Sir,

29/9/03
P. G. Gopal Mudali is the permanent Copyist clerk on Rs.15/- of the Cuddapah Taluk office having been appointed to it under G.O. No. 228, Educational, dated 22nd April 1899. He has spent 12 years already in Government service and during this time has done different branches of work. He is said to be an intelligent and well-behaved man well inured to the climate of Cuddapah Town where he has been working for many years. He has been doing the Loans, the Abkari and the Magisterial work and the former and the present Tahsildars of the Cuddapah Taluk, M.R.Ry. C. Kristna-murthi Nayudu and M.R.Ry. G. Naraniah, B.A., say that he is well up in all branches of work and the Divisional officer says that the applicant would make a good Taluk clerk.

2. This Gopal Mudali has passed the late Middle School Examination in the 3rd class and also the Primary Examination and in view to improve his status in Government service, he requests that he may be permanently exempted from passing any of the lowest Public Examinations - the Matriculation or the Upper Secondary Examination. His application on which there are the endorsements of the former Tahsildar and the Divisional officer and also the Arzi, Disposal No. 1054-D. of 1903, dated 12th August 1903, is submitted herewith. In consideration of the

Exemption from the examination rules.

In forwarding with his recommendation an application from one P. G. Gopal Mudali, permanent Copyist in the Cuddapah Taluk office, praying for permanent exemption from passing the matriculation or the Upper Secondary examination, the Collector observes that the applicant is said to be an intelligent and well-behaved man well-inured to the climate of Cuddapah town, that he is conversant with all branches of work in the Taluk office and that the officers under whom he worked report favourably of him. He has 12 years service and it will be a great

encouragement to him if he is exempted. It is submitted however that the best course to ^{adopt} follow in this case is to ~~adopt~~ follow the principle laid down in G.O. No 456 Public dt 15th May 1902. If on the occurrence of a suitable vacancy the Collector or any of his divisional officers or any of the Talasildars in the district is willing to appoint him to a higher post the question presuming

him may be considered. At present there is no vacancy and exemption before a vacancy occurs seems hardly called for.

The provisions of G.O. No 456 Public dated 15 May 1902 have been complied with. There is nothing in that G.O. about a suitable vacancy, & there is nothing in the Collr's Lr. to show there is not now a permanent clerkship vacant. This point came up once before, & I pointed out that Tq. Clerkships on Rs. 15 pm ~~and~~ fall vacant frequently, & that there is little use in making the Collr. write another Lr. Either we are going to exempt this man eventually or we are not. In any other Lr. except Cuddapah, I think the request should be refused, but there are really special cases there, & exemption may be given.
