To the Director of Public Instruction.

LETTER—No. 584, Educational, dated 25th November 1903, to the Secretary to the Government of India, Home Department.

I am directed to transmit a copy of a catalogue of books registered under the Press and Registration of Books Act, 1867, during the third quarter of 1903 containing the particulars specified in section 18.

Exd. P. Cunniah.

ANNEXURE.

The publications presented by printers for registration during the quarter are 320 or 40 more than the figure registered for the corresponding quarter of 1902. Of these, 228 have been grouped as "Books" and 92 as "Periodicals".

2. A classification of the registered works in the order of their languages shows that 143 are in English; 1 in Italian; 1 in Latin; 63 in Tamil; 48 in Telugu; 13 in Malayalam; 10 in Kanarese; 1 in Tulu; 1 in Konkani; 12 in Uriya; and 27 in Sanskrit including those published in Grantha and Nagari characters—320 in all.

3. Nearly 27 per cent. of the total number registered are works intended for educational purposes, while religious publications show a slight falling off when compared with the collection for the previous quarter.

4. Copyright registration has been secured in the case of 64 works including one Government publication registered free of charge.
