Sir,

I have the honour to forward here-
with a list of survey lascars for whom I am
apparently expected to obtain exemption
from Primary examination. The list is but
one of dozens that I have to submit. This
procedure is obviously not in the least what
the Rules intend. It gives infinite trouble
and serves no sort of useful purpose. I
therefore venture to request that a standing
sanction may be given me for exemption
of all peons and lascars entertained in
this Investigation.

I have the honour to be

Sir,

Application for exemption from Examination Rules of Unpassed Candidates for Employment in the No. III Division D. B. Project -

Name, age and educational qualifications of the unpassed candidate for whose employment sanction is sought.	The Post in which it is proposed to employ him and nature of the appointment i.e., whether acting or Sub-Probationary or temporary.	The Period for which the appointment is expected to last.	The period for which sanction is now sought (with dates of Commencement and of termination)	Is this a first application or one for a renewal of a previous sanction? In the latter case quote the previous order for sanction and state for how long the candidate has been already exempted.	What steps have been taken to preserve the services of a passed candidate and with what results.	Recommendation of the Head of the Department.	Remarks.

2. It is a point for consideration in the
Educational Department whether, if it is
not desirable to comply with the request
of the Executive Engineer, Tungabhadra
Project, for authority to employ unpassed
men as peons and lascars on the project,
he may be permitted to apply retros-
pectively, at the end of every six months,
for the temporary exemption of unpassed
peons and lascars employed during that
period. A similar procedure was sanctioned
in G. O. N^o 697 Educational, dated 29th November
1901, with regard to the peons and lascars

SUBJECT.

General exemption from the examination rules.

The Executive Engineer, Tungabhadra Project, while submitting a list of survey lascars for temporary exemption from the examination rules, states that it is but one of dozens that he has to submit and requests ~~therefore~~ that a general sanction may be given him to ~~employ~~ ^{employ} ~~unpassed~~ ^{unpassed} men as ~~except~~ ^{except} all peons and lascars ~~obtained~~ ^{obtained} on that investigation. The Public Works Department suggests that ^{if} the Executive Engineer's ~~request~~ ^{request} ~~cannot be complied with~~ ^{may be permitted to apply retrospectively at the end of every six months.} This course was ~~actually~~ ^{actually} sanctioned in G.O. no. 697 Bd. of 29th Novr. 1901 and may be followed in the present case. A draft is placed below for approval.

I would give a general exemption from the Primary Examⁿ for all Peons & lascars on the temporary Tungabhadra project establishment.

The Primary Examⁿ has had no effect in

extending Primary Education, which has retrograded since its institution, & the enforcement of a pass by this Examⁿ. in the case of Peons & lascars for temporary employment is impossible. We shall have, ^{admittedly} no option but to grant an exemption to every man whom the P.W.D. employs, & what the benefit of giving such exemption retrospectively is, I cannot see. The sole difference is that a general exemption will save correspondence, which will be necessary otherwise.

I agree that in the case of
peons & lascars employed
in the Tangabudhra project
so long as so employed
the general exemption
ought to be given
