To

The Chief Secretary to Government,

Judicial Department.

Fort Saint George.

Sir,

I have the honour to submit herewith an application from M. Saadatullakhan, a grandson of the late Mir Humayoon Jah Bahadur, C.I.E., and to state that if Government will be pleased to exempt him from the examination rules, I shall be glad to give him an appointment in the Registration department.

2. Besides being highly connected, as stated in his application, the young man appears to have received a good general education. He talks English well and his handwriting is good.

3. Though in his application he requests (1) to be exempted from passing the examinations required for appointment to superior posts in the public service and (2) to be permitted to appear for the Criminal, Judicial and Revenue tests, Higher grade, he has told me in a personal interview I had with him, that for the present he will limit his prayer to the first request.

4. I beg accordingly to recommend that he may be exempted from passing the general educational tests required for appointment to a superior post, carrying a pay of Rs. 15 per mensem and upwards.

I have the honour to be,

Sir,

Your most obedient servant,

Inspector General of Registration

Madras.

SIR,

I respectfully beg to invite your attention to the following few lines with a request that you may be pleased to pay to them the consideration they deserve.

2. I would begin by submitting that I am descended from a noble line of chiefs who represented for a considerable time the Moghul power in Southern India through my father and that of the Tipu Sultan of Mysore through my mother, that I am a grandson of the late Hon'ble Mir Humayoon Jah Bahadur, C.I.E., and that the Hon'ble Nawab Syed Mohammad Saheb Bahadur and Mr. Mahomad Razakhan Bahadur, M.C.S., are my maternal and paternal uncles respectively and that my paternal ancestors have been described in the several government despatches as "The Jaghirdar always proved himself a most faithful ally" (vide pages 29-40 and 163 of the North Arcot District Manual).

not available in the library

3. I submit that I have been given a fairly good English education though unfortunately I have not qualified myself for entry into the Government Service by passing any of the University Examinations not having been sent to any Public School for my education, yet I beg to assure you that, as stated above, I have been given a fairly good private education and I hope that I shall be found to be fit for any work and to discharge it faithfully.

3. It may not be out of place here to submit that young men of some means who have no work to attend to and pass their time idly are liable to many a sad temptations and are generally, in course of time, ruined and this is, in my humble opinion, the case especially with young men of my community. I have therefore resolved to get into Government Service and to a memorial submitted to H. E. The Governor-in-Council by my father requesting that I may be exempted from the examination rules which candidates for entry into the Public Service are required to pass and to be permitted to appear for the Criminal Judicial & Revenue Tests Higher Grades, in order that I may appear for and pass the Special Tests essential for the Superior Service of Government and ultimately rise to positions of trust, as has been done in the case of several other persons, the Government was pleased to pass an order to the effect that such applications will receive their attention only if they came through the Head of a Department.

B

5. I submit that I was surprised to have received this order first as I was at a loss to understand why the Government should not have been pleased to encourage one, like your petitioner who was anxious to get into Service, when I personally knew that many a young men of very little knowledge and position were fortunate enough to get such exemptions. I thought that this was certainly due to my bad luck and therefore called on a Gentleman who told me that as the Government was being often bothered with petitions for exemptions from private persons it was obliged to make it a rule not to pass any orders on such petitions unless they came through the Head of a Department and that this accounted for the order that was passed on our petition but that my case will receive the best attention of Government if my services were applied for by any Head of a Department.

6. Under the foregoing circumstances I respectfully request You, Sir, to be pleased to apply, for an exemption on my behalf from the examination rules which candidates for entry into the Public Service are required to pass and to be permitted to appear for the Criminal Judicial and Revenue Tests Higher Grades so that I may pass them in course of time and ultimately rise in the Government Service, should you please think that a young man of my connections deserves encouragement. For this act of kindness I shall, as in duty bound, ever pray.

I remain, Sir,
Your most obedient servant,

M Saadatulla Khan

C. No. 326 From the G. of Registration No 1771, dated 17-2-1904.

SUBJECT.

Exemption from the examination rules.

The Inspector General of Registration forwards with recommendation an application for exemption from the examination rules from Mr. Saadat-ullah Khan, a grandson of the late Mir Humayun Jah Bahadur, and states that if the Govt. would exempt the applicant, he would be glad to give him an appointment in the Registration department. This young man is the second son of Muhammad Mahdi Khan Sahib Bahadur who in April last applied through the Collector of N. Arcot that his three sons might be exempted from the examination rules and permitted to appear for the criminal and the revenue tests, higher grade, but in G.O. No. 18926. of 27th April 1903^{re} was informed that applications on behalf of unpassed candidates wishing to enter the public service should be made to the head of the department which the candidates wished to enter. Muhammad Mahdi Khan^{however,} again submitted another application and renewed his former prayer that his sons might be permitted to appear for

RN 2112/04.

for the criminal and revenue tests, higher
grade and ^{again} but his request was refused -
vide G.O. no. 595 Est. 27th Decr. 1903.

Saadat-ullah went up for the last
matriculation examination, but apparently
was not able to get through. ~~He is reported~~
~~to have only about 17 years of age and is~~
~~not even in his studies for some time~~
~~longer.~~ A similar application from
Muhammad Baqi Ali, the last son
of Muhammad Mahdi Khan has been
received from the paymaster of Carnatic
Stipends and is proposed to be merely
recorded - Please see the linked file.

In his L.O. of the 21st Novr. 1903 Mr.
Vaughan doubted whether any of the
sons of Mahdi Khan deserved any conces-
sion. Orders are solicited. The Dy. of

Reg. Registration being prepared to ^{take} ~~place~~ him on
29/1/04 the exemption may perhaps be granted so far
as the Registration Deptt is concerned. A

draft is placed below for approval.
29/1/04 In his petition to the Dy. of

Registration petitioner explains his not
having been able to pass any university
examination by stating that he had
not "been sent to any public school for
his education". This statement is false. He
has attended the Board High School, Chittoor,

for the last seven years, - He is only
18 now and there is no reason why
he should not appear for matriculation
again. He was sent up for matriculation
last year, and must have failed; he is
now trying to pass by a back door; brag
about his family and tells lies about
not having been sent to school.

My 1.3.4

It is true that Mr. Vaughan's D.O. dated 21.11.03 in
G.O. 595 - d. 2.12.03 shows the youth's Father,
Uncle, & elder brother in an undesirable light. It
is true, also, that the printed petition to the Dy. of Reg.
in the present current contains a mis-statement of
fact. The only question whether the Petitioner, who
is only 18, being a Muhammedan of a family
once belonging to the ruling class, should not be
given a trial in the Public service. He will, as
likely as not, prove worthless, & it may be said
that the public service should not be burdened with
such experiments. But there is some ^{political} advantage
if these young members of old families can be
employed honestly & honourably, & I think an
exemption may be given, as the Dy. of Reg. is
ready to employ the young man. In view of
G.O. No 595 - d. 2.12.03, the case is submitted for
orders.
