The humble petition of B. Krishna Row, acting 2nd clerk of the office of the Inspector of Salt, Abkari and Customs Revenue, Madras Depot Circle, Madras,

Most Respectfully Sheweth,

That Your Excellency's humble petitioner entered the --

-----ing any University qualification, yet his ordinary capabilities coupled with his industry and knowledge of English have enabled him to discharge his duties to the entire satisfaction of his superiors so much so that the Government were pleased to exempt the petitioner from the Examination Rules with a view to his promotion in the clerical line of service up to a maximum pay of Rs. 40/- permensem, Vide G. O. No. 704, Educational dated the

20th August 1895.

3. That your petitioner has been promoted to a place carrying Rs.40/- and is holding it with credit for the last two years and a half.

4. That as your petitioner is now only 45 years of age, he confidently hopes that he will be able to serve Government for 10 years more by holding higher places of trust and responsibilities if an opportunity to do so is afforded to him.

5. That on the amalgamation of the Customs with the Salt and Abkari Department and the consequent re-organization of the whole Department several places of Sub Inspectors grades though nominally executive yet really clerical in nature have been created such as those in the Tondiarpet Stores, Distilleries and Sayer Stations.

6. That your petitioner was entertained in the Department in 1879 long before the rules regarding Standard Measurements were framed and it is very hard to apply these rules now in the petitioner's case as has justly been remarked by J. H. Merriman, Esq., in para 6 of his letter No. 2890 dated 5th July 1895.

7. That your petitioner begs leave to solicit Your Excellency's kind and gracious reference to the several testimonials annexed hereunto particularly to those of the Hon'ble Sir Henry William Bliss and J. H. Merriman, Esq.,

8. That in consideration of the above facts, Your Excellency's humble petitioner prays that Your Excellency will be graciously pleased to remove the restriction now placed upon the salary and accord sanction for General Exemption or to extend his exemption for promotion up to Rs.70 in the clerical line or in the executive appointments like those referred to in para 5 supra.

For which act of kindness and charity the petitioner shall feel ever grateful.

TESTIMONIALS OF BAR KRISHNA ROW.

The Honorable Sir HENRY WILLIAM BLISS, Kt., C. I. E., B. A., I. C. S., the then Salt Commissioner in his recommendation to the Conservator of Forests, Northern Circle, (his endorsement, No. 1494, dated 5—2—1883) said:—*

“The applicant can be recommended as a very steady, hard working servant. He would have been promoted long ago but for his not having passed.”

* This gentleman (under whom Bar Krishna Row was in direct contact whilst on long circuits throughout the Madras Presidency in 1879 and subsequent years) was highly pleased with Bar Krishna Rao's hard work and intelligence displayed so as to even entertain the idea of exempting him. Enquiries were also instituted as to Bar Krishna Row's parentage, position in the social scale, relatives in the public service, &c., and these were found satisfactory. This occurred at Ooty during the time of Mr. A. Kristnasawmy lyengar's tenure of Office as Head clerk (now Assistant Commissioner).

A. P. RUSSELL, Esquire, Acting Assistant Commissioner, Chingleput Sub-Division, in forwarding petition for exemption wrote in letter No. 5203, dated 8—11—1887, to the Deputy Commissioner, Central Division, as follows:—

“He has been in this Division since 1885, and from all accounts, has given every satisfaction, and has lately been promoted to a temporary post on Rs. 20.”

J. A. P. SNEYD, Esquire, Deputy Commissioner, Central Division, passed orders thereon in his Proceedings, No. 3342, dated 15—11—1887, thus:—

“The Deputy Commissioner would like to have Mr. Ditmas' opinion regarding the man and his work prior to recommending for exemption asked for.”

F. W. DITMAS, Esquire, Assistant Commissioner, Chingleput Sub-Division, in support of Mr. Russell's recommendation stated in his letter, No. 10, dated 24—12—1887, to the Deputy Commissioner, Central Division:—

“I have formed a high opinion of the Clerk referred to and that his conduct has been satisfactory ever since he was posted to this Division. He is an intelligent energetic Clerk and in my opinion deserving of and qualified for exemption.”

A. P. RUSSELL, Esquire, Assistant Commissioner, Chingleput Sub-Division, in reply to an Objection Statement regarding the salary of Rs. 20 wrote on 21st March 1890, to the Board of Revenue (Separate Revenue.)

“The Clerk in question has got a service of 10½ years in this Department and has been in the Assistant Commissioner's Office for 4 years, from April 6, 1886. Considering the good service he has rendered, it is specially requested that he may be permitted to continue in the same appointment during the current year. The Clerk has been drawing Rs. 20 from the 23rd January 1890.”

A. P. RUSSELL, Esquire, Assistant Commissioner, Chingleput Sub-Division, in recommending for an appointment of Rs. 20 endorsed as below, in his letter, No. 1799, dated 28—5—1890, to the Deputy Commissioner, Central Division:—

“As it is most important to have a man who can maintain and handle the records properly, I would like to keep B. Krishna Row for the work as he thoroughly understands it, for, if it be given to a new man the work of the office will be greatly impeded as the despatch of business depends upon the state in which the records are maintained to a great extent.”

“B. Krishna Row is an unpassed man, but has 10½ years' service, is intelligent and writes a good hand, and I think his case is deserving of special consideration. I do not seek to exempt him generally from the examination rules, but beg that the Board be asked to move Government to exempt him so far as the pay of this particular post (*viz.* Rs. 20) is concerned.”

J. R. WILSON, Esquire, Inspector, Madras Town Circle, in his Endorsement, No. 124, dated 26th January, 1891, on the application for employment in the Board of Revenue, Land Revenue, forwarded through the Deputy Commissioner, Central Division, wrote as follows:—

"The applicant now draws Rs. 15 in this (Madras Town) Circle. He was lately transferred from the Chingleput Sub-Division Assistant Commissioner's Office and has worked in my office since September last. In this short period he has shewn himself a very intelligent, hard working and painstaking man. He writes quickly and his writing is excellent. I consider him well qualified for the post he seeks; had he not put in this application, it was my intention of bringing him to the Deputy Commissioner's notice with the hope of his being exempted and given a Sub-Inspector's post; he excels many passed men whom I have had to deal with."

J. R. WILSON, Esquire, Inspector Madras Town Circle, in his recommendation to the Deputy Commissioner, Central Division, for exemption expressed as follows in his letter No. 793, dated 11th May 1891:—

"I have the honor to state that the opinion expressed by me in my Endorsement made in forwarding a petition from B. Krishna Row to the Land Revenue Department is still the opinion I hold of this man and consider he would make a good Sub-Inspector if he is granted an opportunity."

The BOARD OF REVENUE in supporting the above recommendation wrote to Government in the following terms:— *Vide Board's Proceedings, dated May, 23, 1891, No. 1642, Miscellaneous.*

"Submitted for the favourable consideration and orders of Government in continuation of Board's Proceedings, dated 1st May 1891, No. 1422, Miscellaneous. The Clerk in question has had 12 years' service and is reported to bear a good character. The Board considers that his case is deserving of special consideration and would recommend that he be exempted from the Examination Rules in view to his being appointed an Increment Sub-Inspector."

J. R. WILSON, Esquire, Inspector, Madras Town Circle, in his recommendation on application for employment in the Sea Customs office endorsed in No. 1964, dated 3rd November 1891:—

"Forwarded (petition from B. Krishna Row) to the Collector of Sea Customs for favourable consideration. The Clerk is a very good man and deserves every encouragement."

J. R. WILSON, Esquire, Inspector, Madras Town Circle, in his letter to the Deputy Commissioner, Central Division, when the place of a Shroff fell vacant wrote as follows vide No. 1503, dated 12th September 1892:—

"With reference to the petition of B. Krishna Row, my Clerk. This man has worked very hard and is a very intelligent man. He has unfortunately not passed his Matric and has consequently been often superceded. He has more common sense than many passed candidates, and in cases of difficulty his services are often called into requisition. I have already recommended him for promotion and the Board on your recommendation applied to Government to have him exempted, but he was not exempted. I consider he would make an excellent Sub-Inspector and his is a hard case. I have already recommended certain arrangements regarding the filling up of the Head Shroff's place for which this clerk now puts in a claim as he will thereby gain an increase of Rs 5 a month to his pay. He would of course do excellently for the place, but if I may be permitted to recommend him again I would do so unhesitatingly for the post of a Sub-Inspector. Many new men are about I hear to be appointed, and an old and well tried servant of Government would be only receiving what he has well earned if one of the posts were conferred on him."

J. H. MERRIMAN, Esquire, Deputy Commissioner, Central Division, in his recommendation to the Board of Revenue, separate Revenue, (his endorsement, No. 610 dated 12-2-94) said:—

"Submitted. Should the Board not be prepared to recommend complete exemption from the rules I think this is a case where the applicant might suitably be made an Increment Sub-Inspector rising gradually by 3 Rupees instalments to Rs. 30 a month."

Proceedings of the MADRAS GOVERNMENT thereon No. 289, dated 25-4-94, Educational.

"There are certainly no grounds for granting a general exemption to B. Krishna Row but if the Board is inclined to recommend exemption in respect of the post of Increment Sub-Inspector and can certify the man's physical fitness for that post, the Government will be prepared to reconsider the G. O. No. 462, dated 13-6-91, Educational."

W. C. F. LEGGATT, Esquire, Ag. Deputy Commissioner, Central Division, in his letter No. 2496, dated 5-6-94, to the Board of Revenue, Separate Revenue, expressed the following:—

"I have seen the applicant B. Krishna Row and do not consider him physically qualified for a Sub-Inspector's post. He is but 5 feet 2 inches in height and only 30 inches round the chest."

R. M. THURLEY, Esquire, Inspector, Madras Town Circle, recommended in his letter No. 2046, dated 19-10-94, to the Deputy Commissioner, Central Division, as under:—

"I would respectfully urge that he may be given an opportunity of shewing whether he is capable of performing a Sub-Inspector's duties. The man is really hard working and I can vouch for the great earnestness &c., displayed by him in all he undertakes. He has kept the records of this office in perfect order and has never been in arrears; and considering the satisfaction given by him during the whole of his service, I would strongly recommend that he may receive such consideration as would tend to increase his salary as he deserves. His appearance no doubt belies his physical capabilities, but that he is straight and painstaking I can quite vouch for."

J. H. MERRIMAN, Esquire, Deputy Commissioner, Central Division, passed orders thereon in his Proceedings No. 4616, dated 22-10-94, thus:—

"The clerk will be transferred to the Deputy Commissioner's office as 7th clerk Sub-pro-tem with a view to enable the Deputy Commissioner to form a personal opinion as to whether it is desirable to recommend him for exemption in the clerical line as requested by the clerk."

J. H. MERRIMAN, Esquire, Deputy Commissioner, Central Division, wrote to the Board in his letter No. 2890, dated 5-7-95, as follows:—

"I have the honor to submit the following case of one B. Krishna Row permanent 6th clerk of the Madras Town Circle and Sub pro-tem 7th clerk of my Office for the Board's favourable consideration with a view to move Government to exempt him from the Examination Rules for promotion in the clerical line of the Salt and Abkari Department."

"From the above it will be seen that the clerk has put in nearly 16 years service during which period he has been steady and painstaking and given great satisfaction to his superiors. Had he passed the requisite examinations he would have been promoted years ago."

"3. In February 1888 the late Mr. Sneyd sent up the clerk's name to the Board for exemption from the Examination rules for employment as Sub-Inspector but the Board declined to move Government (B. P. No. 385, Mis, dated 9-2-1888. Again in May 1891 he renewed his recommendation which the Board was pleased to send up to Government (B. P. No. 1642, Mis, dated 23-5-1891) but to the clerk's misfortune the Government declined to sanction the exemption (B. P. No. 2032, Mis, dated 20-6-1891.)"

"4. In February 1894 I repeated the request and recommended that Government may be moved to exempt the Clerk from the Examination Rules with a view to his being employed as an Increment Sub-Inspector. In Board's Proceedings No. 2056, Mis, dated 12-5-94, the Board called for a report on the physical fitness of the man for the post of Sub-Inspector and it was reported that he was wanting in Standard measurement. The Board, however, sent up his name but the Government declined to exempt the man because he was physically unfit for the post of Sub-Inspector with reference to Standard Measurement. (B. P. No. 3023, Mis, dated 12-7-94.)"

"5. In October 1894 the Clerk made a further representation and begged that he may be exempted from the Examination Rules at least for promotion to the clerical line. On this I passed the following order" :-

"The Clerk will be transferred to the Deputy Commissioner's Office as 7th Clerk *sub protom* with a view to enable the Deputy Commissioner to form a personal opinion as to whether it is desirable to recommend him for exemption in the clerical line as requested by the Clerk."

"The Clerk accordingly joined the office on 1-11-1894 and has been here for 8 months during which period he has been steady and hard working. He writes a very good hand is a most useful man and has given me every satisfaction so that I am able to fully endorse the opinions expressed by other officers regarding his character and capabilities as will be seen from the enclosed printed extracts."

"6. The Clerk was entertained in 1879 long before the rules regarding standard measurements were framed and it appears hard to apply these rules in such a very deserving case."

"7. In consideration of the above I trust I may be pardoned for again venturing to bring this man's name before the Board with a view to his exemption from the examination rules so as to enable me to promote the man in the clerical line."

BOARD'S RESOLUTION thereon No. 3035, Mis, dated 20-7-95.

"Submitted to Government with reference to the correspondence ending with Government order, No. 478, dated 27-6-94, Educational, with the request that B. Krishna Row (*sub protom* 7th Clerk of the Deputy Commissioner's office) may be exempted from the operation of the examination rules in view to his promotion in the clerical line. He is an old and deserving Servant and the Deputy Commissioner, Central Division, gives him a high character for usefulness and good conduct."

GOVERNMENT ORDER

thereon No. 704, dated 20-8-95, Educational.

"B. Krishna Row, Sub protom clerk in the office of the Deputy Commissioner, Central Division, will accordingly be exempted from the examination rules with a view to his promotion in the clerical line of service up to a maximum pay of Rupees 40."

C. No. 211 From the Board of Revenue: S.A. No. 140/salt, dated 2-2-1904.

SUBJECT.

Exemption from the examination rules.

In 1891 the Board of Revenue forwarded with its recommendation an application from B. Krishna Rao, a clerk in the salt, abkari and customs department, Madras Town Circle, for exemption from the examination rules, for employment as an increment sub inspector. The Government, however, did not see any special reason for the grant of the exemption sought and refused it - vide G.O. No. 4628 of 13th June 1891. In 1894 the Board, ^{again} submitted another application from Krishna Rao for ~~and the Govt. again refused the exemption~~ ~~general exemption, but the Govt. then allowed~~ ~~that a general exemption could not be granted~~ ^{but added} that if the Board was inclined to recommend his exemption in respect of the post of an increment sub inspector and could certify to the man's physical fitness for that post, it would be prepared to reconsider the previous order. - vide G.O. No. 289 Ed. of 25th April 1894. The Board thereupon reported that Krishna Rao was physically disqualified for the post of a sub inspector and accordingly the Govt. refused to exempt him - vide G.O. No. 478 Ed. dated

dated 27th June 1894. Again in 1895 the Board forwarded a further representation on his behalf, made by the Dy. Commissioner, Central division, and recommended his case for favorable consideration with a view to his promotion in the clerical line. The late Honble Mr. Lyse then thought that in consideration of the man's long service and good testimonials, he might be exempted for posts up to a limit of Rs 40. This was accordingly done. Vide G.O. n^o 704 Edl. of 20th August 1895.

2. Krishna Rao now applies for either a general exemption from the examination rules or an extension of the limit of pay imposed in G.O. n^o 704 Edl. of 20th August 1895 up to Rs. 70 in the clerical or executive line. He is now the ag. second clerk in the office of the Inspector of Salt, abkari and Customs department, Madras depot circle, and has reached the maximum limit up to which he was exempted. No special reasons have, however, been shown for the grant of any further concessions to him and the Board, while submitting the present application, makes no recommendation on his behalf. For appointment as clerk ^{or accountant} on Rs. 50 and upwards he should, besides possessing the usual

usual general educational qualification, have passed the following salt tests, lower grade:

Test-B. Salt.

Test-C. Accounts

Test-E. Linguistic

Test-F. Excise.

For appointment as sub inspector on Rs. 60 and upwards he should have passed the following salt tests, lower grade:-

Test-A. Criminal Law.

Test-B. Salt

Test-E. Linguistic

Test-F. Excise.

If exemption is granted therefore, it should be from the general Educational qualification as well as from the salt tests mentioned. In the circumstance, it is submitted that the applicants' requests may be refused.

Why should he not pass the tests required of other men? The request sh^d be negatived.

A draft is placed below for approval.
