By

Adverting to G.O.No. 320 (Educational), dated 2nd July 1903, re: the site for the construction of a building for the Government Girls' school at Karuthattangudi, I have the honour to - enclose copy of letter from the Executive Engineer, P.W.D., - Tanjore Division, No. 5225, dated 8th September 1903, from which it will be seen that the site of the Victoria Market at ----- Karanthattangudi, Tanjore, referred to in the G.O., is considered unfit for a building site, that the same will be required for a play ground and that some other site is required for building. Information will soon be furnished to the Engineer as to the - probable compensation to be paid for the latter site and, on receipt of the usual land plan and schedule from him, steps will be taken for the acquisition of the site required for the --- purpose.

2. I have ascertained, in communication with the Municipal - Chairman, that the Victoria Market is not required for any other purpose and that it may be acquired for the play ground.

I have the honour to be,

Sir,

Your most obedient servant,

For Ag. Collector.

To

The Collector of

T a n j o r e .

Sir,

With reference to your No. 885/G.B. of 18th Ultimo, I - have the honour to inform you that, on excavating trial pits at the site of the Victoria market, with a view to preparing the necessary estimate for the new Government Girls' school at - Karuthattangudi, the site was found to be an old tank filled in with town sweepings and is therefore unfit for a building site.

2. I now propose to acquire the houses and lane to the east of the original site as being most suitable for building the school on and I therefore request that you will be good enough to inform me of the amount of compensation that will be payable thereon, for inclusion in the estimate now under preparation.

3. A site survey is herewith enclosed for information and favor of return.

4. The Victoria Market site will also be required for a play ground.

I have &c.,
