FROM

REVENUE DEPT

Through,

The Superintendent

Madras Survey.

The humble petition of

Hyder Husain, a member of the Carnatic family and draftsman, Revenue Survey, Madras.

Respectfully sheweth:-

1. That the Petitioner is the grandson of the late Turab Ali Khan Bahadur (Sipahdar Jung,) who was the grandson of the late His Highness Wallajah, Nawab of the Carnatic.

2. That the Petitioner was drawing a small political pension of Rupees 3-8-0 (no. 260 P.) which was by the compulsory order of Government commuted for Rs. 506 in the month of March 1902.

3. That owing to unhappy circumstances and family difficulties, the Petitioner was compelled to discontinue his studies after he had studied up to the Upper Secondary class in the Harris High School, Royapettah, as may be seen from the enclosed certificate. In addition to English which he has improved under European tuition, a certificate

for which is herein enclosed, the Petitioner has also acquired a fair knowledge of Hindustani, Persian, and Arabic.

4. That the Petitioner has been employed in the Madras Revenue Survey Office from the 20th June 1901 as a draftsman on the temporary Establishment on a Salary of Rupees 15 per mensem, but he cannot hope to get a permanent footing there, nor in any Department of the Government Service, as he has not passed any qualifying Examination:

5. That the Petitioner begs to state that several of his relations as well as persons not connected with the Carnatic Family, have been exempted from passing the Upper Secondary Examination in view to their admission into the Public Service, in many instances even prior to their entertainment in the Government Service. His case is also deserving similar consideration, in as much as the Petitioner has been in Government Service for some years past though temporarily and has given full satisfaction to his Superiors in the discharge of his duties and has also shown proof of capacities for higher work.

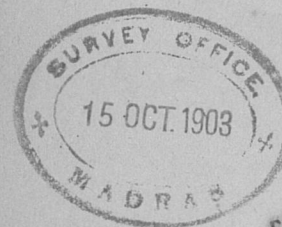

6. That the Petitioner respectfully begs to submit that the benign Government will be graciously pleased to exempt him from passing the Upper Secondary Examination so that he may be enabled to get a permanent place in any department of the Public Service.

7. That the Petitioner is a member of the fallen house of the Carnatic, which has been true to its salt, since the advent of British Rule, and trusts that Your Excellency will be pleased to do the favour sought for by the Petitioner who hopes that this will be a great boon conferred on his poor Family?

8. For this act of mercy the Petitioner shall, as in duty bound, ever pray.

Hyder Hussain

C. No. 1834 From the Revenue Department. No 1556, dated 10-11-1903.

SUBJECT.

Exemption from the upper secondary examination

Haider Husain, a temporary draftsman on Rs. 15 in the central survey office, has applied for exemption from the upper secondary examination so as to enable him to get a permanent post in any department in the public service. He has read up to the upper secondary class. The Supt., Madras Survey, in forwarding the application says that in the capacity in which the applicant has been employed, he has worked satisfactorily. There appears, however, to be no special ground for exemption. Orders are solicited.
