 To Sunday dr in forenoon
 Dear Mr. Byrd.

The South Indian Railway
is now taking away from us
at once the site of our
boys playground, and the
sergeants and nurses quarters,
besides Cook house &c.
Will you very kindly ask
his ex if he will try and
get for us the grassmere
bungalows and compound
which is just opposite the school.
It used to belong to the C.O. &
but was taken by Government.

It has been used by
the P. U. S., but is I
believe now about to be
let to the Volunteers.

Surely they can get some
other Hall.

If we do not get it our
boys will have no Hall
to play in all this year,
or until we move to
the Pocomanulle site.

I shall be very grateful
if you will ask the ex
to try and arrange this

In W.

Believe me to be

Yr sincere

Chas Madden

Garrison Chapter

DEC. No. 15 From the Private Secretary No. , dated 30-1-1904.

SUBJECT.

Acquisition of the "Grassmere"
bungalow for the use of the Civil
Orphan Asylum.

The Garrison Chaplain brings to notice that the South Indian Railway Company is going to take away at once the Civil orphan asylum playground and the Sergeants' and nurses' quarters and requests that the Grassmere bungalow and Compound just opposite the asylum may be placed at its disposal for the present. The asylum will be removed from its present premises by June next and will require the Grassmere bungalow and Compound only till then. As these are in charge of the Public Works Department, the request may be referred u.s. to that department for remarks. - For a brief history of the building please see the note at flag M in G.O. no 99 Edl dt 24th February 1899.

M.
To P.W.D. u.s. for favour of remarks.

Mr. Malden has made some jumble in saying the Bungalow is to be given to the Volunteers: they are to get Stowe Hall. The question is whether Grassmere could be made available for 6 months for the C.O. Asylum, until the new bgs are ready at Liverpool thus setting free the M.F.O.A. -

Lieut Smith is at present occupying the building, and he has applied for leave with effect from the 26th instant when the military troopship leaves Bombay.

3. In the linked file is a letter from Sub conductor R. Culbert, requesting to be allowed to undertake the cement testing operations and live in "Grassmere". It is proposed to ask the Principal of the College of Engineering if he will take up the cement testing work.

"Grassmere" will be available for the Civil Orphan Asylum from the 26th instant.

2. The question of the rent to be paid by the Asylum authorities has to be considered. The normal rent of the building as fixed by G.O. No. 1716W of 10.6.96 ^{is Rs 47 a month.} But the statement of data has not been revised in accordance with the new Rent Rules.

Educational Dept

It is submitted that the Grassmere bungalow & compound may be placed at the disposal of the C.O.A. from the 26th instant.

2. The occupation is only temporary & it is submitted that it should be allowed free of rent, ~~the land~~ but the Asylum should keep the premises in good order. The Native Colleges at Madras & Bangalore occupy free buildings on similar conditions - vide G.O. No. 626 of 16th November 1887 & No. 64 of 7th February 1889.

Grassmere originally belonged to the C.O. asylum, but was handed over to Govt in return for money advanced, and has since 1894 been under D.P.W., not

Govt school buildings

Educational. If Sec^y thinks the system should be allowed the use of the building free of rent, should D. P. W. be asked whether they would raise any objection to the proposal?

The occupation of Grasmere rent free by the C.O.A. may, I submit, be permitted both the consent of P.W.D.. It will not be for more than 10 months at the most.

Please draft accordingly. *AK*
