GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following papers :—

From J. B. WINGATE, Esq., I.C.S., Secretary to the Government of Burma, General department, to the Secretary to the Government of Madras, Educational department, dated Rangoon, 16th July 1903, No. 537/4X-4.

I am directed to invite a reference to the correspondence ending with your Educational department letter No. 134, dated the 23rd March 1903, on the subject of increasing the number of medical pupils annually trained for this Government in the Madras Medical College.

2. I am to point out that under the orders of the Madras Government 25 hospital assistant students were entertained in 1891, 50 in 1892 and 20 in each of the three years 1894, 1895 and 1896 with a view to meet the requirements of this Province, and to urge that the present need of this Government is very pressing and that the six additional students whom the Madras Government have kindly promised to entertain will not suffice to supply the deficiency. Sir Hugh Barnes would be very grateful if His Excellency the Governor in Council could induce the Medical authorities to entertain at least 25 students annually for the next three years. If accommodation is limited at the Madras College, I am to suggest that a proportion of the students might be trained at other colleges in the Presidency, as was done in the years 1894 to 1896.

3. I am to take this opportunity to forward, for the information of His Excellency the Governor in Council and the Medical authorities, a revised statement showing the pay and allowances and other concessions enjoyed by hospital assistants serving in Burma.

ENCLOSURE.

Statement showing the pay and allowances and other concessions enjoyed by hospital assistants serving in Burma.

1. The following is the scale of pay for which hospital assistants will become eligible :—

	Pay per mensem.	Burma allowance,		Minimum.	Maximum.
		RS.	RS. A. P.		
Fourth-grade hospital assistant	25	12 8 0	rising to 25 0 0	37 8 0	50
Third-grade " " " "	35	17 8 0	" 40 0 0	52 8 0	75
Second-grade " " " "	45	22 8 0	" 40 0 0	67 8 0	85
First-grade " " " "	55	27 8 0	" 45 0 0	82 8 0	100
Senior " " " "	70	35 0 0	" 45 0 0	105 0 0	115

Hospital assistants on joining have to undergo a probationary term of six months before the grant for approved service can be made, and this grant may at any time be curtailed or altogether withheld for misconduct or inefficiency. The maximum allowance of a lower grade continues to be drawn on promotion till the completion of six months' approved service in the grade to which the hospital assistant has been promoted and on a report from the officer under whom the hospital assistant may be serving to show he continues to render approved service the allowance is raised to the maximum of the grade by the Inspector-General of Civil Hospitals.

2. Extra allowances varying from Rs. 10 to Rs. 25 are granted for extra charges, such as jails, military police hospitals, lock-up, for independent or other charges of more than ordinary importance and on account of local circumstances such as reputed unhealthiness or dearness of provisions.

3. Promotion to the third and second grades is regulated by quinquennial examinations. Promotion to the first and senior grades is made by selection. Natives of India qualifying in Burmese by the Lower Standard receive a reward of Rs. 200.

4. Leave and pension are granted in accordance with the Civil Service Regulations.

5. The following special privileges in respect of leave and travelling allowance have been sanctioned :—

(1) Non-Burman scholarship-holders are appointed to be hospital assistants and are allowed as an exception to the rule in article 52, Civil Service Regulations, to draw the pay of the lowest grade from the date they pass their final qualifying examinations.

(2) Leave for a period not exceeding a month and-a-half on the full pay of the lowest grade is granted to such hospital assistants with effect from the date of passing their final examination, they being required to join their appointments in Burma within this period.

(3) Such hospital assistants are allowed travelling allowances for themselves and their families (as defined in article 25 of the Civil Service Regulations) from the place at which the final examination is passed to the place to which they may be appointed, such travelling allowances being regulated by and subject to the conditions of article 1098 of the Civil Service Regulations. Free passages will not be granted to hospital assistants on resignation or on otherwise quitting the service. When granted leave on medical certificate by itself and not in combination with privilege leave free passages to themselves and their families to their homes will be given.

Endorsement No. 421, Educational, dated 3rd August 1903.

Referred to the Director of Public Instruction for report as to whether it would be possible to train 25 hospital assistant students for the Government of Burma annually for the next three years. Those for whom accommodation cannot be found in the Rayapuram or Vizagapatam school might be sent to Tanjore.
