The Secretary to Government,

Educational Department.

Sir,

In July 1901 the Secretary, U.F.C.M. applied for a grant towards the purchase of a building for the use of the Rajagopaul Mint Girls' School, Black Town, and towards the cost of improvements to it. A grant of Rs 386/- towards the latter was sanctioned and its payment was authorized in this Office Ref on Cur No. 5694 of 01 dated 18th May 1903; it has not yet been drawn. As regards the grant for the building, the Manager was informed in September 1901 that a third grant would be recommended to Government on receipt of the sale deed. A grant of Rs 2,333/- was accordingly recommended for it which was sanctioned in G.O. No. 331 Educational, dated 10th July 03. But Government, in the meanwhile, having in its order No. 305 Educational, dated 23rd June 1903 ordered that no building grant should in future be paid unless the grantee executes a deed of agreement, payment of the grant was authorized on the distinct understanding that the Manager would execute an agreement on being furnished with a copy of the form. The form relating to grants towards the erection of buildings having been approved in G.O. No. 529, Educational, dated 26th October 1903, I submitted the other three forms with my letter Current No. 9023 of 1903 dated 11th December 1903 and pending the approval of the no form can be furnished to the Manager and the grants therefore remain unpaid. The Manager naturally objects to being kept waiting for the grants until the form of agreement is settled and requests payment before the 31st instant. He contends that when the grants in question were promised nothing was said

about the agreement and that though he is prepared to execute a reasonable agreement it is not fair that payment of the grants should be deferred till the form is decided. As there appears to be a great deal of force in the contention, I have the honour to request that I may be authorized, unless the three forms of agreement above referred are likely to secure early approval, to sanction payment of the grants in this case as well as in other similar cases on the understanding that the deed of agreement is to be executed later on when the forms are settled. Payment would, of course, be authorized only in cases where the schools are managed by well known and responsible bodies.

I have the honour to be,

Sir,

Your most obedient servant,

A. R. Sanyal

Director of Public Instruction.
