The special duty to which the approval of His Excellency the Governor-General in Council was solicited in my telegram of the 14th September will therefore extend only from the 8th September to the date of Dr. Bourne's departure for India, *i.e.*, about the end of the current month. I am accordingly to request the sanction of the Government of India to this modified arrangement.

NOTES CONNECTED WITH G.O., No. 528, EDUCATIONAL, DATED 22ND OCTOBER 1903.

[SUBJECT—*Dr. Bourne's Special duty.*]

Telegram from the Secretary of State, dated 10th September 1903.

This telegram was received last night after the Secretary had left office.

2. The letter to India regarding deputation of Educational officers on special duty while on furlough has just been despatched. The arrangements about Dr. Bourne are mentioned there. They were set on foot in 1902 and they come apparently outside the despatch in G.O., No. 49, Educational, dated 30th January 1903.

3. It is submitted that the following reply may be sent to the Secretary of State:—

> From the Governor of Madras to the Secretary of State. Your telegram of 10th instant Bourne. Government of India has been informed just now arrangements started before receipt your Educational Despatch No. 146, 28th November last.

P. T. THARYAN—12-9-03.

I am doubtful whether we can take up such a position. The fact is that when we started this in 1902 it was with reference to what the Government of India had in contemplation; Mr. Stuart had dealt with the papers * in the Home department and wished enquiries made of the Director in advance. It is true that the matter was set on foot at Madras before the Secretary of State's despatch of November 28th was written—indeed before he had been addressed by the Government of India—but that fact cannot remove the case "outside" the scope of that despatch. And I fear we must obtain the approval of the Government of India before going further. The letter to them was despatched this afternoon.

* Still under discussion, in August 1902, when we wrote demi-officially to the Director.
A. T. PRINGLE.

A. T. PRINGLE—12-9-03.

It is, in my opinion, clearly desirable, since the Secretary of State desires it, that we should now obtain India's approval to the proposals regarding Dr. Bourne's special duty. To the best of my belief G.O., No. 49, dated 30th January 1903, was † not put up before. It throws a great deal of light on what the Government of India's intentions regarding this deputation of Educational officers are.

† Submitted that it was.
P.T.T.

2. A telegram should now, I think, go to India, not quoting Mr. Williams' letter No. 458, dated 23rd July 1903, because that relates to the year 1904, but quoting Mr. Nathan's letter of the 20th January 1903, No. 32, stating what is proposed regarding Dr. Bourne, and soliciting the approval of the Government of India.

3. At the risk of seeming to gird incessantly at the Director of Public Instruction, I must add that, if proper notice had been given of the proposals about Dr. Bourne's special duty, the present telegrams would not have been necessary.

A. G. CARDEW—12-9-03.

Wire to and get India's permission stating Bourne's duty as described to Secretary of State on 15th September 1903.

J. T[HOMSON]—13-9-03.

A draft telegram is submitted for approval.

P. T. THARYAN—14-9-03.

A. T. PRINGLE—14-9-03.

A. G. CARDEW.—14-9-03.

[Telegram No. 26, dated 14th September 1903.]

Demi-official from the Hon'ble Mr. G. H. STUART, Director of Public Instruction, to the Secretary to Government, Educational department, dated 27th September 1903.

I enclose a letter from Logan in which he applies to be placed on special duty for six months while on furlough in order to go on a tour of inspection with one of the Inspectors of schools under the Board of Education in England.

2. You will remember you wrote to me sometime ago about Logan and Allen in this connection and that I told you Logan had gone home ill and needed rest and that he was hardly the kind of man for special work. It would, however, probably do him good to see how school inspections are conducted in England and I have no objection to the modest proposal that he makes, though I do not think six months is required: probably two months of this kind of work would be sufficient, if the time were well used.

3. I hope my proposals in regard to Bourne have gone on as there is not much time to lose in his case.

ENCLOSURE.

Demi-official from T. T. LOGAN, Esq., C/o Messrs. H. S. King & Co., 9, Pall Mall, London, W., to the Director of Public Instruction, Madras, dated 3rd September 1903.

With reference to your Proceedings, Dis. No. 4360 of 16th July 1903, just received, I write to ask you to be good enough to get the sanction of Government for my being placed on special duty for six months while on furlough with a view to enable me to study the system of education obtaining in Board and other schools of the United Kingdom.

2. In my opinion, the best way to become thoroughly acquainted with the working of these schools and with the methods of inspection of them is for one to go on tour of inspection along with one of the Inspectors of schools. I do not think that there would be much difficulty in arranging for this—an introduction to one or two of the Inspectors seems to be all that is required.

3. I shall be very glad to hear from you on the subject of this letter as soon as possible.

No reply has yet been received from the Government of India to the telegram of the 14th instant. Should any reminder be sent?

2. The Director now submits an application from Mr. Logan for permission to go on special duty for six months on a tour of inspection with one of the Inspectors of schools under the Board of Education in England. The Director thinks, however, that two months will be sufficient. In paragraph 2 of the letter to India, No. 432, Educational, dated 12th September 1903, this Government said that it had no proposals to offer regarding Mr. Logan. Orders are solicited as to whether the Government of India may now be addressed in modification of this paragraph.

P. T. THARYAN—30-9-03.

A reminder will go to India, if no reply is received within the next day or two.

2. Meanwhile Mr. Logan's application, and the Director's recommendation thereon are for orders. If, on the 7th September, the Director of Public Instruction considered that Mr. Logan was not "quite the kind of man for the job", it is not clear why on the 27th September, he recommends Logan for the job in question.

A. G. CARDEW—1-10-03.

As we haven't much to recount with the Government of India over Logan, we may as well propose the two months for him. If it doesn't do him much good, it won't cost much.

J. T[HOMSON]—2-10-03.

A draft to India to be put up. Nothing to be said in it about Dr. Bourne.

A.G.C.—2-10-03.

A draft is placed below for approval. No reminder is apparently to go to the Government of India about Dr. Bourne as ordered above.

A.G.C.

P. T. THARYAN—2-10-03.

A.G.C.—3-10-03.

[Letter No. 481, Educational, dated 3rd October 1903.]

Telegram from the Secretary of State, dated 9th October 1903.

The Secretary of State and the Government of India may now be asked to consider the telegrams of the 5th* and 14th ultimo as withdrawn. If Dr. Bourne has already gone on special duty, the Government of India may be subsequently asked to arrange for the period actually spent on the duty being counted.

* In current file.

P.T.T.—12-10-03.

Yes, on both points.

A. T. PRINGLE—13-10-03.

The telegrams proposed may lead to difficulties, if Dr. Bourne has actually been on special duty during the past 1¼ month. I think the Secretary of State should first be asked whether Dr. Bourne has been on special duty since 8th September or not, and it may be added that the proposals are now modified in view of his recall to duty.

A.G.C.—13-10-03.

Please see the revised telegram to the Secretary of State placed below.

P.T.T.—14-10-03.

This will do.

A.T.P.—14-10-03.

A.G.C.—14-10-03.

[Telegram No. 32, dated 14th October 1903.]

Telegram from the Secretary of State, dated 15*th October* 1903.

In submitting this telegram for the usual date stamp, it is suggested that the Government of India may be informed that Dr. Bourne has been on special duty from 8th September last but that this duty should now last only till the date of his departure for India about the end of this month or the beginning of the next.

P. T. THARYAN—22-10-03.

That will be right. I think a letter will do. It can go to-day.

A. G. CARDEW—22-10-03.

A draft letter is submitted for approval.
