My dear Garden,

The Indian Aluminium Company have at last paid up the full amount due under the terms of the agreement which has been duly executed by them.

They now request that permission may be granted to them to insert the following advertisement in the Indian newspapers, of course at their expense.

" The Government of Madras
notify that the Aluminium
Department of the School of
Arts has been transferred
to the Indian Aluminium
Company Madras, to
whom in future all
communications should be
addressed "

If Govt have no objection
to its publication and I
presume there is no objection
I think it should be signed
by you as Secretary but
the Company have not asked
for that.

From tomorrow onwards we shall be
engaged in clearing off all the orders
still to be executed and this work will
probably take a month as we have been
receiving a good many orders of late. This
work is done at the expense of the Company
and will involve no outlay by the Department.

Yours sincerely

Hynd Stutton
