To

The Chief Secretary to Government,

Sir,

To

His Excellency The Right Honourable,

The Governor-in-Council,

Fort St. George,

MADRAS.

The humble petition of Muham-
mad Abdul Khaliq Shadi great grand
son of Nawab Wallajah of the Carnatic

Most Respectfully Sheweth,

That your Excellency's humble memorialist is closely
connected with the illustrious Carnatic family, as will be
explained by the Genealogical table enclosed herein.

2. That the pension (Rs. 55/-) which the father of the
memorialists had been in receipt of was after his death on
the 19th December 1890 divided amongst his family consisting
of his Shadi widow, 2 Shadi daughters and 2 Shadi sons, so
that each son got a share of Rs. 14-8-0, to his credit and
each daughter and widow Rs. 7-4-0.

3. That in pursuance of a Government ruling then in --
force to the effect that all pensions below Rs. 15/- awardable
after date when these rules come into force, were to be com-
muted, the right of the memorialist to enjoy this pension
month after month was restricted and to him was allowed an
amount in commutation of his pension.

4. That from this amount the memorialist had been able
to maintain himself and his family till now and to educate
himself up to the Matriculation Standard in Harris High --
school.

✓

5. That the period for which commutation was allowed has expired and having spent this sum in rightful causes of educating himself and maintaining his family, the memorialist is put to strange difficulties by being deprived of a pension which otherwise would at least have assured him of his daily bread.

6. That your Excellency's humble memorialist who is now already in his 25th year considerably fears that should he not soon succeed in procuring himself with any situation in Government service, his advanced age may permanently bar his entertainment in public service.

7. That the humble memorialist did with this object make efforts in various Public Offices and has been intimated in return that he will be entertained should he procure himself with an exemption from the operation of the Examination rules.

8. That in his last attempt with Mr. S. D. Pears, President, Madras Municipal Commission, he has been informed by the following written endorsement on his application dated 22-2-1904, that "the undersigned has no objection to give -- the petitioner a trial when opportunity offers if he can get exempted from Matriculation.

9. That therefore the memorialist humbly prays that your Excellency may be graciously pleased to extend the privilege which has been set apart as an exclusive birth right of the broken down members of illustrious families by exempting him from the operation of the Upper Secondary Examination, so -- that he may thereby be qualified for entertainment in the Public Service.

10. That the memorialist begs to mention as an instance the case of his elder brother Muhammad Abdul Basith, ^{Sahib} who was enabled to get a Sub Inspectors post in the Salt and Abkari Department after the Government had procured him with

such

Z such an exemption (vide G. O. No. 166 Educational dated 26th March 1896). Should the extension of this privilege to him as a right be considered impossible the memorialist humbly prays that your Excellency in Council may be graciously pleased to extend to him at least as a boon in honor of the Coronation of His Imperial Majesty King Edward VII King of Great Britain, Ireland and the Emperor of India and the Colonies, whose Royal Suzerainship was proclaimed at Delhi last year with so much pomp and celebraty.

That for this most gracious act the humble memorialist will ever pray that the sun of your Excellency's prosperity may loom large into ever-increasing progress and renown.

Your Excellency's Most Humble and Obedient Servant,

Muhammad Abdul Wahid

SUBJECT.

Exemption from the examination rules

This is the seventh application for exemption from this man. His case was already considered in G.O. no. 516 Est. of 17th August 1898 and no. 117 Est. of 4th March 1901 and Govt. declined to exempt him from the examination rules. Since then he has been submitting to Govt. copies of former petitions and to two of them replies were given in terms of paragraph V(3) of the C. petition rules. These were lodged. In the present petition he makes no reference to previous correspondence. May it be lodged? If not an endorsement in terms of para. XIII of 16/3/4 the C petition rules may be given.

Para. ~~III~~ as he will then have an opportunity of applying through the President Municipal Council who has made him a conditional offer
