Sir,

& L.M [illegible]

To

His Excellency The Right Hon'ble
Arthur Oliver Villiers,
Baron Ampthill, G.C.I.E.
Governor of Madras.

May it please Your Excellency.

With profound respect and submission, I beg to submit this to your Excellency's kind consideration and favourable disposal.

I applied last year to the Director of Public Instruction Madras, on certain circumstances with a request to grant me a special permission, to appear for the Draftsman test of the College of Engineering Madras, but received a negative reply.

W.

With the reply, I applied last year to your Excellency with a similar request, and I have been bestowed with an order, whereby, I am forbidden to appear for the Draftsman's test of the College. But it is stated in the order, that by completing the Draftsman test in Mechanical Drawing, I shall be taken as a Draftsman in any department. A copy of the order is herewith enclosed.

Accordingly, I have devoted two years in the golden time of my youth to complete the certificate; believing your Excellency's order to better my state in future. But now I see that I am cursed by every means.

I applied for several Departments together with your

Excellency's order

order in time of vacancys to get a post, but instead of a favourable reply, I have received replies, that College Draftsman only will be entertained in the Departments. I enclose one of the similar reply for perusal.

Here I humbly request your Excellency to kindly consider my poor circumstances, and the difficulties with which I finished the Certificate.

My parents are poor, and unable to send me to the College of Engineering. I completed the certificate within two years, (within the College course) with the greatest labour and difficulty. Moreover, your Excellency will know, that the mechanical Draftsman's test is more difficult than that of the College of Engineering. I dare say with full confidence, that I can work equal to, and even more than a College Draftsman. Now I can able to do any kind of Draftsman work in any department.

Therefore, I most humbly entreat your Excellency to take pity in my poor state, and wipe of my tears by bestowing on me a special order, so as to enable me to have equal preference with the College Draftsman.

I most humbly beg to remain
Your Excellency's most obedient
Servant.

Proceedings of the Madras Government

From K. S. Subramaniam Negapatam dated 28th September 1902.

Order No 648 of 17th October 1902.

The Petitioner's request to be permitted to appear for the Draftsman's test of the College of Engineering cannot be granted, but he will be informed that Candidates holding the Draftsman's group certificate in Mechanical Drawing awarded under the notification regulating the Government Technical Examinations, are eligible for appointments in the Conservancy establishment of the Public Works Department or as Draftsman in any Department.

C. No. 1300 From the P. S. G. No. 40 dated 19th Aug 1903.

SUBJECT.

Draftsmans certificate.

The petr. requested last year that he might be permitted to appear for the draftsman's test of the College of Engineering as a private candidate. But as that examination was by G.O. no. 576 Edl dated 12th nov. 1900 closed to private students, he was informed that he could not be permitted to appear for that test and that a candidate holding the draftsman's group certificate in mechanical ~~engineering~~ drawing awarded under the technical examination notification would be eligible for appointment in the Conservancy establishment in the P.W.D. or as a draftsman in any dept. — vide G.O. no. 648 Edl D 17th oct. 1902

2. The petr. now states that he has qualified for the group certificate in mechanical drawing but that heads of offices decline to employ him. His statement that he has qualified for the group certificate in mechanical drawing

does not appear to be wholly true. Perhaps he means that he has passed the necessary examinations but he has not obtained yet a group certificate in mechanical drawing. vide telephone message from the Commissioner's Office.

3. The petr. may therefore be informed that if he obtains a group certificate in mechanical drawing his qualifications will be considered equal to that of a draftsman passed out of the College of Engineering.

The draft placed below may issue.

It is submitted ~~that~~ this may be done. but the fact still remains that the Conservator of Forests Central Circle ~~will~~, and probably other heads of departts ~~will~~ also, give *preference to draftsmen trained by the College of Engineering. Would it not be better therefore, ~~to ask~~ after issuing the order, to ask the C.G.E. to try & remove the misunderstanding on the ~~s~~ subject by a notification in the Gazette. The Revenue, P.W. departts may also see the file.

I am inclined to think there is no necessity for further action, but it is best to deal with the individual case before the Government. That decided, we can consider whether any instructions to the C.G.E. are ~~necessary~~ desirable.
