To

The Secretary to Government,

Educational Department.

Sir,

I have the honour to request that the sanction of Government may be obtained to the entertainment of an additional peon on ~~Rs 6~~ per mensem in the Government College, Rajahmundry (Arts Section) and another ^{on Rs 7 per mensem} and a gardener on ~~Rs 6~~ per mensem for the Training section with effect from 1st March next.

2. The necessity for the above additional peons is explained in the following extract from the Principal's letter.

" (1) There are at present a muchhi and two peons attached to the Arts College. As one peon has frequently to be absent on messages, only one is left for the requirements of the Principal, the clerk and ^{the} other members of the staff. Considerable inconvenience results. If the appointment of a third peon is sanctioned I would distribute the work as follows:-- one peon to be in attendance on the Principal, two peons ^{for} all other purposes.

(2) In the Training College, there are three peons. One of these combines the functions of a muchhi and Laboratory attender; one of the other two is frequently absent at the Post office or the Treasury. A third peon is required so that there may generally be one peon in attendance on the ground floor and another on the upper storey.

As a large recreation ground is in preparation and as a school garden will probably be added, the employment of a gardener seems absolutely necessary."

3. The Kumbhakonam College has a muchhi and three peons and the Teachers' College six peons.

4. I shall make the necessary provision in the budget for the ensuing year which is now in course of preparation and submit the required proposition statement on receipt of orders on this letter.

I have the honour to be,

Sir,

Your most obedient servant,

G H Stuart

Director of Public Instruction.

Of all expenditure that on persons is least useful & the proposal to add two persons should I think be negatived, & the Director asked to report why the no. of persons at the Teacher's College, Saidapett, should not be reduced to 3.

The proposed entertainment of a gardener will be considered when the school garden is created.
