Submitted.

I have known the Petitioner as Acting Vazir Examiner for the last 4 or 5 months. I consider him a Creditable Subordinate as far as the Treasury work goes. I cannot however say what sort of Subordinate he will make when appointed Examiner office. I delayed the Submission of his petition for some time to find out more about him. He seems to be a quick young man in his present appointment

PETITION

REVENUE DEPT.

Through,

The Collector of Anantapur.

May it please your Excellency.

The humble memorial of Muhammad Baha-ud-din Bijapuri, acting Treasurer Collector's office Anantapur.

1. Your Excellency's most humble memorialist is a native of the Anantapur District, one of the most backward Districts in point of education. The Mahammadans who were generally backward everywhere are pitiously so in this district. In the early eighties when trade and other kindred professions and enterprises were dull, the muhammadans of the district were unable even to keep their body and soul together and there was not even a good high school in the district. Your Excellency's most humble memorialist with many obstacles in his way managed to study in the Municipal High School at Bellary up to the Pre-Matriculation class and eventually passed the Matriculation examination in 1888, as a private candidate.

2. Though poor, the memorialist's eagerness for higher education was so great that in the midst of many disadvantages, he proceeded to Madras, there being then no college at Bellary, and continued his studies for the F.A. Examination for about eight months in the Madras

Madras Christian College. But owing to the death of his uncle and grand-father who were his main supporters in the pursuit of his costly studies at Madras, the memo-- rialist had to discontinue his collegiate studies with great reluctance.

3. The memorialist has put in nearly 12 years' Government service of which 5 years' was in the qualifying grades of Revenue Inspector and Taluk Shiristadar and has passed all the tests noted in the margin qualifying for a - Tahsildari besides the higher grades of the Translation and Account tests, and the copies of the testimonials - enclosed will speak to the capabilities, conduct and -- character of the memorialist though the memorialist possesses the examination qualifications required for a Tahsildari, still -- there stands in his way the Board's Standing Order No. 138, paral (iii), wherein it is ruled that the selection for the post of Tahsildari and Deputy Tahsildari should be made -- from among candidates who have passed at least one of the two Highers, viz., the Revenue Test Higher Grade and the Criminal Test Higher Grade. But the memorialist being only a Matriculate is barred from appearing - for these two tests.

(1) Matriculation Examination.
(2) Hand-Writing Test.
(3) Process-Writing Test.
(4) Criminal Judicial Test Lower Grade in the first class.
(5) Telugu Translation Test Lower Grade.
(6) Revenue Test Lower Grade.
(7) Account Test Higher Grade.
(8) Telugu Translation Test Higher Grade.
(9) Survey Test.
(10) Part II of Police Inspector's Test, i.e., Special and Local Laws, Police Orders and ----- practice.
(11) Qualified measurer in Anthropometry.
(12) Head Accountant's Training.

5. The memorialist, therefore, -- most humbly prays that in consideration of the many disadvantages in - the midst of which he received his education and the paucity of Muhammadans in the higher ranks of the public service Your Excellency will

Proceedings of the Collector of Anantapur

Dated 12th September 1902.

Read - Head Quarters Deputy Collector's endorsement N Dio: 2985/3.9.02 submitting petition from Bahuddin Sahib acting Taluk Sheristadar of Kalyandurg representing his claims for promotion

Order

The Collector having himself carefully watched the work of this young intelligent and well conducted Muhammadan officer, has granted him a temporary promotion, which is reported to end very soon. His name has been noted for a permanent promotion in consideration of the very satisfactory testimony of his good work invariably borne by the officers under whom he has been placed to work. It is indeed a source of personal gratification to the Collector that one of his co-religionists has been acquitting himself so creditably in the public service

C. No. 1619 From the Collector of anantapur No. 2773 dated 29 - 9 - 1903.

SUBJECT.

Permission to appear for Revenue test, higher grade.

The collector of anantapur forwards an application from one Muhammad Baha-ud-din Bijapuri, acting treasurer in the collector's office, praying for permission to appear for Revenue test, higher grade. The applicant is a matriculate and has passed all the special tests required for the posts of Tahsildar and Deputy Tahsildar. As, however, he is not a graduate, he cannot under Board's standing order no. 138(iii) be selected for either of these posts whenever there is a vacancy, unless he passes the Revenue or the criminal test by the higher grade. He therefore applies for permission to appear for the Revenue test, higher grade. The collector does not give any definite opinion but in the circumstances the required permission may be granted.
