Educational Department.

Si,

I have the honour to request the sanction of Government for providing in the Budget Estimate for the ensuing year for payment of two honoraria of Rs 250/- each for two courses of lectures in the Presidency Training School for Mistresses one on Botany and another on Animal Physiology. It is very desirable that female students who undergo training in this institution and who, on the completion of their training, generally secure employment in primary and lower secondary schools for girls should receive instruction in these subjects to enable them to handle efficiently the lessons on natural objects and natural history that form so important a part of the course in primary and lower secondary schools.

I have the honour to be,

Sir,

Your most obedient servant,

T. H. Stuart

Director of Public Instruction.
