To

The Secretary to Government,

Educational Department.

Sir,

The Girls' School, Pattukottai,

in the Tanjore District, one of the institutions the provincialization of which was sanctioned in G.O. No. 585 Educational d/23rd September 1902, has an endowment of Rs 1964/- held in trust by the Collector and Treasury Officer, Tanjore. Of this amount the sum of Rs 1000/- is invested in a Government pro-note which is in the custody of the Accountant-General and the balance of Rs 964/- is deposited in the Postal Savings bank.

2. The Treasury Officer, Tanjore, holds an interest order for Rs 17-7-4 being the interest derived on the pro-note for the half year ending 30th April 1903 and he requests instructions as to the head of account to which the amount may be adjusted to the credit of Government.

3. The Local Fund Board transferred the management of the school unconditionally and the endowment which was held in trust by the Collector and Treasury Officer of Tanjore never legally came into the possession of the Board.

4. I have the honour, in the above circumstances, to suggest the issue of instructions to the Treasury Officer, Tanjore, to transfer the amount in the savings Bank to the Accountant-General who may be instructed to invest the amount in Government pro-notes and to credit the interest derived on the whole endowment to the head of "Interest on Government Securities".

I have the honour to be,

Sir,

Your most obedient servant,

T. R. Siva

Endowment Fund in favour of
the Pattukkotta girls school.

To

The Secretary to Government,

Educational Department.

Sir,

Referring to Memorandum No. 603 Educational,
dated 30th October 1903, I have the honour to state that from
Proceedings of Government, Financial Department No. 1937 dated
13th November 1874, it would appear that the school which was
started on the 22nd November 1865 and maintained by public
subscriptions was on the 1st April 1872 transferred to Local
Fund management and that with it a sum of Rs 750/- originally
subscribed for its maintenance by its supporters was handed over
to the Board. This amount was invested for the benefit of the
school and has by gradual accumulation of interest grown to
Rs 1,964/- the figure at which the investment now stands.

2. The investment of a thousand rupees in Government securities is referred to in the correspondence ending with G.O. No. 513 Educational, dated 18th July 1890 but the authority under which the fund was vested in the Collector and the Treasury Officer at Tanjore is not traceable in my office. Neither the Treasury Officer nor the President of the Taluk Board, Pattukottai, is able to furnish information on this point.

3. The President of the Taluk Board states that the interest on the investment has hitherto been credited to "IV Interest", in the Treasury account current of the Board.

I have the honour to be,

Sir,

511,
Your most obedient servant,

A. G. Bawden

Director of Public Instruction.
