To

The Chief Secretary to Government,
Political Department.

Sir,

To be returned.
I have the honour to forward a petition ^{with enclosures} from Muhammad Bagir ali who prays for exemption from the operation of the examination rules with a view to his being entertained in the public service and for permission being granted ^{him} to appear for the special tests so that he may appear for and pass them to qualify himself for the different branches of Government Service.

2. The petitioner is as he describes the grand-son of the late Honourable Mir Humayoon Jah Bdr. C.S.E. and he appears to me to be an intelligent young man and as he is well connected and apparently well educated this might be a suitable case for Government to make an exception and to grant his request.

I have the honour to be

SIR,

I respectfully beg to invite your attention to the following few lines with a request that you may be pleased to pay to them the consideration they deserve.

2. I would begin by submitting that I am descended from a noble line of chiefs who represented for a considerable time the Moghul power in Southern India through my father and that of the Tipu Sultan of Mysore through my mother, that I am a grandson of the late Hon'ble Mir Humavoon Jah Bahadur, C.I.E., and that the Hon'ble Nawab Syed Mohammad Saheb Bahadur and Mr. Mahomad Razakhan Bahadur, M.C.S., are my maternal and paternal uncles respectively and that my paternal ancestors have been described in the several government despatches as "The Jaghirdar always proved himself a most faithful ally" (vide pages 29—40 and 163 of the North Arcot District Manual).

3. I submit that I have been given a fairly good English education though unfortunately I have not qualified myself for entry into the Government Service by passing any of the University Examinations not having been sent to any Public School for my education, yet I beg to assure you that, as stated above, I have been given a fairly good private education and I hope that I shall be found to be fit for any work and to discharge it faithfully.

3. It may not be out of place here to submit that young men of some means who have no work to attend to and pass their time idly are liable to many a sad temptations and are generally, in course of time, ruined and this is, in my humble opinion, the case especially with young men of my community. I have therefore resolved to get into Government Service and to a memorial submitted to H. E. The Governor-in-Council by my father requesting that I may be exempted from the examination rules which candidates for entry into the Public Service are required to pass and to be permitted to appear for the Criminal Judicial & Revenue Tests Higher Grades, in order that I may appear for and pass the Special Tests essential for the Superior Service of Government and ultimately rise to positions of trust, as has been done in the case of several other persons, the Government was pleased to pass an order to the effect that such applications will receive their attention only if they came through the Head of a Department.

Has been 7 years in the Board High School Chellur

5. I submit that I was surprised to have received this order first as I was at a loss to understand why the Government should not have been pleased to encourage one, like your petitioner who was anxious to get into Service, when I personally knew that many a young men of very little knowledge and position were fortunate enough to get such exemptions. I thought that this was certainly due to my bad luck and therefore called on a Gentleman who told me that as the Government was being often bothered with petitions for exemptions from private persons it was obliged to make it a rule not to pass any orders on such petitions unless they came through the Head of a Department and that this accounted for the order that was passed on our petition but that my case will receive the best attention of Government if my services were applied for by any Head of a Department.

6. Under the foregoing circumstances I respectfully request You, Sir, to be pleased to apply, for an exemption on my behalf from the examination rules which candidates for entry into the Public Service are required to pass and to be permitted to appear for the Criminal Judicial and Revenue Tests Higher Grades so that I may pass them in course of time and ultimately rise in the Government Service, should you please think that a young man of my connections deserves encouragement. For this act of kindness I shall, as in duty bound, ever pray.

I remain, Sir,

Your most obedient servant,

M. Bakir Ali

As I paid my respects to you in person

formed an opinion about my ability
in the English Language. It is unfortunate
indeed that I should not have been

University Examination, having been

I beg you will please, under the cir-
cumstances be pleased to dispose of
the matter in the best way you deem
fit.

CHITTUR (NORTH ARCOOT):

January 16, 1904.

I have known Bagji M.
as a pupil of this school
for the past three years.
During this time I have
found him intelligent
and very well-behaved.
He was in our Rathi-
culation class last
year, and possesses
a very fair knowledge
of English. I shall certainly
be glad to hear of

any encouragement
 that may be offered
 this young man for
 enabling him to better
 his future prospects, which
 it is my wish, should
 be keeping in
 the present year
 family to which he
 belongs.

The petitioner is not a Carnatic shipyard clear. 19.2.04 and it is not known why the Paymaster has thought fit to make a recommendation in this case.
