To,

HIS EXCELLENCY

THE RIGHT HONORABLE

THE GOVERNOR-IN-COUNCIL,

Fort St. George,

THRO'

THE SUB-REGISTRAR OF

KALPAKANCHERRY,

SOUTH MALABAR.

The humble Memorial of V. Syed Clerk in
the above Office.

MOST HUMBLY SHEWETH,

That the Memorialist humbly begs to place before Your Excellency in Council the following his prayer and fervently hopes that it will be justly and mercifully granted to him.

1. That the Memorialist respectfully begs to state that he is a young Moplah (Mahomedan) of an ancient and good family in South Malabar, that his parents having had no sufficient means to give him a fair education, Memorialist had the misfortune to discontinue his studies after passing the Lower Secondary Examination in 1893.

2. That as adverse circumstances befell his family after his leaving the School he had to seek for an appointment suitable to his capacity in order to support himself and a numerous family; and that in 1897 Memorialist was appointed as an apprentice Clerk in the District Registrar's Office at Calicut and having served in that capacity for about a year he was promoted to Rs. 14, and transferred to the Sub-Registrar's Office at Tirurangadi where he remained for nearly 4 years, during which period he had on several occasions acted for the vacancy on Rs. 15 as well.

3. That in the beginning of the current year Memorialist was lifted to Rs. 15 on *sub-protem* and transferred to his present place; that during his service of 6 years he had always discharged his duties properly by picking up all the works of the office diligently, and proved himself worthy of the confidence of his superiors in

every way; and that a reference to the last 2 of his superiors, Messrs. L. Purshothama Kammathy and K. P. Karunakara Menon, Sub Registrars of Tirurangadi and Kalpakancherry respectively, will satisfy Your Excellency in Council about Memorialist's character and qualifications.

4. That the Memorialist further regretfully submits that because he had not the good fortune to qualify himself by passing the required test, his promotions in the department are sadly blocked up and consequently his only hopes of bettering his future are blasted and he is therefore steeped in misery; that it may not be out of place for him to mention here that it was with the firm belief and ardent desire that he might have bright prospects in the future that he entered into this department as he is a Mopla, few of whom alone have hitherto entered the service of Government.

5. That it may not be out of place for him to state here that several of his race in this and other departments have had the good fortune to have been exempted both partially and wholly from the examination rules, and that if that concession is denied to Your poor and humble Memorialist, his futurity will be ruined and the difficulties and distresses of a numerous and poor family will be enhanced.

In these circumstances the Memorialist most humbly and respectfully prays Your Excellency in Council will be graciously pleased to exempt him, as an exceptional measure, from the operation of examination rules generally.

For which act of kindness and gracious justice the Memorialist shall, as in duty bound,

EVER PRAY.

No 410

Returned with the following remarks to the Sub Registrar of Kalpakancherry as desired in his letter No 378 dated 15th October 1903.

2 The clerk V. Syed was the 5th clerk in this office from 6th February 1899 to 17th February 1903 and during his employment under me, for these 4 years he has satisfied me, not only by doing his transcription work properly, but also by learning the

other work in the office such as indexing documents, preparing monthly and annual minor returns &c. On the whole I found him to be an obedient, hard working and honest clerk.

No 399

Submitted to the Registrar of assessors, South Malabar with the following remarks:-

The memorialist is the third clerk of my office on a substantial pay of Rs 15. Had it not been for the strict observance of the examination rules, he would have been drawing more pay at present in the department, as his abilities are exceptionally of a high order. His intimate knowledge with the departmental orders and circulars and with the routine work of the office will make him a very good first clerk in a Sub Registry office. He is an intelligent obedient and hard working clerk. He is therefore recommended for exemption not as a native clerk, but as a highly deserving candidate.
