission sought for may be granted to enable him to reap the fruit of his work.

I have the honour to be,

Sir,

Your most obedient servant,

M. Madhav
Collector.

Most honoured Sir,

Most humbly and respect-

with the request that my prayer
maybe kindly considered and
granted.

2/- I am C. Suryanarayana
to the Vernacular Clerk on Rs 30/- of
your honour's office. I have
passed the late Middle School

Examination in the 15th Class and entered Government Service in October 1902. Under the rules then in force, I was eligible to appear for all the Special test examinations except the Revenue Higher. Subsequently, the scope for appearing for special tests was gradually narrowed and from 1902, Middle School men have been debarred from all. I have in the meantime passed the Account test, lower grade, and am now incapable of rising in service however hard and satisfactorily I work, unless I pass the remaining tests which I could not do for want of time & for which I am now ineligible.

3/. My total service is now 10 years and 8 months and I have worked directly under Messrs V. Krishnamachari V. Privaatanka Rao Panikla and A. Katcha-
paurana Iyer & have been for the past 7 months working under

M. K. J. Narayana Reddy, B.A., acting Muzam Sheristadar. I have been doing type-writing work and the Public Servants' Correspondence in addition without detriment to either, the first alone for years and both for 2 years. I respectfully submit that the remarks of the above officers will convince you in honour as to how I have been doing my duties, one of which being of a Confidential nature. I was never warned or fined for bad work.

4/. Therefore most humbly and respectfully, I beg to request that your honour will be so pleased as to consider my case and recommend to Government to permanently permit me to appear for all the Special test examinations for which an Upper Secondary Candidate is eligible and also the Criminal Judicial test, only.

the lower grade, and thus afford
me a chance of rising in
service which is my only source
of livelihood.

For which act of kindness
and charity, I shall, as in
duty bound, ever pray.

I beg to remain with respects,
Most honoured Sir,
Your most obedient & humble servant.

Educational DEPARTMENT.

C. No. 1224, From the Collector of Cuddapah, No. 991, Dated 3-8-1903.

Subject:- Permission to appear for
certain special tests.

The Collector of Cuddapah forwards for the favour-
able consideration of Government a petition from one
C. Suryanarayanaiah, a clerk in his office, praying
that he may be recommended for being permanently
allowed to appear for the Special test examinations now
open to those who have passed the Upper Secondary exa-
mination, and also ^{for} the Criminal Judicial test, lower grade.
He reports that the petitioner passed the late Middle School
examination in the 1st class, entered Service in 1892 when
the Special test examinations were open to him and is a
hardworking, intelligent and trustworthy clerk. He also
points out that Cuddapah is one of the backward
districts in point of education and being notorious for its
malaria, does not attract men of high education
and talents. He therefore strongly recommends that the
permission sought for may be granted.

2. It is submitted that as pointed out by the
Collector the applicant was under the rules then in force
entitled to appear for all the Special tests ^{except} but the Revenue
test, higher grade, which was open only to graduates.
He passed only the Account test, lower grade, ^{but did} and has not

revenue system, 1892
almanac for 1892.

avail himself of the facilities then afforded.

The special tests for which he now seeks permission to appear are the precise-writing test, the Translation test,

higher and lower grades the Account test, higher grade the Criminal Judicial test, the Revenue test, lower grade, the Jail test, the Salt & alkali test and the Criminal Judicial test, lower grade. These ~~first three~~ ^{with the exception of the last}

tests are under the present special test notification open only to those who have passed at least the Upper Secondary examination and the ~~last~~ ^{last mentioned} test open to those who have

passed the First-in-arts examination of the Madras or Calcutta University, to students of the College of Agriculture who have passed the examination prescribed for admission to the College, and have obtained the Diploma in Agriculture at the Government Technical Examinations, and to candidates who have passed either the Upper Secondary or the matriculation examination and have obtained the diploma in Commerce at the Government Technical examinations. The applicant does not possess any of the qualifications mentioned above and therefore requests that he may be permanently allowed to appear for the special tests in question. It is submitted that there seems to be no sufficient grounds for complying with the petitioner's request but it is ~~for~~ ^{for} consideration whether permission may be granted for 2 years.

The following are some of the posts with the qualifications prescribed for them to which the applicant may aspire:-

- Revenue inspector - The Revenue & Account tests, lower grade.
- Collector's Secy. Head Clerk } The Revenue, account & Translation tests, lower grade.
- Deputy Commissioner
- Deputy Head Accountant
- Head Clerk in divisional

Translator in do. do.

Head Accountant in do. do. } The Account test, higher grade.

Deputy Sub-Inspector } The Revenue, account, Criminal Judicial, Stationary & Town Out-magistrate } & Translation tests, lower grade.

Whenever pay amounts to Rs 50 ^{about} or upwards, the Precise test has also to be passed.

2. The applicant will then have to pass ^(at least) the Revenue, Translation & the Criminal Judicial tests, lower grade, the Account test, higher grade & the precise test if he is "to reap the fruit of his work". The list is ~~long~~ ^{long} enough.

3. The Cuddapah district does not attract men of high Education and talents but the Collector does not say that there is consequently a dearth of qualified men.

4. On the whole therefore it does not appear that the permission applied for can be usefully given - nor that there are sufficient grounds for its grant. In any case a permanent ~~rejection~~ ^{permission to keep for the man's natural term of office is} is submitted, out of the question.

On a somewhat similar recommendation submitted by Mr. Macleod Whitehead in Anantapur the Hon'ble Mr. Arundel observed that he was weak in this respect. The paper is in Madras.
