Agricultural teachers.

In G.O. no. 438 Edl. dated 12th Sept. 1903, the Govt. sanctioned the entertainment of Agricultural teachers in six Training Schools: the Director now submits the necessary proposition statements for sanction.

2. The A.G. says that the proposal seems to require the formal sanction of the Govt. of India in the Financial Dept. as in the Home Dept. letter no. 321 dated 19th 19th May 1903 the entertainment of the teachers was merely suggested.

The A.G. does not seem to be correct. The proposal would require the sanction || of the Govt. of India if it involved the creation of a new class of officers. It is to avoid this the Govt. of India suggested the entertainment of these six teachers. These are to be considered as mere additions to the existing staff of the institution which the Govt. have [illegible] to [illegible]

7/9.

A Reference to the Rule should have been given. This Clerk has a good deal to learn in the matter of how to draw up a useful Note agricultural teachers and as this involved the creation of a new class of officers application was made to the Govt. of India for the necessary sanction. The usual proposition statement also was forwarded vide letter no 763 Edl d/ 12th. December 1902. The Govt. of India then* suggested the employment of six teachers: if it thought that its sanction was necessary for the entertainment of these six teachers it would have apparently accorded ~~as~~ ~~that~~ sanction at once. The Accountant General thus seems to be wrong. ~~In fact it is doubtful whether ...~~ If perhaps he sees the file U.O. he may reconsider his decision.

It seems to me that six make a class as much as 26.

The Financial Department of the Government of India has not ~~yet~~ sanctioned the amount. A new proposition statement should be prepared and forwarded for formal sanction?

A.G. 1.12.3

The A.G. relies presumably on Civil Acct. Code Vol. I, Ch. 17 article 283 4. (5). No defin. of class or grade seems to be given in the C.A.C. but Art. 29 of the C.S.R. apparently

to that art. says that "there are

a Teacher in a School is expressly ruled in Art. 36 not to be a ministerial off. Hence I see no way but to accept the A.G.'s view. The mere number cannot affect the question.

The Secy to the Govt. of I. Home dept.

Sir,

I am directed to refer to the correspondence ending with Mr Williams's letter no 321, Education, dated 19th May 1903, regarding the proposal of this Govt.

F

Govt. to attach to every training School in the ~~Indian~~ presidency a passed student of the College of Agriculture as an additional teacher. The Govt. of India considered that the proposal was of a highly experimental character and that it would be wiser therefore to send students of the College of Agriculture to only six training institutions in the first ~~instance~~ instance and to watch how the plan worked.

2. The Governor in Council accepts the suggestion of the Govt. of India and proposes to try the experiment first in the Training College at Rajahmundry and in the training schools at Calicut, Mangalore, Bellary, Kurnool and Ongole where ~~sufficient~~ suitable land suitable for cultivation is available ~~for forming gardens~~. I am to request that ~~sanction of~~ the Govt. of India will be pleased to accord their formal sanction with advertence to Art. 283(5) of the Civil Acct. Code, Vol. I, to the ~~proposal~~ employment of these six teachers.

3. The usual proposition statement accompanies this letter.
