The Secretary to Government,

Educational Department.

Respected Sir,

U

With reference to order R. No. 411 dated 24th August 1903.

I beg to submit the copies of correspondence in connection to my claim to the "Denison Scholarship" with the following facts for your honour's benign consideration.

So no. 4682 - Vol. put up 2. In 1866 the Scholarship was founded to encourage the Muslim youths proceeding from the Mailapur School to the Madarsa Azam for purposes of high education.

3. Owing to certain adverse circumstances the funds were left to accumulate until the G.O. No. 546 Educational dated 20th July 1891 ^{came} into force, which provided uninterruptedly Scholarships for 2 students of the Mailapur School, one to Mulu: Mahdi Ali from 1891 to 1896 and other Saiyed Ahmed from 1897 to 1902 and produced the third eligible candidate viz, Myself left entirely disappointed.

4. While the above G.O. has thus been fairly operating, certain modifications have of late ^{come} into force without any consideration to my claims and in addition to this misfortune I had to miss the chance of the Government Scholarship intended for primary education.

5. Although I attribute it to my misfortune that I will have to discontinue my studies on account of financial troubles and against my earnest desire to obtain an advanced education, but I cannot give up my hopes until your honour do not take me under your honour's protection.

6. When a public service Notifications is issued it gives some concession some time after it comes into force to those

Mulu: S.R. School Mailapur.

to those who do not come under it as was done in the case of the late Middle School Examination. Consequently it will be very hard on me to be deprived of such concession as to draw the "Denison Scholarship" without any consideration to my claims previous to these modifications.

7. Under the circumstances I most humbly beg that I may be kindly allowed the chance of Scholarship at least for 2 years before the present modifications begin to operate. Since there is none immediately available to come under the terms of the present modifications.

I beg to remain,

Respected Sir,

Your most obedient servant.

To,

The Director of Public Instruction.

Sir,

I most respectfully beg to submit the following few lines for your favourable consideration.

My son Mir Naqi Ali was admitted into the Government Muhammadan Salary Results School, Mailapur on the 12th November 1900 and left the School after completing his course on the 10th December 1902 viz, after a period of upwards of 2 years' study in the above School. He heads the successful candidates of this Institution both in the class Examination, conducted by the Sub-Assistant Inspector of Muhammadan Schools, central circle, and also in the Primary Examination conducted by the Chairman, Primary Examination Board, Madras, in the year 1902, which facts can easily be ascertained from the Sub-Assistant Inspector of Muhammadan Schools Central Circle.

Under the circumstances stated above, I beg to request that my son alone is liable to hold the Denison's Scholarship which is now vacant. He fulfils the conditions laid down in G.O No. 546 Educational dated 20th July 1891 regarding the rules relating to the "Denison Scholarship".

My son Mir Naqi Ali is now reading in the First Form of the Government Madrasai Azam Chepauk from January 1903.

For which act of kindness and mercy I shall ever pray for your honour's long life and prosperity.

I beg to remain,

Respected Sir,

Your most obedient servant.

TO,

The President

Managing Committee

Malipur.

Sir,

I most respectfully beg to submit the following few lines
for your favourable consideration.

I was admitted into the Government Muhammadan Salary Results School, Malipur on the 12th day of November 1900 and left the school on the 10th day of December 1902 viz after a period of upwards of 2 years study in the above institution. I head the successful candidates of this Institution, both in the class Examination conducted by the Sub-Assistant Inspector of Muhammadan Schools Centre Circle and also in the Primary Examination conducted by the Chairman, Primary Examination Board, Madras, in the year 1902, which facts can easily be learned from the results of the Examination.

Under the circumstances stated above I beg to request that I alone am liable to hold the "Denison Scholarship" which is now vacant. I fulfil the conditions laid down in G.O. No. 546 Educational dated 20th July 1891 regarding the rules relating to the "Denison Scholarship".

I am now reading in the First Form of the Govt: Madrasah Azam, Chepauk from January 1903, I therefore pray that your honour will be pleased to recommend my case to the Director of Public Instruction for the continuance of the said Scholarship.

For which act of Kindness and mercy I shall ever pray for your honour's long life and prosperity.

/Signed/ Mir Naqi Ali
late student of the Govt:

Chief Dastagir to the "Denision Scholarship" was out of

ago and he cannot be held entitled to it.

The Director of Public Instruction.

Sir,

In continuation to my petition dated 5th February 03,

I beg to submit the following for your favourable consideration

I am a poor man drawing Rs. 16 per month, which is quite insuffi-

cient to support my family in a town like Madras where all

food staples are very dear. I educated my son Mir Naqi Ali up

to the Primary grade and now I am quite unable to give him

higher education with my trifling income of Rupees 16. I admitt-

-ed my son in the Madarsai Azam Chepauk, expecting to get the

"Denision Scholarship", for which he is entitled under the rule.

If you do not consider his case as one worthy of your support

and protection, I beg to say that I shall be compelled by rea-

son of my poor circumstances to withdraw my son from the Madar-

-sai Azam and give up all of educating him any further.

Further I beg to add that the President of the Managing

committee of the Government Muhammeden Salary Results School

Mailapur, has recommended Ghulam Dastagir a boy of the 5th

class of the Govt: Muhammeden Madarsai Azam for the "Denision

Scholarship", whose case is not in conformity with the rules

contained in G.O. No. 546 Educational dated 20th July 1891 and

he has also suggested to modify the rules which have been carri-

-ed out since a long time, so as to disappoint my son from the

said Scholarship.

Ghulam Dastageer was 6 years ago a student of the Govt Muha-

Salary Results School Mailapur, from which he passed the Primary

Examination in the year 1897 did not come out first among the

successful students of the Institution.

to forgo his claim to the "Denision Scholarship", which was then vacant. The Scholarship of that year was therefore given to another boy named Syed Ahmad - Ghulam Dustagir managed however to take up the Govt. Scholarship of Rs: 2 in the Primary grade and this he forfeited as he did not pass the Lower Secondary Examination. It is therefore evident that the claim of Ghulam Dustagir to the "Denision Scholarship" was cut off long ago and he cannot be held entitled to it a second time. I therefore beg of your honour to enquire into the matter with a view to justice being done in the matter.

I beg to remain,

TO,

The Inspector of Schools, Central Circle.

Sir,

I most humbly and submissively beg to submit the following lines for your favorable consideration.

My son Mir Naqi Ali was admitted into the Government Muhu: Salary Results Schools at Mailapur on the 12th day of November 1900 and left the school on the 10th day of December 1902 that is after having studied in the said School for more than 2 years. He heads the list of successful candidates of this Institution both at the class Examination conducted by the Sub-Assistant Inspector of Muhu: Schools Central Circle, and also in the Primary Examination conducted by the Chairman, Primary Examination Board, Madras, in the year 1902, which facts can easily be learnt from the results of the Examinations.

Under the circumstances stated above I beg to request that he alone is liable to hold the "Denision Scholarship" which is now vacant. He fulfils the conditions laid down in G.O. No. 546 Educational dated 20th July 1891 which relate to the rules for the award of the "Denision Scholarship".

He has been a student of the First Form of the Government Madras Azam Chepauk, since his passing the Primary Examination in December 1902.

I beg to add that an application of my son Mir Naqi Ali on this subject was submitted on the 27th March last to the President of the Managing Committee of the Government Muhu: Salary Results School Mailapur, which, I understand is still under disposal with him and it appears that he is not inclined to recommend it.

Further I beg to point out that the President of the Managing Committee of School has recommended one Ghulam Dastagir

9
a student of the 5th Form of the Government Madarsai Azam, whose case not in conformity with the rules contained in G.O. quoted above.

Ghulam Dastagir was 6 years ago a student of the Government Muhu: S.R; School Mailapur, from which he passed the Primary Examination in the year 1897 did not come out first among the successful candidates of this Institution. He had therefore to forgo his claim to the "Denison Scholarship" which was then vacant. The scholarship of that year was therefore given to another boy named Syed Ahmed---- Ghulam Dastagir then however managed to take up the Government Scholarship of Rupees 2 in the Primary grade and this he forfeited as he did not pass the Lower Secondary Examination. It is therefore evident that the claim of Ghulam Dastagir to the Denison Scholarship was cut off long ago and he cannot be held entitled to it a second time. The action of the President of the Managing Committee of the Govt; Muhu: S.R. School Mailapur in recommending him for the said scholarship on the present occasion is strongly opposed to the conditions laid down in G.O. No. 546 Educational, which his case does not evidently fulfil. I therefore request you to enquire into the matter with a view to justice being done in the matter.

I beg to remain,

Respected Sir,

Your most obedient servant.

To

The the Director of Public
Instruction.

Sir,

With reference to my petitions dated 5th February and 5th May 1903 direct to your honour and the one dated 27th May last through the Inspector of Schools Central Circle on the subject of the "Denison Scholarship", I beg to submit that no reply has yet been received.

I admitted my son Mir Naqi Ali into the Govt: Madarsai Azam Chepauk expecting to get the said "Denison Scholarship". Now I am undergoing a schooling expense of Rs. 3/8 per month for the boy, including his school fee and the fee for private tuition. I am too poor to pay this expense. I therefore request your honour to inform me, whether my son is likely to hold the Scholarship in question. If he is not under the present rules regulating the "Denison Scholarship" entitled to receive it, I shall be forced to withdraw the boy from the Government Madarsai Azam Chepauk.

I beg to remain ,

Respected Sir,

Your most obedient servant.
