To

The Secretary to Government,
Educational Department.

Sir,

I am directed to forward for orders of His
Excellency the Governor in Council a copy of letter No.
2290, dated 30th October 1903, from the District Judge of
South Malabar, forwarding a memorial from *K.P. Enikutti*,
3rd grade *Amin* of the District Munsif's Court of
Walluvana praying for exemption from the operation of the
examination rules.

I have the honour to be,

Sir,

Your most obedient servant,

J. J. Gumpin
Ag. Registrar.

Copy of letter No. 2290, dated the 30th October 1903,
from the District Judge of South Malabar, to the Regis-
trar of the High Court of Judicature, Madras:-

I have the honour to forward for transmission to
Government a memorial from *K.P. Enikutti*, 3rd grade amin,
District Munsif's Court, Walluvanad, praying that he may
be exempted from the operation of the examination rules
so as to enable him to ~~raise~~ rise to higher appoint-
ments. He has only passed the Middle School Examina-
tion in the 3rd Class.

2. I have no remarks to offer. The question is simply
whether the Government considers it desirable to exempt
Moplas because they are Moplas. The applicant though
apparently a good servant has no other ground for asking
for exemption.

HIS EXCELLENCY

The Governor in Council,

Through,

THE DISTRICT MUNSIF OF

WALLUVANAD.

The humble memorial of K. P. ENIKUTTI, 3rd Grade Amin,
District Munsiff's Court, Walluvanad, South Malabar.

Respectfully Sheweth,

That Memorialist, who belongs to the very small class of Moplah Government servants, most respectfully solicits Your Excellency's benevolent sympathy and aid.

Memorialist belongs to an old and respectable Moplah family of Walluvanad—a family which, though living in the very heart of what has been described as the fanatic zone, has always ranged itself on the side of Government and order and has never had its loyalty called into question. His late father, Mahomed Kutty, was for some time an Amsom Adhigari and was subsequently appointed Police Inspector in which capacity he rendered meritorious service in the detection and suppression of dacoity and other forms of lawlessness peculiar to the Moplah country.

Memorialist was receiving an English education and had studied up to the Pre-Matriculation standard, when his father died in 1883, leaving the family almost absolutely unprovided for and compelling Memorialist to terminate abruptly his promising scholastic career.

After his father's death, Memorialist was called upon to provide for the wants of his family, and after considerable trouble he obtained an appointment as a copyist in the Walluvanad District Munsiff's Court. By dint of diligence and industry, he succeeded in gaining the approbation of successive superiors and rising to the position of a 3rd grade Amin on a salary of Rs. 12. Here, under present conditions, he will have to stagnate during the rest of his official existence, for having passed only the Middle School examination in the third class, he is debarred, under the examination rules, from ascending even one single more rung of the official ladder.

Memorialist believes that the District Munsiff would be pleased to see him rise in the service, and that the District Judge himself is of the same mind, but both these officers cannot influence Memorialist's destiny in the face of the examination rules. Were Memorialist graciously exempted, he would be able to rise at least to the position of a 1st grade Amin on a salary of Rs. 20.

Memorialist most respectfully prays that Your Excellency in Council will be benignly pleased to order that he may be exempted to such an extent from the operation of the examination rules as will enable him to rise to the 1st grade in the appointment which he now holds. For this mercy and benevolence, Memorialist shall, as in duty bound,

C. No. 1808 From the Registrar, High Court, No. 2627 dated 5-11-1903.

SUBJECT. exemption from the examination rules.

H. P. Enikutti, a third grade am in in the district munsifs court at Walluvanad, applies for exemption from the examination rules. He is a moplah and has passed the middle school examination in the third class. The district judge in forwarding the application says that he has no remarks to offer and that the applicant has no other ground for asking for exemption than that he is a moplah, and leaves it to Government to consider whether it is desirable to exempt moplahs because they are moplahs. Orders are solicited.

He may perhaps be informed that his application will be considered in case the District Judge or the head of a department is prepared to give him a higher appointment.

7/11/3 I must say that this line, tho' often followed, seems rather an impotent one. Does Govt exempt Moplahs as Moplahs? 20/12/1103
