To

The Secretary to Government,
Educational Department.

Sir,

The Executive Engineer of Kistna-Western Division has been asked to include in his budget for 1904-05 a building for the Government Girls' School, Tenali, as one of the original works to be carried out by the Public Works Department. The site marked A in the accompanying tracing has been selected for the purpose by the Inspectress and it is approved by the Executive Engineer. The Tahsildar of Tenali estimates the cost of its acquisition at about Rs 450. I have the honour in these circumstances to request that the Collector of Kistna may be instructed to acquire it and that orders in the Public Works Department may be issued for the preparation in consultation with the Inspectress of the necessary plans and estimates.

2. ^{to the school} It would be an advantage if it could be provided with a building during the current year.

I have the honour to be,

Sir,

Your most obedient servant,

J. N. Siva

C. No. 1209 From the Director of Public Instruction No. 4220 dated 31-7-1903.

SUBJECT.

Site for the Govt. Girls' School building at Tenali.

The draft placed below may issue with the concurrence of the Public works department. The ^{present} understanding is that the work should be taken up next year but the Director considers that it would be an advantage to the school if it could be provided with a building during the current year.

What seems to have happened is that the D.P.I. has taken over all the B-Girls' Schools in the Presidency, & is now getting every one of them provided with a building at large cost. This is a comprehensive scheme which is to be surveyed as a whole & not piecemeal. Please put up ⁽¹⁾ an extract for the Letter in which the D.P.I. reported that the Schools had been taken over (file herewith - to be returned) (2) a list of all Govt. Girls' Schools included in the A & B. P.W.D. Budgets - (showing cost of the proposed buildings) (3) any further buildings for these schools since proposed. (4) a list of other ^{Govt.} Schools - taken over - for which buildings will prob. be demanded.

The following papers are submitted as directed by the Secretary:-

- (1) Extract from the Director's letter of the 4th July 1903.
- (2) A list of all first girls schools included under A + B in the current year's P.W. Budget. Out of sixteen works estimates are ready for only six. The cost of the proposed buildings for ten schools has not therefore been entered.

(3) ~~The only school for which further buildings are proposed is that at Shevapet - but no estimate of the cost involved has yet been prepared.~~

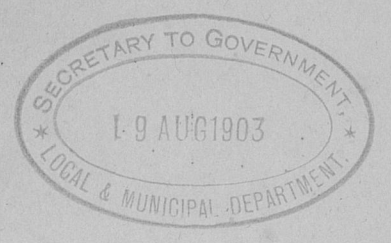

(4) Most of the existing girls schools were taken over from local boards or municipalities. Information is not available here regarding the exact ^{thru} schools taken over. The last batch consisted of 13 schools enumerated in G.O. no 1117 L dt 23rd October. Of these the schools at Pattur,

Madamakkalam, Nannilam, Pattukottai & Patu, have buildings of their own. The remaining eight schools at Uravallanda, Arcot, Eruskoogilur, Kallianpur, Sufferala, Vallam, Jayankonda - Solapuram & Mayavaram will probably require new buildings.

2. The provision of new buildings for girls training schools is however in pursuance of the policy enunciated on page 3 of G.O. no 535 Edl dt 23rd September 1901 & approved by Govt. The Director said that in all about 2 lakhs would be required, spread over four years. The names of

(6) In Gov. no. 1337 & dated 3rd August 1900 and no. 13132, dated 12th August 1901, Government authorised me to take over all Local Fund and Municipal Girls' Schools; and they have accordingly been taken over. It is therefore too late now to reconsider that policy. As there were only 14 of such schools the amount of relief afforded to each board was trifling.
