Government Schools in Coorg.

Approving, subject to certain modifications, the rules for the inspection and control of —
submitted by the Director of Public Instruction.

GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

Read—the following paper :—

From the Hon'ble Mr. A. G. BOURNE, D.Sc., F.R.S., Director of Public Instruction, Madras, to the Secretary to Government, Educational Department, dated 11th February 1904, Ref. C. No. 430.

With reference to G.O., No. 2, Educational, dated 2nd January 1902, approving certain alterations in the rules for the inspection and control of the schools in Coorg and Bangalore, I have the honour to state that the Commissioner and the Chief Commissioner consider that the rules relating to the schools in Coorg should be set forth separately and that certain modifications should be made in the existing rules to suit the requirements of this province. The Commissioner has drawn up the accompanying set of rules and the Chief Commissioner has approved them; I beg to request that you will be good enough to obtain the concurrence of the Madras Government therein.

2. The modifications proposed by the Commissioner and approved by the Chief Commissioner are as follow :—

Rule 2.—The rule has been found to cause great delay in the disposal of routine matters. For the purpose of securing the general control of the Chief Commissioner it seems to be sufficient if his orders are taken in regard to (a) the annual report, (b) the annual budget and the modifications thereof requiring his sanction, (c) important changes in policy and (d) the appointment and dismissal of the headmasters of the two secondary schools and the training school. In this view both the Chief Commissioner and the Commissioner agree.

Rule 14.—It is proposed to modify this rule so as to empower the Director to make all appointments carrying salaries above Rs. 30 except that of the headmasters of the two secondary schools and the training school, in which case the orders of the Chief Commissioner are to be taken.

ENCLOSURE.

Rules of the Inspection and Control of Government Schools in Coorg.

1. The Government schools in Coorg shall, for administrative and educational purposes, be placed under the Director of Public Instruction subject to the general control of the Chief Commissioner.

2. For the purposes of securing the general control of the Chief Commissioner it shall suffice if his orders are taken in regard to (a) the annual report, (b) the annual budget and modifications thereof requiring his sanction, (c) important changes in policy and (d) the appointment and removal of the headmasters of the two secondary schools and the training school. In regard to the details of the administration it shall be unnecessary to address the Chief Commissioner in the absence of a special requisition for information, but in order to secure that due weight is paid to local conditions, it shall be a rule of practice that communications between educational officers stationed in the province on the one hand and the Inspectors or the Inspectress of schools or the Director of Public Instruction on the other hand, shall pass through the Commissioner of Coorg in all cases where the disposal of the matter in issue might be prejudiced if dealt with merely on the recommendation of subordinate officials.

NOTE.—Correspondence relating to accounts, discipline, internal management, routine and purely technical questions should ordinarily go direct to and from the Inspectors or the Inspectress of schools, but in all matters where the Commissioner's local knowledge, whether in regard to personal questions or other matters, might be of service that officer should be given an opportunity of (a) expressing his opinion and (b) referring the question to the Chief Commissioner in cases where it is proposed to disregard his recommendation. See also rules 10 to 13 *infra*.

3. The inspection and examination of schools in Coorg shall vest in the Inspectors and the Inspectress within whose local jurisdiction the province falls, and in the exercise of their duties they shall be assisted by the Sub-Assistant Inspector stationed at Mercara and any other subordinate officer who may hereafter be authorized in that behalf by the Chief Commissioner.

4. Secondary schools in Coorg shall be inspected and examined by the Inspector or the Inspectress as the case may be and training schools by the Inspector of European and Training schools, such assistance as they may require being rendered by the Sub-Assistant Inspector.

5. The inspection and examination of primary schools shall devolve on the Sub-Assistant Inspector, aided by any subordinate officer duly authorized in that behalf. It shall, however, be the duty of the Inspector and Inspectress on their tours through Coorg, themselves to inspect and examine as many primary schools as practicable, and they shall arrange their tour programmes in communication with each other in such a way as to avoid simultaneous requisitions for the services of the Sub-Assistant Inspector.

6. The travelling allowance admissible to the Inspectors and the Inspectress and their establishment while touring in Coorg shall be debitable to Coorg revenues.

7. The general rules relating to the inspection and examination of schools embodied in the Madras Educational Rules shall apply to the inspection and examination of schools in Coorg so far as they are not inconsistent with any orders issued by the Chief Commissioner.

8. Reports in the prescribed form detailing the results of visits of inspection and examination shall be submitted to the Director of Public Instruction through the Commissioner.

9. Communications from the heads of secondary and training schools shall be addressed to the Inspectors or the Inspectress, while the headmasters of primary schools shall communicate with the Sub-Assistant Inspector.

10. The appointment, leave, transfer, removal and punishment of Government teachers and other Government servants shall vest in the Inspectors or the Inspectress, provided their pay does not exceed Rs. 30 per mensem, and in the Director of Public Instruction in all other cases except those of the headmasters of the two secondary schools and the training school in which instance the orders of the Chief Commissioner shall be taken. At the close of each quarter a return of appointments, etc., made by the Inspector or the Inspectress shall be furnished to the Director through the Commissioner and a similar return of appointments made by the Director shall be furnished to the Chief Commissioner through the same channel.

11. Contingent bills relating to the various Government schools and educational establishments in the province shall be passed on the countersignature of the Commissioner of Coorg.

12. The Inspectors and the Inspectress shall submit budget estimates of receipts and charges to the Director by the 15th of August each year, so as to enable that officer to prepare a consolidated budget to be forwarded to the Commissioner of Coorg not later than the 15th September, for the purpose of incorporation in the general budget of the province. They shall be prepared in accordance with the instructions issued for the preparation of departmental budgets by the Director's office, subject to any special orders of the Chief Commissioner.

13. An annual report on the state and progress of education will be transmitted to the Commissioner of Coorg by the Director of Public Instruction, not later than the 1st of July in each year, for incorporation in the administration report of the province. Such report shall be drawn up on the lines followed in the educational section of the provincial report for the preceding year, unless the Chief Commissioner directs any modification in form, and it shall rest with the Director to decide by whom such consolidated report shall be prepared.

14. Educational appointments in Coorg carrying a salary of Rs. 50 and upwards per mensem shall be treated as if they were included in the Madras provincial or subordinate educational service with corresponding emoluments, and incumbents thereof shall be eligible for transfer to and promotion in the Madras educational service.

ORDER—No. 222, Educational, dated 6th April 1904.

Subject to the following modifications the rules submitted with the Director's letter read above are approved :—

(1) *Rule 1.*—After the words "Director of Public Instruction" the words "in Madras" should be inserted.

(2) The second of the rules printed in G.O., No. 2, Educational, dated 2nd January 1902, should be inserted as rule 2.

(3) *Rule 3.*—For the words "schools in Coorg" the words "these schools" should be substituted.

(4) *Rule 6.*—Between the words “admissible to” and the words “the Inspectors” the words “the Director of Public Instruction” should be inserted.

(5) *Rule 10.*—Between the words “appointment” and “leave” in line 1, the word “dismissal” should be inserted. The following sentence should be inserted as the second sentence of this rule:—

“An appeal shall lie to the Director against all orders inflicting a punishment which are passed by the Inspectors or the Inspectress under this rule and to the Chief Commissioner against all such orders passed by the Director. Provided that in no case shall a second appeal lie.”

(6) *Rule 14* should be omitted.

2. The rules as thus modified are printed as an appendix to this order.

(True Extract.)

A. G. CARDEW,
Ag. Secretary to Government.

To the Director of Public Instruction.
„ Accountant-General.

[Appendix.

APPENDIX.

Rules of the Inspection and Control of Government Schools in Coorg.

1. The Government schools in Coorg shall, for administrative and educational purposes, be placed under the Director of Public Instruction in Madras subject to the general control of the Chief Commissioner.

2. All correspondence between the Inspecting officers of the Madras Educational department and the Chief Commissioner of Coorg shall pass through the Director.

3. For the purposes of securing the general control of the Chief Commissioner it shall suffice if his orders are taken in regard to (a) the annual report, (b) the annual budget and modifications thereof requiring his sanction, (c) important changes in policy and (d) the appointment and removal of the headmasters of the two secondary schools and the training school. In regard to the details of the administration it shall be unnecessary to address the Chief Commissioner in the absence of a special requisition for information, but in order to secure that due weight is paid to local conditions, it shall be a rule of practice that communications between educational officers stationed in the province on the one hand and the Inspectors or the Inspectress of schools or the Director of Public Instruction on the other hand, shall pass through the Commissioner of Coorg in all cases where the disposal of the matter in issue might be prejudiced if dealt with merely on the recommendation of subordinate officials.

NOTE.—Correspondence relating to accounts, discipline, internal management, routine and purely technical questions should ordinarily go direct to and from the Inspectors or the Inspectress of schools, but in all matters where the Commissioner's local knowledge, whether in regard to personal questions or other matters, might be of service that officer should be given an opportunity of (a) expressing his opinion and (b) referring the question to the Chief Commissioner in cases where it is proposed to disregard his recommendation. See also rules 11 to 14 *infra*.

4. The inspection and examination of these schools shall vest in the Inspectors and the Inspectress within whose local jurisdiction the province falls, and in the exercise of their duties they shall be assisted by the Sub-Assistant Inspector stationed at Mercara and any other subordinate officer who may hereafter be authorized in that behalf by the Chief Commissioner.

5. Secondary schools in Coorg shall be inspected and examined by the Inspector or the Inspectress as the case may be and training schools by the Inspector of European and Training schools, such assistance as they may require being rendered by the Sub-Assistant Inspector.

6. The inspection and examination of primary schools shall devolve on the Sub-Assistant Inspector, aided by any subordinate officer duly authorized in that behalf. It shall, however, be the duty of the Inspector and Inspectress on their tours through Coorg, themselves to inspect and examine as many primary schools as practicable, and they shall arrange their tour programmes in communication with each other in such a way as to avoid simultaneous requisitions for the services of the Sub-Assistant Inspector.

7. The travelling allowance admissible to the Director of Public Instruction, the Inspectors and the Inspectress and their establishment while touring in Coorg shall be debitable to Coorg revenues.

8. The general rules relating to the inspection and examination of schools embodied in the Madras Educational Rules shall apply to the inspection and examination of schools in Coorg so far as they are not inconsistent with any orders issued by the Chief Commissioner.

9. Reports in the prescribed form detailing the results of visits of inspection and examination shall be submitted to the Director of Public Instruction through the Commissioner.

10. Communications from the heads of secondary and training schools shall be addressed to the Inspectors or the Inspectress, while the headmasters of primary schools shall communicate with the Sub-Assistant Inspector.

11. The appointment, dismissal, leave, transfer, removal and punishment of Government teachers and other Government servants on salaries not exceeding Rs. 30 per mensem shall vest in the Inspectors or the Inspectress, and in the Director of Public Instruction in all other cases except those of the headmasters of the two secondary schools and the training school in which instance the orders of the Chief Commissioner shall be taken. An appeal shall lie to the Director against all orders inflicting a punishment which are passed by the Inspectors or the Inspectress under this rule and to the Chief Commissioner against all such orders passed by the Director. Provided that in no case shall a second appeal lie.

At the close of each quarter a return of appointments, etc., made by the Inspector or the Inspectress shall be furnished to the Director through the Commissioner and a similar return of appointments made by the Director shall be furnished to the Chief Commissioner through the same channel.

12. Contingent bills relating to the various Government schools and educational establishments in the province shall be passed on the countersignature of the Commissioner of Coorg.

13. The Inspectors and the Inspectress shall submit budget estimates of receipts and charges to the Director by the 15th of August each year, so as to enable that officer to prepare a consolidated budget to be forwarded to the Commissioner of Coorg not later than the 15th September, for the purpose of incorporation in the general budget of the province. They shall be prepared in accordance with the instructions issued for the preparation of departmental budgets by the Director's office, subject to any special orders of the Chief Commissioner.

14. An annual report on the state and progress of education will be transmitted to the Commissioner of Coorg by the Director of Public Instruction, not later than the 1st of July in each year, for incorporation in the administration report of the province. Such report shall be drawn up on the lines followed in the educational section of the provincial report for the preceding year, unless the Chief Commissioner directs any modification in form, and it shall rest with the Director to decide by whom such consolidated report shall be prepared.

EDUCATIONAL DEPARTMENT.

NOTES CONNECTED WITH G.O., No. 222, EDUCATIONAL, DATED 6TH APRIL 1904.

[SUBJECT.—*Rules for the Inspection and Control of Schools in Coorg.*]

The rules now in force for the inspection and control of schools in the Civil and Military station, of Bangalore and in Coorg are printed as an appendix to G.O., No. 2, Educational, dated 2nd January 1902. The Director says that the Commissioner and the Chief Commissioner of Coorg consider that the rules relating to that Province should be slightly modified and separately set forth and submits a draft drawn up by the Commissioner and approved by the Chief Commissioner. He does not state that this draft has his own approval but he does not raise any objection or propose any modification.

2. The numbers of the existing rules corresponding to the numbers in the draft are noted in pencil on the draft itself. The draft seems to call for the following remarks:—

(1) *Rule 1.*—The first rule speaks of Government schools in Coorg being placed under the control of the Director. There must be also private schools in the province and these too should, it is submitted, be under the control of the Director. The word "Government" should therefore be omitted. The words "in Madras" should at the same time be inserted after "Director of Public Instruction" as in the existing rule.

(2) *Rule 2.*—The second rule requires that "it shall be a rule of practice that communications between Educational officers stationed in the province on the one hand and the Inspectors or the Inspectress of Schools or the Director of Public Instruction on the other shall pass through the Commissioner of Coorg in all cases where the disposal of the matter in issue might be prejudiced if dealt with merely on the recommendation of subordinate officials." This is wanting very much in precision. Very often it may be a matter of opinion what matters in issue might be prejudiced if dealt with merely on the recommendation of subordinate officials. The explanatory note to the rule defines this to some extent, namely, that "in all matters where the Commissioner's local knowledge, whether in regard to personal questions or other matters might be of service, that officer should be given an opportunity of (a) expressing his opinion and (b) referring the question to the Chief Commissioner in cases where it is proposed to disregard his recommendation." Even this is wanting in precision but it is not possible to make it more precise. It seems therefore that an addition should be made to the rule to the effect that whenever the Director or the Inspecting officers in the exercise of their discretion do not send the correspondence through the Commissioner their action should not be called in question. They will of course do their best to prevent the commission of any mistake but if nevertheless any mistake is committed they should not be blamed for it.

A. GALLETTI.

The existing rule 2 provides that all correspondence between the Inspecting officers of the Madras Educational department, and the Chief Commissioner should pass through the Director. In future there will be communications to the Chief Commissioner only in respect of the annual report, the annual budget and modifications thereof, important changes in policy and appointment and removal of certain teachers. Reports and budgets and appointments are provided for in the new rules 13, 12 and 10, respectively. The Director alone should have the power to address the Chief Commissioner about changes in policy and express provision may be made for this.

(3) *Rule 5.*—This rule says that “it shall be the duty of the Inspector and Inspectress on their tours through Coorg themselves to inspect and examine as many primary schools as practicable.” This makes the inspection of primary schools compulsory* and goes far beyond the existing rule 7 under which “it shall be competent to the Inspector or the Inspectress to inspect and examine any schools the annual inspection and examination of which devolve on the Sub-Assistant Inspectors.” In Madras, Inspectors and Inspectresses ‡ have ordinarily no examination work in connection with ordinary primary schools and if this is made compulsory in Coorg there is some danger of its interfering with the work in the Presidency itself. The existing rule should therefore be restored.

A. GALLETTI.

Subject to the control of the Director of Public Instruction who passes the tour programme.

A. G. BOURNE.

† Section VI, chapter IV, page 24, Inspection Code.

The Assistant Inspector examines primary schools in Municipalities and other big stations. As there is no Assistant Inspector in Coorg, the Inspector should do as much of this work as he can himself—see also rule 7 of the draft rules. There are only two secondary schools in Coorg, and the Inspector may very well be asked to examine a few primary schools as well.

A. GALLETTI.

3. The Director may be asked u.o. whether he agrees with the remarks in the foregoing paragraph, and if he does, the Chief Commissioner may be addressed accordingly.

4. The Director may be asked to submit a draft of the rules applicable to the Civil and Military station of Bangalore.

Why not wait for Bangalore to pick holes in the old rules.

A. GALLETTI.

When Coorg is separately provided for it seems that Bangalore also should be.

P. T. THARYAN—14-2-04.

Why has the wording of old rule 1 been altered?

Why has old rule 2 been omitted?

Why has old rule 15 been omitted?

In these three points the draft seems to me to be careless: no reason is given for the alteration and omissions. The omission of rules 2 and 15 affect the powers of the Chief Commissioner and the Director. The effect of omitting rule 2 is to give the Inspectors the power to correspond direct with the Chief Commissioner. But surely no one wants to give them this power. The effect of the omission of rule 15 is to give the Director the power, or to leave it undecided who has the power to dismiss from service, unless new rule 10 is supposed to cover dismissals; new rule 10 has the word “removal”, but “removal” is not as plain as it might be; and if it means “dismissal” does it really mean that the Inspectors are to have power to dismiss Government servants from service?

If so, why not add “subject to appeal to the Director and Chief Commissioner”?

A. GALLETTI.

might be; and if it means “dismissal” does it really mean that the Inspectors are to have power to dismiss Government servants from service?

A. GALLETTI—16-2-04.

I have several times ordered that notes on troublesome and intricate questions, especially those which deal *seriatim* with a number of rules or resolutions, should be written in half margin. An office order to this effect had better now be put in the order book (which I presume is treated as the joint property of Local and Municipal and of Educational), as there seems no other way of getting these instructions observed. The present note should also be recopied and resubmitted.

A. G. CARDEW—17-2-04.

The note has been typed half margin and is herewith resubmitted.

2. An office order is being put into the order book in Local and Municipal. The book is the joint property of Local and Municipal and of Educational.

3. To prevent any error of judgment in this matter care will be taken to use half margin paper for all notes except in very trivial cases.

P. T. THARYAN—18-2-04.

A. GALLETTI—19-2-04.

A reference u.o. to the Director of Public Instruction may be made as proposed. From the late Mr. Stuart's letter, Ref. on Current No. 7965, dated 14th December 1901, in G.O., No. 2, Educational, dated 2nd January 1902, it appears that, even when the joint rules were last revised, there was some doubt as to what classes of schools were intended to be covered. Rule 1 may be meant to include schools aided by Government. Rule 2 requires to be made more definite, if possible. Rule 3 refers to all schools, and not merely to Government schools, and so seems inconsistent with rule 1, as what is under Madras Inspectors should be under the Director of Public Instruction. Rule 5 seems all right and old rule 15 has apparently been omitted in view of new rule 10.

2. But what is the precise scope of new rule 14? Does it give Coorg employés a claim to promotion in Madras grades?

A. G. CARDEW—23-2-04.

To the Director of Public Instruction.

I understand from the Commissioner that the schools in Coorg fall into three categories—

(1) Government schools.

(2) Local fund schools—

(a) Board schools.

(b) Aided schools (*i.e.*, aided from Local funds).

(3) Municipal schools.

The only schools in Coorg aided by Government appear to be Municipal schools towards the upkeep of which the Municipality receives a subsidy.

The rules now under discussion refer solely to Government schools—*vide* heading.

Rules have been drawn up for Local fund schools—rules will be drawn up for municipal schools.

2. *Rule 1.*—“The Government schools in Coorg” might read “These schools” but this is a doubtful improvement.

A | The words “in Madras” may well be inserted as proposed.

3. *Rule 2.*—I took exception at first to the ambiguity noticed but came to the conclusion that the rule might be left as it stands and the question raised if any difficulty occurred. It must be remembered that the whole thing is on a very small scale—it only refers to three schools at present!

The Commissioner in writing to the Chief Commissioner with regard to this matter said “It is difficult to draw a hard-and-fast line between communications which on this principle should and those which should not pass through the Commissioner and the matter must, I think, be left to the discretion of the Commissioner and the Inspector for the time being, special instructions being issued from time to time as may be necessary for the guidance of local educational subordinates.”

Our inspecting officers naturally address the Director of Public Instruction and not the Chief Commissioner, it is hardly necessary to lay this down in a rule.

B | 4. *Rule 3.*—“Schools in Coorg” might read “These schools.”

5. *Rule 5*.—Is, I think, all right. I pass the tour programme and if too much time is spent in Coorg I shall object. There is a tendency to do so. I see that Mr. Logan spent two months in Coorg in 1902-03.

C | 6. *Rule 6*.—It may be desirable to refer also to the Director of Public Instruction's travelling allowances when visiting Coorg.

7. *Rule 10*.—I presume that an appeal lies in all cases of dismissal.

8. *Rule 14*.—Has been included as it has been already approved by Government in the old rules, but whatever may be the practice I should not have laid down any such rule. Separate rules for Bangalore are, at the request of the Chief Commissioner, in preparation and if the rule is omitted now it may be omitted from the Bangalore rules.

A. G. BOURNE—3-3-04.

The Director says that the present rules apply only to Government schools in Coorg, that other rules have been framed for Local fund schools and that a third set will be drawn up for Municipal schools. It is stated that there are only three Government Schools in the Province and the Coorg Administration report for 1902-03 (para. 208) shows that the number of Local fund and Municipal schools is 76 and 2 respectively. Rules 3, 5, 9 and 13 are certainly applicable to all schools but, be this as it may, it seems extremely undesirable to have three sets of rules for the small number of schools in this small Province. If this view is accepted, the Director may be requested to arrange for a consolidated set of rules for all schools.

2. If not, the present rules may be approved with the alterations suggested at A and B on page 3 *supra* and with the omission of rule 5 and of portions of rules 9 and 13 relating to other schools. Rule 14 also may perhaps go out but the Headmastership of the High school at Mercara is included in the Madras Provincial service.

3. As suggested at C, rule 6 may also provide for the Director's travelling allowance when he visits Coorg. For this as well as for the alterations suggested in the foregoing paragraph the approval of the Chief Commissioner will be necessary and the Director will have to be asked in the first instance to obtain it.

P. T. THARYAN—5-3-04.

Why have rules at all for three schools? The rules for Local fund and Municipal schools can no doubt be made, by a little alteration, to apply to these three Government schools.

If these rules are to be approved, it seems to me—

(a) that old rule 2 should be inserted,

D | (b) in rule 10 "dismissal" should be inserted and also words such as "subject to appeal to the Director and the Chief Commissioner."

A. GALLETTI—7-3-04.

The only reason for letting the present draft of rules pass is that it has been prepared, and that it will cause more work to send it back for incorporation with

the other rules than to allow it to go out. I think, therefore, that the rules may be approved subject to the modifications proposed at the passages marked A, B and C in the Director of Public Instruction's u.o. note, dated 3rd March 1904, to the omission of rule 14, to the insertion of old rule 2, and to the amendment of rule 10 proposed by Assistant Secretary at D.

J. T[ROMSON]—9-3-04.

We need not first ask the Director of Public Instruction to get the Chief Commissioner's approval but may approve the rules subject to these changes, leaving the Director of Public Instruction to settle matters with the Chief Commissioner.

A. G. CARDEW—7-3-04.

Agreed. The consideration of this paper has given me more reading and turning of leaves than it was worth.

J. T[ROMSON]—9-3-04.

The draft placed below is submitted for approval.

P. T. THARYAN—9-3-04.

A. GALLETTI—10-3-04.

A. G. C.—11-3-04.

In rule 11 the Rs. 30 limit grammatically refers to the inspecting officers and not to the nominees. The grammar may be put right?

A. G.—5-4-04.

Yes, altered in proof.

A. G. C.—6-4-04.

Educational Department.

With reference to G.O.No. 2 Educational,

dated 2nd January 1902 approving certain alterations in the rules for the inspection and control of the schools in Coorg and Bangalore, I have the honour to state that the Commissioner and the Chief Commissioner consider that the rules relating to the schools in Coorg should be set forth separately and that certain modifications should be made in the existing rules to suit the requirements of this province. The Commissioner has drawn up the accompanying set of rules and the Chief Commissioner has approved them; I beg to request that you will be good enough to obtain the concurrence of the Madras Government therein.

2. The modifications proposed by the Commissioner and approved by the Chief Commissioner are as follow:---

Rule 2. The rule has been found to cause great delay in the disposal of routine matters. For the purpose of securing the general control of the Chief Commissioner it seems to be sufficient if his orders are taken in regard to (a) the annual report, (b) the annual budget and the modifications thereof requiring his sanction; (c) important changes in policy and (d) the appointment and dismissal of the headmasters of the two secondary schools and the Training school. In this view both the Chief Commissioner and the Commissioner agree.

Rule 14. It is proposed to modify this rule so as to

empower
