To

The Secretary to Government,

Educational Department.

Sir,

Abdul Majid Sahib, son of a late native military Commissioned officer of the rank of Subadar, is a permanent Accountant on Rs.25/- of my office and is acting as an Accountant on Rs.30/-. He passed the late Middle School Examination in the first class and his whole service under Government which is now 15 years and 3 months, has been in the Cuddapah District. During this service, he has served in the Taluk and Divisional offices and also in the Collector's office and has done different branches of work—Magisterial, Revenue, and Accounts. The different officers under whom he has served give a good account of him and his work; and the present Treasury Deputy Collector writes about him, among other things, thus:

"The applicant has been doing his work carefully and is very hard working. He drafts letters fairly well and though he has passed only the Middle School Examination in the first class is not inferior in attainments to a Matriculate. His conduct and character are all that is desired and it will be encouraging a useful servant of Government to obtain for him the concession he seeks. He possesses good testimonials."

2. He requests exemption from passing the special Test Examinations or grant of permanent permission to appear for all the special Tests for which an Upper Secondary man is eligible. His petition in which he has made this request

3

which is addressed to me and which I submit herewith sets forth that he could not pass the tests on account of the frequent attacks of fever he suffered from and the hard work he has to do. The District, especially Cuddapah Town, is notoriously unhealthy and there is no exaggeration in his statement.

3. I do not think that it is possible to exempt him from passing the special tests; and I recommend that Government will be pleased to grant his other request, viz., to permanently permit him to appear for all the special tests for which an Upper Secondary man can appear.

I have the honour to be,

Sir,

Your most obedient servant,

Subramanian
For Collector.

Honored Sir
I belong to the Muhammedan
Community which is in a degenerated
state particularly so in the Ceded Districts.
The Government being aware of this was
pleased to pass orders now and then for
their encouragement. I am the son of
a Military Native Commissioned Officer,
a Subedar in the 4th Prince of Wales's
Light Cavalry. My father retired from
Service while I was young and during
his long stay in India I was for a short
time at school and passed the Middle
School Examinations in the first class,
and got a first class in the Mysore
Department in the year 1888 in Mysore.
I was then appointed as a Native
Assistant in the Mysore District
and am now a permanent Assistant
on the staff and acting for the Native
Accountant branch in the Mysore Office.
I have been in the Mysore District
for the last 15 years.
I was subjected to several complaints and
fevers etc. on account of which, and the
hard work in the discharge of my
official duties I could not devote sufficient
time for studies and could therefore come
out unsuccessful in the Special Exam.

thought attempted on three occasions up
to the year 1902 from which period Middle
School 1st Class Candidates are debarred
from appearing the Special Test Examinations.

I find that my prospects will
not be bettered unless I pass the Special
Test Examinations, I beg therefore that
your honor will be pleased to recommend
my exemption from passing the Special
Test Examinations. Considering the
meritorious and faithful service
done to Government by my father, while
a Subadar and Commissioned Officer,
in the Army. It is not out of place
to state here for your honor's information,
that according to the Army Regulations
the son of a Commissioned Officer or
one belonging to a respectable family
may be appointed as a Commissioned Officer
in the Army. But as I have entered the
Revenue Service, my prospects will not
be bright unless I pass the Special
Test Examinations. I have I am
right now claiming the benefit of the
Army Regulations.

In these circumstances I submit
the facts that my case may be pitied;
and that if my prayer referred to above
is not granted, I beg that permission
may be accorded, at least for my
appearing the Special Test Examinations,
for which a Candidate who passed
the Upper Secondary Examination can appear.

I submit for your honor's
perusal and return two Commissions of
my father in original and copies of my
testimonials. They remain.

Yours obedient servant

Mahaumad Abdul Majid is a
very well conducted Accountant of
the Collector's Office. His work has come
almost every day before me and I
have been thoroughly satisfied with it
and with him. He takes trouble over his
work to do it well and satisfactory. He
is cheerful and ready to do whatever he is
ordered to. (Signed) E. Srinivasachari

I have known Mohamad Abdul Majid

I have not heard anything against

C. No. 1522 From the Collector of Cuddapah No. 1166 dated 14-8-1903.

SUBJECT.

Permission to appear for
certain special tests.

The Collector of Cuddapah recommends that one
Abd-ul-Majid Sahib, an accountant in his office, may be
granted permanent permission to appear for all the special
tests for which a person who has passed the upper Secondary
examination is eligible. These tests are

1. The press-writing test.
2. The translation test, higher and lower grades.
3. The Civil Judicial test.
4. The account test, higher and lower grades.
5. The Revenue test, lower grade.
6. The Jail test.
7. The Salt and Alkali tests.

2. The present recommendation is on all fours with the
one disposed of in G.O. No. 381 Ed., dated 14th August 1903, in
which the Government declined to grant another applicant
from Cuddapah a similar request. He was however permit-
ted to appear for the revenue and translation tests, lower
grade in 1904 and 1905, so that he might qualify himself for
the post of revenue inspector, taluk head accountant or
divisional officer's head clerk. He had passed the account
test, lower grade, which the present applicant has not. Sub-
mitted therefore that the latter maybe permitted to appear
for

for the revenue, account and translation tests, lower grade.
A draft is accordingly placed below for approval.
