To

The Secretary to Government

Local and Municipal Department

Madras.

Sir,

I beg to place before you the following for your kind and favourable consideration.

1. I submit that at the request of the Collector of Malabar I deposited Rs 12,500 at the Local Treasury on the 8th September last.

2. I understand that, early in February last, the owners and tenants of the piece of land intended for the site of the proposed School-house were all paid and that the land is now in the hands of the Collector.

3. I beg to submit that the houses on the said land have all been vacated some time and that white ants are eating them up since there are no occupants to look after them.

4. I beg to submit that, in Malabar, this is the best season for commencing building operations and that it is necessary at least to lay the foundation before the rains set in.

5. All the necessary local arrangements have been made.

is at present located in a temporary shed and this can be done only when we remove to the new building. It is therefore our earnest desire that we should finish the proposed building within as early a date as possible.

Under the above circumstances I pray that you may be pleased to give us permission to enter upon the land, to clear the ground, to collect materials and to commence operations, pending the formal execution of the necessary documents.

I have the honour to be,
Sir,
your most obedient servant,
H. Knobloch.
Manager.
