GOVERNMENT OF MADRAS.  
EDUCATIONAL DEPARTMENT.

READ—the following paper:—

From SUTHERLAND ORR, Esq., Acting Government Solicitor, to the Secretary to Government, Educational Department, dated Madras, 15th September 1903, No. 506.

I have the honour to acknowledge receipt of G.O., No. 433, dated the 12th instant, which reached me yesterday.

2. The company approved the draft as submitted to you, and I accordingly had same stamped with Rs. 300 stamp and sent it in to the Superintendent of the School of Arts yesterday evening. In the meantime that officer had shown me letters received from Messrs. Best & Co., which I think will sufficiently protect Government in respect of any claim for orders for metals which have not as yet been delivered. I saw the Managing Director of the Indian Aluminium Company this morning who informed me that he was on his way to make the necessary arrangements for payment, and that he would proceed to the School of Arts later in the day for the purpose of completing the deed. I also called at the School of Arts and saw Mr. Chatterton and the completion of the transfer will doubtless be effected by this evening.

3. I have the honour to request that I may be refunded the sum of Rs. 300 advanced by my office for the purpose of stamp duty.

P.S.—Since writing the above I learn from Mr. Chatterton that owing to some difficulties owing to the absence of one of the Directors payment cannot be made till the 23rd instant.

ORDER—No. 461, Educational, dated 22nd September 1903.

Mr. Chatterton should arrange for the refund to the Government Solicitor of the stamp fee of Rs. 300 from the current year's grant for the manufacture of aluminium ware.
