III.

Resolved,—That the Secretary be directed to forward to Government the two accompanying statements showing the number of the girls in the Military Female Orphan Asylum at present distributed under the classification of the Lawrence Asylum and that he informs Government that the Governors consider that as their responsibility is in the first instance to the girls now in the Military Female Orphan Asylum, it is desirable that such of the girls as are not transferred to the Civil Orphan Asylum should be transferred to the Lawrence Asylum at Ootacamund.

The Lawrence Asylum authorities have consented to take only 45 girls from the Military Female Orphan Asylum presumably because the Female branch of the Lawrence Asylum only admit Europeans.

It will be seen from the attached that the Military Female Orphan Asylum has on its roll 78 girls, the daughters of Europeans.

The Governors might think fit to pass a resolution that 100, or as many as may be available within this number, be sent.

IV.

Resolved,—That it be suggested to Government that, in consideration of the large amount of property transferred by the Military Female Orphan Asylum to the administration of the Lawrence Asylum, the present Governing Board of the Military Female Orphan Asylum should be represented on the Committee of the Lawrence Asylum.

In view to safeguard the interests of the Military Female Orphan Asylum, it is a matter for consideration whether the President and the Vice-Presidents of the Military Female Orphan Asylum should not be members of the Lawrence Asylum after the amalgamation.

V.

Resolved,—That the Governors consider that the cost of the maintenance of the outboarders should be paid for out of the funds of the Military Female Orphan Asylum transferred to the Lawrence Asylum.

The following points appear to require consideration in connection with the scheme:—

(1) Cost of the outboarders amounting to Rs. 40 per mensem.

EDUCATIONAL DEPARTMENT.

NOTES CONNECTED WITH G.O., No. 213, EDUCATIONAL, DATED 5TH APRIL 1904.

[SUBJECT.—*Amalgamation of the Military Female Orphan Asylum with the Lawrence Asylum.*]

From the Secretary, Military Female Orphan Asylum, No. 145, *dated* *March* 1904.

The Governors of the Military Female Orphan Asylum now make three requests in connection with the transfer of their Asylum to Ootacamund—

(1) that such of the girls now in the Military Female Orphan Asylum as are not transferred to the Civil Orphan Asylums should be transferred to the Lawrence Asylum;

(2) that the present governing Board of the Military Female Orphan Asylum should be represented on the Committee of the Lawrence Asylum, and

(3) that the cost of the maintenance of the out-boarders of the Military Female Orphan Asylum should be paid out of the funds transferred to the Lawrence Asylum.

2. As regards the first of these requests, it is stated that at present there are 40 girls in the Military Female Orphan Asylum, both of whose parents were Europeans and 38 more, one of whose parents was an European, and that there are 39 more, both of whose parents were East Indians of European descent. The Committee of the Lawrence Asylum has, however, it is represented, consented to take in only 45 girls of European parents, and the Directors of the Civil Orphan Asylums will take only 30 of the remaining girls while no arrangement has been made for the number that still remains. It is submitted that the Government has not accepted the Lawrence Asylum Committee's proposal to take in only 45 girls. The orders * were that all girls eligible for admission under existing rules should be taken, up to a maximum of 100. These orders may be maintained and 87 girls selected for transfer to the Lawrence Asylum, the remaining 30 being sent to the Civil Orphan Asylums.

* G.O., No. 74, dated 29th January 1904.

3. In regard to the second request, the Committee of the Lawrence Asylum now † consists of the Brigadier-General Commanding the Southern District, the Collector of the Nilgiris, the Assistant Adjutant-General, the Assistant Quartermaster-General, the Senior Medical Officer at Ootacamund, the Commandant of the Depôt at Wellington and three non-officials resident at Ootacamund and elected by the Committee. ‡ The Lieutenant-General Commanding the Forces and the Lord Bishop of Madras are *ex-officio* Patrons. The request of the Governors of the Military Female Orphan Asylum to be represented on the Committee of the Lawrence Asylum appears to be a reasonable one. For this purpose, therefore the strength of the Committee may be raised by three—the total will then be twelve—and rule 3 of the Asylum rules altered. The constitution of the governing body of the Military Female Orphan Asylum is given on page 1216 of the Lawrence Asylum Almanack. The Lieutenant-General and the Lord Bishop are among the Vice-Presidents of this Asylum, the members of Government are also Vice-Presidents. The Consulting Architect, the Venerable the Archdeacon, the Surgeon-General, Major Formby, Major Dobbs, Lieut.-Col. Downing, Col. Boulderson, Col. Love, R.E., and Col. Browne, I.M.S., are among the Governors. Any three of these may be put on the Lawrence Asylum Committee if the amalgamation actually takes place, either by office or by nomination by Government.

† Rule 3 on page 8 of G.O., No. 689, Educational, dated 22nd December 1900.

‡ Rule 65 on page 13 of G.O., No. 689, Educational, dated 22nd December 1900.

4. The cost of the maintenance of out-boarders is only Rs. 40 per mensem and this may be ordered to be paid out of the funds of the Military Female Orphan Asylum to be transferred to the Committee of the Lawrence Asylum.

P. T. THARYAN—14-3-04.

Are these additional conditions about out-boarders and representations on the Committee to be put in the scheme under the Charitable Endowments Act?

P. T. THARYAN—31-3-04.

Submitted to Honourable Member for approval.

2. The only new point involved is the addition to the Lawrence Asylum Committee of three members (nominated by Government) from among the Governing Body of the Military Female Orphan Asylum. This seems a not unreasonable proposal. The three Governors who would thus be added to and become Members of the Lawrence Asylum Committee might be the Surgeon-General, the Archdeacon and the Government Architect (for the present), and it might not be unsuitable to add the two Members of Council (who are now Vice-Presidents of the Military Female Orphan Asylum*) to the Patrons of the Lawrence Asylum (page 1362, Lawrence Asylum Press Almanack).

*Page 1216, Lawrence Asylum Press Almanack.

A. G. CARDEW—31-3-04.

I see no objection to adding to the list of committee as proposed.

2. I don't see what the advantage would be of making Patrons of the Members of Council. The Patrons' powers are given in rule 65: the Government are over and above all.
