To

The Secretary to Government,

Educational Department.

Sir,

I have the honour to submit for the consideration of Government the case of K.Srinivasachari, Acting Clerk, Kudligi Taluk office, whose application for permanent exemption from the examination rules is forwarded herewith.

2. The applicant has studied up to the matriculation Standard and has passed the late Middle School and the Lower Secondary Examinations. He has been an acting clerk for more than seven years and having gained sufficient experience has been useful as a Taluk clerk. The Tahsildar under whom the clerk has been working speaks well of him and recommends his permanent exemption. The applicant is about 30 years old.

3. There are now no less than 27 permanent vacancies in the taluk and Sub Magistrates' offices in this district not to speak of temporary vacancies and in Kudligi Taluk alone there are 3 permanent vacancies. It is needless for me to state that education is backward in this district and qualified candidates are not to be obtained to fill the permanent vacancies. Men from other districts cannot be induced to take up appointments in the taluks which have no railway communications while for others they are frightened by the plague.

4. Under these circumstances, I venture to request that the Government be pleased to sanction the permanent exemption from the examination rules of K.Srinivasachari with a view to his being confirmed on Rs.15 as a taluk clerk. If the permanent exemption be sanctioned, the Board of Revenue will be moved for his exemption from the age bar.

I have the honour to be,
Sir,
Your most obedient servant,

10.11
Acting Collector.

Respected Sir.

I, K. Srinivasacharry most respectfully beg to submit my application for permanent Exemption from Examination rules for the post of Special Fund clerk in Kudligi Taluk and to represent the following grievances to your honour's favourable consideration.

2. My service as an acting clerk in the taluk office counts from August 1895. Two years later on (ie in 1897) I was appointed permanent attender on Rs. 7. My appointment as Attender was but nominal because I was

allowed to Continue as an acting clerk. In the latter part of 1901 when the System of paid Copyists in Revenue offices was introduced I Chose to be a copyist because it was Considered to be a recognized Establishment and it carried a Salary of (Rs 10) higher than that of an Attender. To my great misfortune the income of the Copyist Establishment is falling off day by day and there is no likelihood of its Continuance any further. My appointment as a Copyist was also Nominal because ~~be~~ I have been Continuing as an acting clerk in the Taluk office Kudligi.

3. Although I have not passed the required Educational Test my Studies advanced up to the Matriculation University and the upper Secondary Standard. I have passed both the Lower Secondary Examinat and the late Middle School Examination. My knowledge of English or the Vernacular is no way inferior to that of an ordinary Taluk clerk. My Continuous Service as acting clerk which extends for more than 7 years has familiarised me with the work of the Taluk office. Enclosed is an extract of the recommendation recently made by ~~our~~ my Tahsildar in my favour for permanent Exemption. The recommendation speaks for itself but the Divisional officer was not pleased to take my grievances into Consideration.

4. On account of the unhealthy reputation which this Taluk bears there have been vacancies

among the posts of Taluk clerks. Another acting clerk by name Belligundee Rau was also recommended by our Tahsildar but your honour was pleased to declare him as too old to be exempted permanently from Examination rules. Vide Collector's D Dis $\frac{3597}{12.10.1903}$ Copy enclosed for ready reference. My case is, I beg to submit, quite the reverse and there is no such drawback in me. I am a middle aged man about 30 years having secured a permanent footing in the Revenue Department before I completed my 25th year. I possess all the Complements of a Taluk clerk. I may also add that the pay of the Special Fund clerk which I have been holding continuously for the last 4 years is not debitable to Provincial funds and I therefore most humbly and respectfully beg to request that your honour will be pleased to consider my case as a special one and recommend me for permanent Exemption from Examination rules

I beg to remain
Respected Sir
your most obedient Servant
K-Srinivasacharry
Acting Special
Fund clerk.
Kudligi Taluk

21.10.1903

Extract from the Recommendation made by the Tahsildar of Kudligi to the Head Assistant Collector Hospet. —

1. K. Srinivasachary has been doing the duties of Special Fund clerk for the last 6 years in this Taluk and in addition to this he is doing the work of a Revenue clerk for the last one year. He is managing to do the work of 2 clerks with fair ability and expedition. He is a clerk that is not paid by the Provincial Funds. The Special Fund clerk's appointment has been vacant for the last 5 years and every possible effort was made to secure the services of a passed man but without effect. Once or twice some persons from the South were appointed but their appointments were cancelled as they declined to go to Kudlig

As this Taluk has a reputation of being a sickly place it is not possible to find passed men for the vacancy. At present there are 6 persons holding acting appointments and no passed men could be found for them. It is impossible to expect good work from acting unpassed men unless they have a chance of confirmation which they have none so long as they remained unpassed men.

2. K. Srinivasacharry is a middle aged man about 30 years old. It is not possible for him to pass any examination at this stage of his life. I beg that he may be recommended for permanent exemption from Examination rules so as to enable him to hold the Special Fund Clerk's place permanently. His salary is debitable to Special Funds and as a Special case for the sake of a backward Taluk in a backward District in point of education he may be appointed permanent Special Fund Clerk on Rs15 which has been vacant for the last 5 years and which K. Srinivasacharry has been occupying it with credit.

3. K. Srinivasacharry tried for Exemption from Examination rules for a clerk's place once or twice but did not succeed. This will be the last application made on his behalf and it is hoped that it will have the desired effect.
