NOTES CONNECTED WITH G.O., No. 506, EDUCATIONAL, DATED 10TH OCTOBER 1903.

[SUBJECT.—*Muhí-ud-dín Sharíf Memorial Prize.*]

From the Director of Public Instruction, dated 6th October 1902, *No.* 384.

In G.O., No. 148, Educational, dated 13th March 1902, the Director was requested to take steps to vest the Muhí-ud-dín Sharíf prize fund in the Treasurer of Charitable Endowments.

2. In order to effect this, the Director and the Principal of the Medical College, who are the persons acting in the administration of the trust, should make a joint application to Government, under section 6 of the Charitable Endowments Act, 1890, to vest the fund in the Treasurer of Charitable Endowments, and to settle a scheme for the future administration of the trust. The Director should also submit a draft notification vesting the fund in the Treasurer of Charitable Endowments.

3. The Director has however submitted no draft notification and it is doubtful whether his present communication can be taken as a formal application under section 6 of the Charitable Endowments Act. Submitted that in these circumstances the necessity of doing things thoroughly may be impressed on the Director and he may be requested to make a formal application as required by the Act and to submit a draft notification (which should be approved by the Government Solicitor) vesting the fund in the Treasurer of Charitable Endowments and settling a scheme for its future administration.

A

T. KANAKASUNDARAM PILLAI—18-10-02.

The correspondence arose out of a proposal to make an alteration in the original rule 2 in G.O., No. 441, Educational, dated 16th June 1894, so as to hold the examination at the end of the third year's course in the case of some students. This fact appears to have been overlooked in drafting the proposed rule 3 and no reference is made to it by the Director.

P. T. THARYAN—20-10-02.

I agree so far as **A** is concerned. Please prepare a draft and put before me at Madras.

[G.O., No. 682, Educational, dated 31st October 1902.]

From the Director of Pubilc Instruction, dated 2nd September 1903, *No.* 384.

The Director now submits an application to vest the endowment fund in the Treasurer of Charitable Endowments and a draft notification so vesting the fund. But the draft notification does not appear to be in the approved form. The form in G.O., No. 193, Educational, dated 7th May 1900, being more suitable, the present draft has been recast in that form. In clauses (5) and (6) provision has been made for any balance in hand at the close of the year being added to the corpus of the fund.

The draft order placed below may issue.

P. T. THARYAN—19-9-03.

I do not like the form particularly; it is terribly long-winded. Please alter as shown and let me have a proof.
