Sub-Assistant's Test.

Accepting the Director's recommendation that clerks employed in colleges on Rs. 50 and upwards may be exempted from the —, and directing the publication in the *Fort St. George Gazette* of a notification relating to the same.

GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following paper:—

From the Hon'ble Mr. G. H. STUART, M.A., Director of Public Instruction,
to the Secretary to Government, Educational department, dated Madras,
12th September 1903, C. No. 6873.

I have the honour to request the sanction of Government for exempting the clerks employed in colleges on salaries of Rs. 50 and upwards from passing the Sub-Assistant Inspector's test which has been prescribed for clerkships in this department on Rs. 50 and upwards (*vide* schedule B of the Public Service Notification). My reason for making this application is that clerks employed in colleges do not require for the efficient performance of their duties a knowledge of the three Educational Codes prescribed for the Sub-Assistant's test, as these Codes do not apply to institutions of the collegiate grade. Professional colleges, such as the College of Engineering, the Law College, the Medical College and the College of Agriculture, have each their special rules, while arts colleges and the Teachers' College come under the operation of only a few of the regulations contained in the Educational rules. A knowledge of these rules and the Inspection Code and the Grant-in-Aid Code is indispensable only to the clerks employed in my office and in other offices connected with the administrative branch of the department.

2. Further, the removal of this restriction which would appear to be unnecessary for these appointments would give me a much wider scope for selection in filling them when they fall vacant. At present I have to make a choice from the very few clerks in the department drawing salaries below Rs. 50, who have passed the Sub-Assistant's test; but in most cases these men cannot be spared from their offices and I have then no alternative but to appoint an unqualified person and apply to Government for his exemption.

3. For the above reasons, I beg to recommend that the words "except clerks in colleges" be inserted in column 2 of schedule B of the Public Service Notification so as to exempt these clerks from passing the Sub-Assistant's test.

ORDER—No. 467, Educational, dated 25th September 1903.

The Director's recommendation is accepted, and the following notification will be published in the *Fort St. George Gazette*:—

NOTIFICATION.

In column 1 of schedule B of the Public Service Notification, the words "except clerks in colleges" shall be added to the entry numbered (ii) under Educational department.
