Mr. A.E. Castle Stuart Stuart I.C.S.

READ the following letter from Bannatyne Macleod Esq, Collector of Cuddapah, Ref.No. 559, dated 2-3-1904:-

In this office letter Ref.on C.No. 2/B&G Rev. of 1899 dated 9-3-1899 Mr.H.O.D.Harding recommended that the Minor Irrigation Overseer T.R.Rajagopaul Mudaliar might be exempted from the examination rules for the post of a Sub. Overseer and the Board in their Proceedings No. 2087 Misc, dated 22-4-1899, supported his recommendation. The Government in their order Misc.No. 2003, dated 5th June 1899, sanctioned his exemption with the remark that the sanction should be considered to apply only to the particular appointment to which it was proposed to post the man. He was accordingly appointed as a Sub Overseer on Rs.30.

2. There is at present a vacancy on Rs.50 of a Sub Overseer's place in ~~the~~ District and in this arrangement, I wish to give a 40 Rs. place to Rajagopaul Mudaliar referred to in para 1. The Government Order does not, however, permit it. This Sub Overseer has put in a service of about 15 years and he has all along given much satisfaction in his work. I believe he is doing better work than some of the passed Sub Overseers in the District and he is always well spoken of for his willing and hard work. It seems to me rather hard to bar his promotion altogether and

I would request that he may be exempted from the examination rules for the post of a Sub Overseer. This exemption once supported by the Board would enable him to draw a maximum salary of only 50 Rs. before he could retire and it is not certainly too much for his good work. If the Government still thinks that such an exemption cannot be granted, I should strongly recommend that he may be exempted at least for the Rs.40 place which I wish to confer upon him now.

Read also the following Board's Reference thereon No. 900, dated 12th March 1904:-

The Collector's attention is drawn to G.O.No.456 dated 12th February 1900 communicated with B.P.No. 797 ^{sub} a/ 20-2-1900 and he is requested to report whether he has experienced any difficulty in securing the services of a duly qualified person for the post of the Minor Irrigation Sub Overseer on Rs. 40.

Read also the following letter from Bannatyne Macleod Esq, Collector of Cuddapah, Ref.on C.No. 559, dated 22nd March 1904:-

In reply to Board's Reference No.900 dated 12th March 1904, I have the honor to state that the exemption referred to was sought for not on account of any difficulty in getting duly passed candidates for the post in question but in consideration of the long service (15 years) both temporary and permanent put in by the candidate for exemption and of the continuous good work done by him under the various officers he served. He is already a permanent Sub Overseer on Rs.30 and he deserves the 40 Rs. place which I wish to confer upon him now. He has been doing his work much better than some of the passed Sub Overseers in the district.

Resolution.-

The papers read above will be submitted for the orders of Government with reference to the correspondence ending with G.O.No. 456 dated 12th February 1900.

2. In their Order No. 2003, dated 5th June 1899, Government sanctioned the exemption from the operation of the examination rules of T.R.Rajagopaul Mudaliar, a Minor Irrigation Sub Overseer, with the remark that the sanction should be considered to apply to the particular appointment to which it was proposed to post him. He was accordingly appointed as a Sub-Overseer on Rs.30. The -- Collector of Cuddapah strongly recommends his exemption in order that he may be promoted to the post of Sub-Overseer on Rs. 50 or 40. The Board would support the recommendation without hesitation, if the Collector had tried and failed to secure passed men; but this is not the case. The exemption is applied for on the ground of personal merit and long approved service. The Board considers that it will be sufficient if Government will be pleased to sanction the exemption in respect of the post on Rs.40 to which it is proposed to promote the Sub-Overseer.
