Chief Engineer, Public Works Department.
 Secretary to Government.

Sir,

I have the honor to acknowledge the receipt of your letter of the 1st inst. in relation to the subject of the proposed extension of the Tidal Lock, Marudipatam, to the W. G. of the Eastern Division, dated 21.1.04.

I have the honor to inform you that the same has been forwarded to the proper authorities for their consideration.

I am, Sir, very respectfully,
 Yours faithfully,
 [Signature]

From L. V. Krishnappa Lock Superintendent
 Tidal Lock, Marudipatam, to W. G. of Eastern
 Division, dated 21.1.04.

I most respectfully beg to bring the following few lines for your Honour's kind consideration:-

I have served in the P.W. dates from the 1st February, 1895 when I was entertained as assistant clerk in the Quarter Sub Division office attached to Kistna Northern Division and I served in that capacity for over 5 years, during which period I had myself thoroughly at home in all branches of the accounts. I was also an overseer's clerk for about 3 years. The enclosed copies of testimonials, among which will be found those granted by Major W. H. Ellis, R.E. and Mr. Khargat Esquire, will bear ample testimony to the manner in which I acquitted myself in the discharge of my duties.

of my duties throughout the whole period
of my temporary service. In view of the
very limited scope which the field of
civilian branch of public service affords
for the confirmation and the promotion
of unpassed candidates, I had to take
recourse to the only alternative of seeking
a permanent and honorable footing
as a Lock Superintendent which your
honour was graciously pleased to bestow
upon me.

On the recent death of my father, who
was a retired Lock Superintendent,
having rendered 40 years service to the
Government, the whole burden of protecting
my large family has devolved upon
me and I find it next to impossible
to provide them at least with the barest
necessities of life.

Under these circumstances I beg that your
honour will be pleased to obtain for me

an exemption for employment as a 1st grade
Wharf Superintendent on Rs. 20 which is the
highest position which I can expect to rise
to before my retirement.
For which act of kindness and charity I shall
ever pray for your longevity and prosperity.

TESTIMONIALS.

Copies of Testimonials & recommendations made in favor of

L. V. Kristniah.

He has been working in the Sub-Division as assistant Sub-Divisional clerk for the last four years and has worked under me for nearly two years. During this time he has given me full satisfaction. He is intelligent, hardworking and he well deserves to get a permanent post.

Bearer L. V. Kristniah was assistant clerk under me in the Guntur Sub-Division for upwards of a year. He is willing, smart, intelligent & hardworking. Though unpassed, he is far above the average of passed men of his class. He is well up in his work and has good experience in clerical as well as the accounts branch. I have no doubt he will make an efficient Sub-Divisional clerk. He has given me entire satisfaction in the discharge of his duties and his conduct has been uniformly good while he served under me.

Endorsement on L. V. Kristniah's application for the post of Head accountant Ship of the Masulipatam Municipality—No. 1825 dated 1-1-98.

The applicant is a young, smart, intelligent and hardworking man and has given entire satisfaction in the discharge of his duties to all his superiors and has shown great aptitude for accounts. I strongly recommend him for the post which requires a knowledge of accounts and I have not the slightest hesitation that he will give satisfaction should he be favored with the appointment as he is exceptionally clever.

Endorsement of Sub-Divisional Officer Guntur on L. V. Kristniah's application dated 3-6-98 for a wharf superintendent's post in Kistna Eastern Division No. 352 of 4-6-98.

Submitted through the Executive Engineer Kistna Northern Division for favor of consideration. I need not often repeat the capabilities of the applicant, as I have more than once specially and strongly recommended him on different occasions. The Executive Engineer will please concur with me and endorse my opinion, as he is much more aware of the clerk than myself. I should be very glad if L. V. Kristniah be favored with the post applied for, as there is no probability of his being given a permanent place in the clerical branch as per recent rules, though he is far above the average of passed men of his class and is exceptionally clever and I think can manage a Sub-Division efficiently without help.

Endorsement on petition from Clerk L.V.Kristniah requesting to consider his claims of seniority and despatch with the services of a junior man and retain him in service or to favour him with the Tidal Lock Supdt's post vacant.

Submitted. The applicant is hardworking and intelligent. I need not write much of him, as the testimonials he submits from officers of high standing, speak for themselves. In consideration of the long service he seems to have put in in the Department, I recommend that his services may not be dispensed with and if possible he may be retained with me only, as he is thoroughly acquainted with work of my section, as the new man that may come here will be stranger. If for any reasons he is to be relieved from here I strongly recommend that he may be favoured with the Tidal Lock Supdt's post as desired by him. It will be a great pity, if he is altogether removed from the service, which I hope will not please the superiors to do.

Forwarded with favourable recommendation. During the 3 months he was in the section I found L.V.Kristniah to be very hard-working, intelligent and industrious. He is much acquainted even with the work of the Sub Division. He has given me entire satisfaction in every respect. The printed testimonials themselves will speak well of his capabilities. I strongly recommend for his retention unless unavoidable with me only.

L.V.Kristniah was my clerk for a month in the Bander Section. I found him intelligent, and hard working. He is punctual, keeps papers etc., in good order, thereby helping a great deal in disposing of references and keeping the office books etc., upto date. Letter No. 566S, E of 7-11-01, from P.Hawkins Esquire., Executive Engineer, Kistna Eastern Division to the Superintending Engineer, 2nd Circle.

I have the honour to report that the services of the temporary clerk L.V.Kristniah under the Overseer, Devi were recently dispensed with by me, on a passed candidate becoming available. The clerk in question has a continuous service of 6½ years in this department, during which period he has been exempted from examination. He has particularly good testimonials from several officers of the department copies of which together with an application from him are forwarded herewith, and I have the honour to enquire whether in the circumstances and as his work have been very satisfactory, his services may be retained in the department. It seems desirable to encourage satisfactory workers.
