Sir,

I have the honour to forward you a copy of a letter which I have received from Mr P. George of Park Town, Madras, I shall be greatly obliged if you can inform me whether, in accordance with the request underlined in his letter, this Department might entrust question papers to the official Director of Education in Travancore, and whether also you could kindly furnish me with the name of that official.

I have, etc.,

Mr P. George to City & Guilds of London Inst.

Park Town, Madras.

8 October 1903.

Dear Sir,

In reply to a letter of your favour dated 16 Oct. 1903², with respect to the holding of examinations in Printing, we learned that the application for such examinations should be made by the Official Director of Education in Madras.

We, being natives of the Travancore State think it to be unnecessary to ask them to take the trouble

while

while we have our own Government and besides the place
(Madras) is nearly 1000 miles away from our capital town
Trevandrum.

Would it be sufficient, we hope so, that the official
Director of Education in Travancore, kindly undertake the trouble
of applying to you for holding of the above said examination
in the Maha Raja's College, Trevandrum? They are quite
willing to encourage students of technology in the State,
and also willing to undertake the responsibility of
supervision etc. If you can kindly forward the ~~xxx~~ papers
in their address on application by the Official Director
of Education in Travancore, we, the students, mean to
appear for the ensuing examination. So please kindly
send some application forms.

We hear that you have made Bombay and Calcutta
as centres of this examination. Please kindly inform us
to full particulars about your earliest convenience.
Waiting to hear from you a favourable reply,

I remain etc.,

(Sd) P. George.

India Office,

12 November 1903.

Sir:-

I am directed by Mr. Secretary Brodrick to acknowledge receipt of your letter of the 27th ultimo with reference to an application received by you from certain Travancore subjects.

In reply I am to say that the proper person to make an application on a subject of the kind to which Mr. George's letter refers, is the head of the Educational Department in Travancore; and that the proper channel for the conveyance of the request, if entertained by him, would be the Madras Government.

Mr. Brodrick, therefore, desires me to suggest that Mr. George should be informed accordingly.

I am,

Sir,

Your obedient Servant,

(s) A. G. G. G.

Sir P. Magnus.
