FROM

The Secretary to the Government of Burma,

The Secretary to the Government of Madras,

Educational Department.

Dated Rangoon, the 29 July 1903.

SIR,

I am directed to say that owing to the abolition of the precollegiate course at the Medical School, Royapuram, five Hospital Assistant students, W.I. Legeois, Ba Kin, N.H. Hossin, Tha Zan and Maung Ba Nyun, who were undergoing that course in Burma have been transferred to Madras to continue their studies there. The Lieutenant-Governor has sanctioned the payment to them of stipends at the rate allowed to Burmese students in Madras, namely Rs. 30/- and Rs. 10/- for books from the date of their arrival at Madras.

I am to ask that, with the permission of His Excellency the Governor in Council, the Accountant-General, Madras, may be informed accordingly.

I have the honour to be,

Sir,

Your most obedient servant,

M. W. M.

Secretary.

1. Does this involve an increased charge on Madras prov. revenues?
2. If so, ought it not to go to Finl for acceptance?
3. Why 5 Burmese Students, who were undergoing the pre-collegiate course in Burma, should be sent to Madras "owing to the abolition of that course at the Medl School Rangoon" is not clear to me.

1. It involves an increased charge of Rs 2400 per annum for the present but the amount is recoverable when the ~~the~~ next provincial contract is settled.
2. There is no objection to the draft going to Financial for acceptance but it is submitted that it is a mere formality as the request of the Govt of Burma cannot be refused. The amount required in the current financial year is Rs 1600 and if it cannot be met by savings on the medical College budget the Director will in due course propose the required re appropriation of funds.

In the notes connected with G.O. no 362 Finl dt 25th May 1903 Finl took exception to a similar draft not going to

to them for acceptance, but Educational thought that the question need not be gone into then. *Q p*

3. Under the arrangements hitherto in force five Burmese pupils were annually selected and required to undergo a year's preliminary course in Burma. They were then sent over to Madras for a further three years' course in the Medical College - vide page 117 of the Medical College Calendar put up. Owing to the abolition of the pre-collegiate course all the four years have now to be spent in the Madras School and so the pupils who began their course in Burma last month have now come over to Madras. Under the old arrangements they need not have come before July next.

The basis for the statement
~~It is not strictly correct to state that~~
the proposal to send 5 more Burmese pupils to

The Buaras School "involves an increased charge of Rs 2,400 per annum for the present, but the amount is recoverable when the next Provincial contract is settled: [vide at A in the Educational Department note dated the 14th August 1903 on page 1.] ^{is not clear} The position is that for 1903-4 Provincial funds will have to bear the charge in question and it is only if the amount involved is found to be considerable that a case can be made out for compensation on account of the charges and a representation ~~to be made~~ made to the Govt of India; please see at B in the Financial Dept. note dated the 18th May 1903 on pages 2 and 3 of the K.W. D.G. No 362, Financial, dated the 25th May 1903. The assignment ~~to be made~~ made under 24 Medical by the Govt of India in the revised Provincial contract which will come into force from 1904-5 will cover such charges for that and future years.

2 It is submitted that the drafts ^{may} ~~have to be~~ be accepted. The item will be entered in the ~~main~~ register.
