EDUCATIONAL DEPARTMENT.

Read—the following papers:—

Telegram from the Secretary to Government, Educationl department, to the Director of Public Instruction, dated Ootacamund, 15th September 1903.

Have you received any application from Muhammadan Education Association, Kurnool, for moiety of its capital? If so, when may we expect it?

From the Hon'ble Mr. G. H. STUART, M.A., Director of Public Instruction, to the Secretary to Government, Educational department, dated Madras, 18th September 1903, Ref. on Cur. No. 7710 of 1901.

Referring to your telegram of the 15th instant regarding an application for aid from the Muhammadan Education Association, Kurnool, I have the honour to state that the application has been received. The capital raised by the association for the endowment is Rs. 4,000 and assuming that a half grant is sanctioned, the full amount if invested in the $3\frac{1}{2}$ per cent. Government securities will yield Rs. $17\frac{1}{2}$ per mensem. The rules (copy enclosed) framed for the administration of such a petty trust are, it will be observed, too numerous and complicated. The Inspector of Schools has been instructed to prepare and submit a simplified set of rules and on its receipt I shall submit the application to Government.

Enclosure.

Rules and by-laws for "Khan Bahadur" Saiyid Ali Sahib's Muhammadan Education Aid Association, Kurnool, passed at a general meeting held at the Khabgah Palace on Thursday the 19th February 1903.

28. The association shall appoint at a general meeting one or more trustees who shall supervise the sanctioned expenditure of the funds of the association and also audit accounts and under his or their signature or signatures submit the same together with annual report to the Director of Public Instruction, Madras, through proper channel in such form as may be prescribed by that officer.

29. The president shall furnish to any authorized public official whenever he requires any information with regard to the income and expenditure of the association.

30. The association shall hereby be bound to carry out all orders of the Madras Government or the Director of Public Instruction, Madras, concerning its main ends and objects.

31. Every Muhammadan is entitled to be a member of the association, provided that his membership is approved by a majority of votes at a general meeting.

From the Hon'ble Mr. G. H. STUART, M.A., Director of Public Instruction, to the Secretary to Government, Educational department, dated Madras, 13th October 1903, Ref. on C. No. 7710 of 1901.

In continuation of my letter Ref. on C. No. 7710 of 1901, dated 18th September 1903, I have the honour to request that Government may be pleased to sanction a half grant of Rs. 2,000 on a capital of Rs. 4,000 raised by the Muhammadan Educational Association, Kurnool. The grant, if sanctioned, may be paid from the provision of Rs. 17,000 in the current year's budget for "Grants for furniture and other special objects."

2. The association proposes to invest the Rs. 6,000 in Government securities and to utilize out of the interest derived therefrom about Rs. 6 a month in paying a teacher who teaches English for a few hours a day in some of the aided primary schools and the balance in paying scholarships to poor and deserving Muhammadan boys who are *bonâ fide* natives of Kurnool. The amount of interest that will be derived is so small that it would seem better to devote it entirely to scholarships. The teacher has however already been engaged and rule 8 therefore need not be modified in this respect for the present.

3. The printed draft of the trust-deed received from the Secretary of the association and a copy of the rules framed by the association for the administration of the endowment are submitted. Under article 127 (iii) of the Grant-in-Aid Code, the trust-deed has to be approved by the Law officers of Government. In rule 2, the word "annually" may be altered into "once in three years" and rule 8 may be modified as follows:—

"All the moneys of the fund shall be invested in Government securities only and the Secretary and Treasurer shall draw interest thereon as soon as it becomes due and shall, under the approval of the managing committee, and the Director of Public Instruction, Madras, spend the same on scholarships, teacherships or both. The scholarships shall be awarded to poor and deserving Muhammadan boys who are *bonâ fide* natives of Kurnool, attending a recognised school and are recommended by the headmaster. The value of each scholarship shall be fixed by the committee subject to the approval of the Director of Public Instruction. The capital shall be left intact."

Enclosure.

Official Memorandum No. 616, Educational, dated 4th November 1903.

With reference to rule 127 (iii) of the Grant-in-Aid Code, the Government Solicitor is requested to be good enough to state whether the accompanying trust-deed of an endowment in aid of which the Muhammadan Education Aid Association of Kurnool applies for a grant is in order and can be approved. A copy of the rules framed for the administration of the endowment is also forwarded for information.

A. G. CARDEW,
Ag. Secretary to Government.

To the Government Solicitor.

From SUTHERLAND ORR, Esq., Acting Government Solicitor, Madras, to the Secretary to Government, Educational department, dated 11th November 1903, No. 682.

I have the honour to acknowledge receipt of your memorandum No. 616, Educational, dated the 4th instant, which reached me on the 9th instant with its enclosures, which latter I herewith return for reference except the Grant-in-Aid Code.

2. I see that the copy of the rules furnished to me has been altered in accordance with the suggestions made by the late Director of Public Instruction, and I shall be glad to know whether as a matter of fact any rules have been actually passed by the association (and if so, to see a copy of same) or whether the rules are still under consideration.

3. It will be noted in the letter of the Director, dated the 13th October last, he refers to a copy of the rules framed by the association, from which I gather that they have already been approved of and settled, but I shall be glad to know the exact position.

The trust-deed, I note, is only a draft.

Memorandum No. 647, Educational, dated 17th November 1903.

With reference to his letter No. 682, dated 11th November 1903, the Government Solicitor is informed that the Muhammadan Education Aid Association of Kurnool actually passed a set of rules at a general meeting held on the 19th February 1903, and a copy of them is herewith furnished.

(By order.)

A. G. CARDEW,
Ag. Secretary to Government.

To the Government Solicitor.

From SUTHERLAND ORR, Esq., Acting Government Solicitor, Madras, to the Secretary to Government, Educational department, dated 19th November 1903, No. 704.

I have the honour to acknowledge receipt of your memorandum No. 647, Educational, dated the 17th November 1903, with its enclosures.

2. I note that the association passed a set of rules on the 19th February 1903, but I am still without any information as to when the rules constituting the managing committee were passed.

3. However as such body is referred to in the draft deed of trust I presume that such latter rules have come into force, and that they only now require to be altered to bring them into accordance with the suggestions made by the late Director of Public Instruction which will have to be done at a meeting of the members of the association convened for that purpose.

4. So far as the trustees are concerned I do not think that the rules are yet quite sufficient, as there is no provision anywhere for investments being made in their names as required by rule 127 (i) of the Grant-in-Aid Code.

5. I think, therefore, special resolutions should be passed by the members resolving that all the funds now available be invested in the names of the trustees in Government paper and also to complete the general scheme that in rule 8 of the rules relating to the managing committee before the words "In Government paper" should be inserted the words "in the name of the Trustees of the Association for the time being".

6. The trust-deed does not purport to specifically refer to or be in any way limited to the Rs. 6,000 referred to in the correspondence, but I take it that it does not concern Government to what extent the fund vested in the trustees may be ultimately increased.

7. The trust-deed contains the provision required by the Grant-in-Aid rule 127 (iii) and rule 28 of the association provides for the annual accounts required by the Grant-in-Aid rule 127 (iv), so as the trust-deed is specifically subject to the rules of the society. I think that same, though in a somewhat unusual form, can be passed by Government, provided that the Government securities to the amount required are legally vested in the trustees as above suggested.

8. I return the enclosures which accompanied your memorandum under reply.

Order—621, Educational, dated 12th December 1903.

The payment of the grant of Rs. 2,000 recommended in the Director's letter of the 13th October 1903 is sanctioned subject to the following conditions:—

(1) that a special resolution is passed by the association authorizing the investment of all its funds in the names of the trustees;

(2) that the rules framed for the administration of the endowment are revised as suggested in the Director's endorsement of the 28th October and in paragraph 5 of the Government Solicitor's letter of the 19th November 1903, and formally passed at a meeting of the association convened for the purpose.

As soon as these conditions are complied with the grant will be paid.

NOTES CONNECTED WITH G.O., No 621, EDUCATIONAL, DATED 12th DECEMBER 1903.

[Subject.—*Application for aid from the Muhammadan Education Association, Kurnool.*]

Demi-official from L. M. WYNCH, Esq., Private Secretary to His Excellency the Governor, to the Secretary to Government, Educational department, dated Ootacamund, 3rd September 1903.

I am desired by His Excellency to ask you to be good enough to let him know what has happened to the application of the Muhammadan Education Association of Kurnool, for a moiety of its capital, whether it has been received from the Director through whom it appears to have been submitted, and if so, whether it has been disposed of or not.

I am to add that His Excellency would like to see the papers on the subject.

From the Director of Public Instruction, dated 18th September 1903, *No.* 7710.

The Director's letter may be submitted for the perusal of His Excellency with reference to the Private Secretary's demi-official of the 3rd instant. A note will be made that the further communication promised by the Director should be shown to His Excellency before it is finally disposed of.

From the Director of Public Instruction, dated 13th October 1903, *No.* 7710.

The Director requests sanction to the payment of a grant of Rs. 2,000 in aid of the fund—Rs. 4,000—raised by the Muhammadan Education Aid Association of Kurnool for the maintenance of scholarships for poor but deserving Muhammadan youths or of teacherships or of both. Before the grant is sanctioned the trust deed vesting the fund in Trustees should be approved by the law officers of Government—*vide* rule 127 (iii) of the Grant-in-aid Code. It is submitted, therefore, that the draft of the trust deed, forwarded by the Director, may be referred to the Government Solicitor.

2. It seems advisable to send along with the trust deed a copy of the rules and by-laws framed by the Association. The copies submitted with the Director's letters of the 18th ultimo and 13th instant are, however, of the rules as originally framed. From the former of the two letters it appears that these rules were under revision and the references in paragraph 3 of the second letter are apparently to the rules as thus revised, for, in No. 2 of the original rules the word "annually" does not occur at all and No. 8 of them refers to the maintenance of copies of proceedings of meetings. It is submitted, therefore, that the Director may be asked to submit a copy of the rules as revised for transmission to the Government Solicitor with the trust deed.

To

The Secretary to Government,

Educational Department.

Sir,

In continuation of my letter Ref. on C.No. 7710 of 01, dated 18th September 1903, I have the honour to request that Government may be pleased to sanction a half grant of ₹2,000/- on a capital of ₹4,000/- raised by the Muhammadan Educational Association, Kurnul. The grant, if sanctioned, may be paid from the provision of ₹17,000/- in the current year's budget for 'Grants for furniture and other special objects.'

2. The Association proposes to invest the ₹6,000/- in Government securities and to utilize out of the interest derived therefrom about ₹6 a month in paying a teacher who teaches English for a few hours a day in some of the aided primary schools and the balance in paying scholarships to poor and deserving Muhammadan boys who are bona fide natives of Kurnul. The amount of interest that will be derived is so small that it would seem better to devote it entirely to scholarships. The teacher has however already been engaged and rule 8 therefore need not be modified in this respect for the present.

3. The printed draft of the trust-deed received from the Secretary of the Association and a copy of the rules framed by the Association for the administration of the endowment are submitted. Under article 127 (iii) of the Grant-in-Aid Code, the trust-deed has to be approved by the Law officers of Government. In rule 2, the word "annually" may be altered into "once in three years" and rule 8 may be modified as follows.--
