introduced to local primary school at Coimbatore for temporary removal to Trichinopoly owing to prevalence of plague at the latter station.

PR. 10/2/04

To

The Secretary to Government,

Educational Department.

Sir,

I have the honour to request that, under the circumstances stated below, the sanction of Government may be obtained for the temporary removal of the Government Training School, Coimbatore to Trichinopoly. The school was to have reopened after the Christmas vacation on the 18th January, but the District Medical and Sanitary Officer having reported that plague was severe in the town and that it would be unsafe to have the school at work there till there was an abatement of the disease and as it is unlikely that any students would have joined at Coimbatore the Inspector of European and Training Schools directed the Headmaster to secure a building either in Karur, Erode, or Bhavani for the temporary location of the institution. No suitable building however was available in any of these places and Mr. Stone then proposed to hold the school in the premises of the Government Training School, Trichinopoly and to commence work there on the 25th January a week later than the usual date, and I have approved of this proposal. The meetings of the classes of the Coimbatore school have been arranged in such a way as not to disturb the regular work of the Trichinopoly school.

I have the honour to be,

Sir,

Your most obedient servant,

E. W. N. Adlam

For Director of Public Instruction.

EDUCATIONAL DEPARTMENT.

C. No. 274 From the Director of Public Instruction No 311, dated 13-2-1904.

SUBJECT.

Temporary removal to Trichinopoly of the Govt. Training School for masters at Coimbatore.

The Director requests sanction for the temporary removal to Trichinopoly of the Government Training School for masters at Coimbatore owing to the prevalence of plague at the latter station. When the Director proposed in 1902 the transfer of the headquarters of the assistant inspector of Schools, Ceded districts division, from Bellary to Anantapur on account of the prevalence of plague at the former station, the Government declined to sanction the transfer - Vide G.O. no. 31 Educational, Dated 21st January 1902. This is however different from the case of a school which should apparently be either closed or removed. Please see the linked file which deals with a similar application on behalf of the Bellary Training School.

2. The draft placed below is submitted for approval. It will cost something for rent.
