To

The Secretary to Government,

Educational Department.

Sir,

In G.O.No. 573 Educational, dated 29th July

1902, it was stated that the Government of India had been addressed in regard to the grant of local allowances to the Surgeon, 1st District, Madras and the District Medical and Sanitary officer, Vizagapatam, as Superintendents respectively of the Medical Schools, Rayapuram and Vizagapatam, and to the senior instructors of these two schools. It was further intimated in G.O.No. 312 Educational, dated 26th June 1903 that a reference on the subject had been made by the Government of India to the Secretary of State, but the final orders of the latter have not yet been communicated to the Director. The allowances, however, have been sanctioned, as the Accountant-General has, under the orders of the Government of India No. 5160 -Ex., dated 24th August 1903, authorised the Superintendents of the Rayapuram and Vizagapatam Medical schools to draw their local allowance at the rate of Rs 200 and Rs 150 per mensem respectively, with effect from 17th August 1903, the date of receipt of Secretary of State's Despatch sanctioning them. The Superintendents of the above two schools now request that the sanction of the Secretary of State be allowed to have retrospective effect from the dates of the opening of the schools, i.e. from 1st April 1903 in the one case and from 1st July 1902 in the other. Both these officers had much work to do in making the necessary preliminary arrangements in connection with the provision of buildings, furniture &c. for the schools and I beg, therefore,

therefore, to recommend that their request be granted.

2. Nothing is known regarding the granting of a local allowance of Rs 100/- each to the senior instructors of the two medical schools referred to above. I request that the early sanction of the Government of India may be obtained to the grant of the above allowance to the First Assistant of the Vizagapatam school from 10th July 1902, the date on which he joined that institution and to the First Assistant of the Rayapuram school from 1st April last. In this connection I beg to refer Government to Mr. Stuart's letter Ref. on C.No. 3530, dated 1st June 1903 read in G.O.No. 382 Educational, dated 15th August 1903.

3. A re-appropriation statement for meeting the arrears of allowances due to the Superintendent and the First Assistant of the Medical School, Vizagapatam for the past official year will be submitted on receipt of orders on this communication.

I have the honour to be,

Sir,

Your most obedient servant,

A. G. B. [Signature]

Director of Public Instruction.

C. No. 1984

SUBJECT.

Allowances of the Superintendents and First
instructors of the Rayapuram & Viragapattam
Medical Schools.

The medical schools at Rayapuram & Viragapattam were opened and the Surgeon, 1st District, Madras, and the District Medical Officer, Viragapattam, appointed as their respective Superintendents under the sanction conveyed in G.O. No 320 Edl dt 10th June 1901. A medical officer of the Assistant Surgeon's grade and the Assistant to the District Medical Officer at Viragapattam were to be their respective First Instructors. The Superintendent of the Rayapuram School was to receive an allowance of Rs 200, the Superintendent of the Viragapattam School Rs 150 & the First Instructors, Rs 100 each. Application was made to the Govt of India for sanction to pay these allowances in letter No 357 Edl dt 14th June 1902. In the letter from that Govt in G.O. No 312 dt 26th June 1903 intimation was given that the proposal regarding the allowances to the Superintendents were sent home in June 1903. Under article 277 of the C.A.C. the Govt of India can itself sanction the allowances to the First Instructors. Govt has heard nothing further from the Govt of India.

2. The Director now states that the Accountant General has, under the orders of the Govt of India no 5150-Ex: dt 24th August 1903 authorized the Superintendents of the Rayapuram & Vizagapatam Medical Schools to draw their allowances with effect from the 17th August 1903, the date of receipt by that Govt of the Secretary of State's sanction. As however the Vizagapatam School was opened on the 1st July 1902 and the Rayapuram School on 1st April 1903 the Director requests that retrospective effect may be given to the sanction. The Director also requests that the early sanction of the Govt of India may be obtained to the payment of allowances to the First Instructors of these schools.

3. As already stated the Govt of India has not yet communicated to this Govt the sanction of the Secretary of State. When it does, it will no doubt convey ^{to them} sanction to the payment of allowances to the First Instructors. In the letter to the Govt of India no 383 dt 15th August 1903 a request has already been made that retrospective effect may be given to the sanction in all these cases and nothing further than a reminder to the Govt of India is now required. Orders are solicited as to whether this reminder may ~~now~~ be sent.

4. The Director's request in regard to the First Instructor of the Vizagapatam School is that the sanction to his allowance may be given effect to from the 10th

D.

10th July 1902. In the letter to the Govt of India no 383 dt 15th August 1903 application was made for sanction from the 1st idem. If sanction is accorded as applied for the allowance can be drawn from 10th July 1902. In fact the Accountant General will pay only from this date as the Instructor joined his appointment only ~~to~~ on that date.

Send reminder to India, referring both to the letter of the 14th June ~~and then~~ (asking for sanction) and the letter of the 15th August (asking that sanction should be retrospective)?

The Secretary of State's sanctioning despatch ~~must have arrived before on~~ August the 17th when India communicated it to the Accountant General. On receipt of our letter of August the 15th India presumably addressed the Secretary of State again and is meanwhile holding over the despatch which arrived on August the 17th, and its own sanction of the ~~major~~ allowances ^{for} 10th July 1902.
